The well-known factories of Louis de Roll of Gerlafingen have just celebrated their 125th anniversary. On this occasion the workers and employees received various gifts amounting to Sfr.1,500,000 (approximately £100,000).

The American Commercial Attache in Bern, declared before a Senatorial Committee in the United States that he was happy to be able to give a report on a country that has never required any assistance, but on the contrary that has given assistance to her neighbours. The "Journal of Commerce" has dedicated a special edition of 120 pages to Switzerland.
