increase took place in England where there are 17,000 Swiss as against 15,000.

In America a reduction has taken place from 83,100 to 71,600, the drop in the U.S.A. alone being from 49,000 to 44,000; Argentine records a reduction from 16,000 to 12,000. Increases are registered in some central and South American States.

In Asia the number of Swiss grew from 2,500 to 3,300, in Australia from 1,500 to 1,900, in Africa from 7,100 to 8,400 most of them in the British Dominions. The reason for the reduction in the number of Swiss in European and American countries is probably the repatriation necessitated by the war, as well as the increased naturalisation in the respective countries.

# THE STEADILY INCREASING POPULATION OF OUR TOWNS.

The following table gives the population of towns according to the recent census together with comparative figures for previous periods. Places with less than ten thousand inhabitants at the end of 1941 are omitted; some of our readers will probably miss Montreux and Davos the residents of which have been decreasing since 1930 to below the ten thousand mark. On the other hand Burgdorf is a newcomer.

# CONDOLENCES OFFERED AT THE DEATH OF H.R.H. THE DUKE OF KENT.

The following letter of condolence was sent to His Excellency, the Governor-General of the Dominion of New Zealand by the Swiss Consul at Wellington in the name of the Swiss people in New Zealand.

"The sad news of the death of His Royal Highness the Duke of Kent has been received by the Swiss people in New Zealand with great sorrow, and I should like to be the interpreter to your Excellency of their expression of deep sympathy in the grievous loss suffered

by the family of His Royal Highness, Their Majesties, The Royal Family, and the British people all over the Empire."

His Excellency has acknowledged the receipt of this letter of condolence as follows:

"I am desired by the Governor-General, as His Majesty's Representative in New Zealand, to express his deep appreciation of the message of sympathy sent by you on behalf of the Swiss people in New Zealand in connection with the death of His Royal Highness the Duke of Kent.

His Excellency wishes me to add that he is arranging for the text of your message to be transmitted to Buckingham Palace for submission to His Majesty the King and other members of the Royal Family."

1ST AUGUST CELEBRATION, AUCKLAND. We have the pleasure to publish another article on the 1st of August celebration, received from Auckland.

"Dear Mr. Editor,

I feel that I should write you a few lines of appreciation on the successful evening held on the 1st August, 1942, in Auckland. The Swiss Consul, Dr. Schmid, and his wife honoured us this year, and I am sure the lantern slides that he kindly lent for the evening, made many homesick. Our M.C. was carried away with the beauties he had left behind him. The slides made me envious of you who have seen the country to which I belong but have never yet had the chance to see.

Mrs. Schmid came attired in her National costume, and also a few of the other ladies and some of the younger set gave the evening more colour by coming dressed in costume representing different cantons.

Items were contributed by our compatriots, but we could have done with more of them.

At this year's function there were a number of new faces, but there were some old ones missing too. The people from the country who come along to get that homey feeling would like to be welcomed by more of the town members and friends who find transport much easier. Although quite a fair number were present, some happy faces were sadly missed, especially Auckland District's oldest compatriot, Mr. Schlapfer, who celebrates his 78th birthday in this historical month. Next year, we hope to see the old and the new faces, and then there will still be plenty of time to talk about the old school.

After a delightful supper our friends from the country departed to their homes. The evening ended with a sing-song and the remaining ones were very reluctant to part, and here I must part too but not without saying "Thank you" and I'm sure the other non-committee members will join with me in congratulating the committee upon their hard work towards such a successful enterprise, also to the lady or ladies responsible for the garlic sausage sandwiches. Yum! Yum!

Next year I hope the future of the world will look more hopeful and that we may be able to meet again in happier circumstances.

Yours sincerely,

(Miss) Bett Haltmeyer  
Rütli.

COLLECTION FOR A MONUMENT TO THE LATE FEDERAL COUNCILLOR AND FORMER PRESIDENT OF THE SWISS CONFEDERATION - DR. GIUSEPPE MOTTA.

I have pleasure in advising that the collection in New Zealand so far has reached the amount of £25, towards which, approximately £15 has been contributed by members of the Swiss Benevolent Society in the Waikato. The splendid result achieved in the Waikato is proof of the fine spirit of generosity of our fellow countrymen there, as well as of the great personal efforts of our untiring and loyal member and friend, John Steiner of Waihou, who has contacted
