ANNUAL REPORT AND BALANCE SHEET.

Another year has come to a close and it gives us pleasure to present to our members the Annual Report and Balance Sheet. Financially we are pleased to say it has been quite a satisfactory year, expenses have been less mainly due to no gift parcels having been sent overseas.

Thirteen new members have joined during the year but we are sorry to report that four have passed away and three others we have lost through their neglect of paying their subscriptions, so we can only report an increase of six in our membership list. Not good enough! We know that there are quite a considerable number of Swiss all over the country who have not joined our Society yet and we beg every member to assist the Committee by doing their best to enrol these compatriots wherever they meet them.

I will take this opportunity to make an explanation. Some members seem to be under the impression that committee members are paid for their labour and so I wish to inform you that absolutely no payment is drawn by any member of the Committee and that their work is done in a purely honorary capacity. They pay their annual subscription the same as any other member.

One other point I would like to explain. We have often asked members who are in a position to do so to subscribe more than the compulsory ten shillings per year. You will agree that this is really a very small fee when you take into consideration that the printing of the "Helvetia" alone costs 6s. 3d. per copy and so we again beg the more fortunate members to subscribe liberally in the new year.
