A bibliography of the vegetation of the Carolinas

Supplement I

by

Robert K. PEET

A number of additional references have come to my attention since I prepared the original bibliography for the participants in the 16th IPE. I wish to thank those who have suggested additional titles, with special thanks to Dr. Peter White of the Great Smoky Mountains National Park.

I. General

- ANON., 1950: Wildlife cover map of North Carolina. North Carolina Wildlife Resources Commission, Raleigh, N.C.
- ANON., 1955: Major forest types, North Carolina. Southeastern Forest Exp. Stat., U.S.D.A. Forest Service, Asheville, N.C.
- ASHE, W.W., 1893: Notes on the forest resources of North Carolina. J. Elisha Mitchell Sci. Soc. 10, 5-25.
- CHRISTENSEN, N.L., 1979: Fire regimes in southeastern ecosystems. In: MOONEY, H., BONNICKSEN, J.M., CHRISTENSEN, N.L., LOTAN, J.E. and REINERS, W.A. (eds.), Fire regimes and ecosystems properties. U.S.D.A. For. Serv., Gen. Tech. Rpt., Washington, D.C. (in press).
- LARSON, S.S. and BATSON, W.T., 1978: The vegetation of vertical rock faces in Pickens and Greenville Counties, South Carolina. Castanea 43, 247-254.
- PATTERSON, D.T., 1976: The history and distribution of five exotic weeds in North Carolina. Castanea 41, 177-180.
- SIRKIN, L., 1977: Late Pleistocene vegetation and environments in the middle Atlantic region. Ann. New York Acad. Sci. 288, 206-217.
- VENARD, H., 1969: Bibliography of Georgia Botany. Castanea 34, 267-306.
- WHITEHEAD, D.R., 1964: Fossil pine pollen and full-glacial vegetation in southeastern North Carolina. Ecology 45:767-777.

II. Mountains

- ABELL, C.A., 1934: Influence of glaze storms upon hardwood forests in the southeastern Appalachians. *J. For.* 32, 35-37.
- 1935: Results of 1924 cleanings of cove hardwood, Pisgah National Forest. *J. For.* 33, 626-627.
- ALDRICH, R.C. and DROOZ, A.T., 1967: Estimated Fraser fir mortality and balsam woolly aphid infestation trend using aerial color photography. *For. Sci.* 13, 300-313.
- BARDEN, L.S., 1977: Self-maintaining populations of *Pinus pungens* Lam. in the southern Appalachian mountains. *Castanea* 42, 316-323.
- 1978: Regrowth of shrubs in grassy balds of the southern Appalachians after prescribed burning. *Castanea* 43, 238-246.
- 1979: Serotony and seed viability of *Pinus pungens* in the southern Appalachians. *Castanea* 44, 44-47.
- and WOODS, F.W., 1976: Effects of fire on pine and pine-hardwood forests in the southeastern Appalachians. *For. Sci.* 22, 399-403.
- COOLEY, E.H., 1954: A study of plant distribution patterns at a mid-altitude location in the Great Smoky Mountains National Park. Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- CRANDELL, A.E., 1977: A vegetation study of Jones Gap, South Carolina: floristics and some ecological considerations. Master's Thesis, Univ. South Carolina, Columbia, S.C.
- DeYOUNG, H.R., 1979: The white pine-hardwood vegetation types of the Great Smoky Mountains National Park. Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- EAGAR, C.C., 1978: Distribution and characteristics of balsam woolly aphid infestations in the Great Smoky Mountains. Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- FROTHINGHAM, E.H. and STUART, R.Y., 1931: Timbergrowing and logging practice in the southern Appalachian region. U.S.D.A. Tech. Bull. 250.
- FULLER, R.D., 1977: Why does spruce not invade the high elevation beech forests of the Great Smoky Mountains? Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- GANT, R.E., 1978: The role of allelopathic interference in the maintenance of southern Appalachian heath balds. Ph.D. Thesis, Univ. Tennessee, Knoxville, Tn.
- GERSMEHL, P.J., 1970: Factors leading to mountaintop grazing in the southern Appalachians. *Southeastern Geographer* 10, 67-72.
- GOLDEN, M.S., 1974: Forest vegetation and site relationships in the central portion of the Great Smoky Mountains National Park. Ph.D. Thesis, Univ. Tennessee, Knoxville, Tn.
- HAY, R.L., EAGER, C.C. and JOHNSON, K.D., 1978: Fraser fir in the Great Smoky Mountains National Park, its demise by the balsam woolly aphid (*Adelges piceae* Ratz.) Dept. Forestry, Wildlife and Fisheries, Univ. Tennessee, Knoxville, Tn.
- HURSH, C.R. and HAASIS, F.W., 1931: Effects of 1925 summer drought on southern Appalachian hardwoods. *Ecology* 12, 380-386.
- JOHNSON, K.D., 1977: Balsam woolly aphid infestation of fraser fir in the Great Smoky Mountains. Master's Thesis, Univ. Tennessee, Knoxville, Tn.

- JOHNSON, W.C. and BRATTON, S.P., 1978: Biological monitoring in UNESCO biosphere reserves with special reference to the Great Smoky Mountains National Park. *Biol. Conservation* 13, 105-115.
- KESSELL, S.R., 1979: Adaptation and dimorphism in eastern hemlock, *Tsuga canadensis* (L.) Carr. *Am. Nat.* 113, 333-350.
- LINDSAY, M. and BRATTON, S.P., 1979: Grassy balds of the Great Smoky Mountains: their history and flora in relation to potential management. *Envir. Mgt.* 3, 417-430.
- McCRACKEN, W.H., 1978: Comparison of forest cover prior to and following disturbance in two areas of the Great Smoky Mountains National Park. Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- MONK, C.D., 1967: Tree species diversity in the eastern deciduous forest with particular reference to north central Florida. *Am. Nat.* 101, 173-187.
- NORRIS, D.H., 1964: Bryoecology of the Appalachian spruce-fir zone. Ph.D. Thesis, Univ. Tennessee, Knoxville, Tn.
- OH, K.C., 1964: The sampling, pattern and survival of the higher elevation beech in the Great Smoky Mountains. Ph.D. Thesis, Univ. Tennessee, Knoxville, Tn.
- RADFORD, S.W., 1968: Factors involved in the maintenance of the grassy balds of the Great Smoky Mountains National Park. Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- STAMPER, P.G., 1976: Vegetation of Beech Mountain, North Carolina. Master's Thesis, Univ. Tennessee, Knoxville, Tn.
- WEST, D., 1974: Forest population structure in the southeastern United States. Ph.D. Thesis, Univ. Tennessee, Knoxville, Tn.
- WINGFIELD, C., 1968: The ecology of *Pieris floribunda* Benth and Hook., an ericad in a pine-heath community in the Great Smoky Mountains. Master's Thesis, Univ. Tennessee, Knoxville, Tn.

III. Piedmont

- BLACKMON, B.G., 1963: Dry matter production of several oak and hickory species in the lower piedmont. Master's Thesis, Duke Univ., Durham, N.C.
- COILE, T.S. and SCHUMACHER, F., 1953: Relation of soil properties to site index of loblolly and shortleaf pines in the piedmont region of the Carolinas, Georgia and Alabama. *J. For.* 51, 739-744.
- DELLA-BIANCA, L. and OLSON, D.F., 1961: Soil-site studies in piedmont hardwood and pine hardwood upland forests. *Forest Sci.* 7, 320-329.
- OLSON, D.F. and DELLA-BIANCA, L., 1959: Site index comparisions for several tree species in the Virginia - Carolina piedmont. U.S.D.A. For. Serv., Southeastern For. Exp. Stat., Pap. 104.
- PEET, R.K., 1980: Ordination as a tool for analyzing complex data sets. *Vegetatio* 42 (in press).
- and CHRISTENSEN, N.L., 1980: Succession: a population process. *Vegetatio* 43 (in press).

IV. Coastal Plain

- ARDEN, D.D., 1949: The microstratigraphy of a Carolina bay. Master's Thesis, Emory Univ., Atlanta, Ga.
- COOPER, A.W. and SATTERTHWAITE, S., 1964: Smith Island and the Cape Fear Peninsula: A comprehensive report on an outstanding natural area. Wildlife Preserves, Inc., Raleigh, N.C.
- EYLES, D.E., 1939: Studies in the vegetation of certain coastal islands on the mouth of the Savannah River, Georgia. Master's Thesis, Emory Univ., Atlanta, Ga.
- LEMON, P.C., 1949: Successional responses of herbs in the longleaf - slash pine forest after fire. *Ecology* 30, 135-145.
- MCKINLEY, C.E. and DAY, F.P., 1979: Herbaceous production in cut-burned, un-cut-burned, and control areas of a *Chamaecyparis thyoides*(L.) BSP (Cupressaceae) stand in the Great Dismal Swamp. *Bull. Torrey Bot. Club* 106, 20-8.
- PARROTT, R.L., 1967: A study of wiregrass (*Aristida stricta*) with particular reference to fire. Master's Thesis, Duke Univ., Durham, N.C.
- RALSTON, C.W., 1978: The southern pinery: forests, physiography and soils. In: A symposium on principles of maintaining productivity on prepared sites, Proc. U.S.D.A. For. Serv., Southern For. Exp. Stat., New Orleans, La.
- SILANDER, J.A., 1979: Microevolution and clone structure in *Spartina patens*. *Science* 203, 658-660.
