SWISSAIR REPORT

JULY 1985

QUALITY AT EPIC PRICES

Swissair in association with Air New Zealand has introduced new advance purchase fares to Switzerland!

The connections take place in Singapore, which is just perfect for direct connections off Air New Zealand's flights on Tuesday and Friday from Auckland (also Wellington on a Tuesday).

Swissair meets Air New Zealand again on the return journey from Switzerland when our Monday and Thursday departures from Zurich and Geneva arrive in Singapore with ample time to connect to the Air New Zealand departures on Tuesday and Friday.

Swissair actually has three flights a week from Singapore to Switzerland and return, so if you wish, you can take good advantage of a stopover in Singapore - why not use an Air New Zealand HOTPAC accommodation package?

As you know, Switzerland is situated in the heart of Europe and has always been a turntable for European traffic. Accordingly Swissair flies with its DC9s and Airbus A310s from Basel, Geneva or Zurich to 44 cities in Europe, i.e. London, Manchester, Dublin, Amsterdam, Brussels, Paris, Lisbon, Oporto, Toulousse, Marseilles, Nice, Barcelona, Palma de Mallorca, Madrid, Malaga, Genoa, Milan, Rome, Bucharest, Zagreb, Belgrade, Athens, Thessalonika, Sofia, Istanbul, Salzburg, Linz, Vienna, Budapest, Munich, Nuremberg, Prague, Warsaw, Moscow, Helsinki, and so on.

For a rendezvous with Switzerland and its neighbours, we have picked out a few of the most interesting journeys - for guests with ample time and for those with little - for those travelling alone, and those with family - for the young, and for those in search of repose. It is all put together in Swissair's publication called Switzerland and the Alpine World.

Swissair looks forward to welcoming you on board its flights bound for Switzerland!
