### **"Home" holiday in the country,**

a new type of holiday in a Swiss village. This contact, indeed, forms part of that experience of the homeland which is longed for by all Swiss who live abroad—particularly the young ones—and which mainly helps to keep alive the good Swiss spirit in far-off places.

This ideal aim is served by the practical arrangement of a stay at the "Home" which is open to all Swiss abroad irrespective of origin, language or religion. In addition to plenty of free time during which each guest may do as he pleases, he will also contribute his share by cooperating in the work involved in sustaining the "Home". Property, self-supporting establishments, buildings, furnishings, etc., are put at the disposal of the "Home".

The standard all-in price consists normally in making a small cash payment per day and in cooperating under skilful guidance in the self-supporting establishments of the "Home" (housework, gardening, agriculture, forestry, maintenance of buildings and furnishings, etc.).

The "Home" is ready to assist its guests in planning their free time, and the study of languages ("Schweizerdeutsch" and the other languages of the country), Swiss customs, sports and national pastimes, lectures and pleasant entertainment are to be encouraged; small and large trips and excursions will also be arranged according to the season and where possible.

Further particulars and application forms from our Embassy or Press Committee.
