Important Announcement for Swiss People

(See Back Page Cover)

New Excursion Fares by Swiss Air D.C.10 are now available to Swiss people. They can travel to Switzerland direct in conjunction with Air N.Z., via Hongkong or Singapore to Geneva or Zurich.

Swiss Air is delighted that the Swiss living in New Zealand now have the opportunity to travel home at an attractive air fare cost, especially when no such similar fares exist to any other points of Europe, except London and Paris.

One last important point is the fact that bookings for the special fares between New Zealand and Switzerland can be made through any travel agent in New Zealand or direct with Air New Zealand booking offices. W.R.
