MEMORIES FROM THE TARANAKI BUS TRIP TO THE ANNUAL GENERAL MEETING

30 TARANAKI-ITES with three of our Wellington friends commenced the bus trip north to see some of the Big Smokes' trends.

Our first stop was Mokau, drinking coffee to revive then back on the bus, we were really alive.

An embarrassing noise that came from the back had Rudi with his army knife ready to attack. He shortened the mud flaps. He did it in style, but they still touched the ground every once in a while.

A trip with the club would not be complete, without generous Lou who for each has a treat. With the help of Lotto, it was so very funny, we did actually double our money.

It was about mid-morning by this time and everybody felt like a glass of white wine.

So Rudy, our leader, was given the task of pouring out wine from his three litre cask.

And then we were worried oh, what could it be, condensation, or a little too much wee (wie)!!!

Oh what a difference it made to us all, we were heading towards Auckland to the Yodel Ball!!!

And then to put it quite bluntly, we readily did need that stop in Huntly.

One hour and a half later with a hiss and a roar, we'd arrived in Auckland at our motel door.

Rudi went in, he collected our keys, while we were waiting out in the breeze.

Upon bended knees, the baillif did come to painfully extract a very large sum!!!

Rested and showered and dressed in our best, we went off to the ball to join the rest.

When we entered the hall, oh what a surprise, the beautiful setting was a joy to our eyes.

Well what a smell, it was easy to know it must be the work of Edith and Co!!!

The meal was delicious, the entertainment was grand, to the Auckland Yodel Club we give a big, big hand!!!

To watch those young children, oh what a delight, now we're sure that the Swiss Club's future is bright!!!

We're off to the competition to do our best, those Hamiltonians really put us to the test.

Maya, Heidi, Anni and Lisette thought they did extremely well and took all the credit to bring home the cow bell!!!!

But for Mathias' performance as well, we could've easily said "Goodbye" to the bell.

After the competition to the meeting we went and listened to this interesting annual event.

Then off to the barbeque at 12 Darwin Lane, many thanks to Hans and Lea, we'd love to come again.

The food was superb, the stories so, so rude... which left one and all in a very jovial mood!!!!

Then up to Mt Eden with guides Markus and Chris,

it was such a view that no-one should miss.

Only the coffee schnaps that Sepp did promise to pay, stopped Mt. Eden being a permanent stay!!!

To Chris Hochuli and his hard-working team, we really believe you're the "cream of the cream",

So what more can we say, but thank you, thank you all the way!!!!

And now we return to the best in the west, with memories to bring to our own little nest.

But come '93 if we're spared from above, we'll be off up to Hamilton with the ones that we love. So why do we send to Auckland this letter, because they try to make everything much much quicker and better.

To those of us here with no Swiss blood to boast, we take this chance now to give you a toast.

We love you, we bless you, you're right in our heart, there's no way on earth your friendship we'd part.

Long may you prosper, long may you live, so caring, so loving, so willing to give.

MORE GOOD NEW FROM AUCKLAND

After a few years of quietly rotting away the 300 meter Shooting Range at the Swiss Farm in Kaukapakapa is once more flowering. The unveiling Shoot and official opening on 20/21 June gave a very good start to the resurrected Carbine shooting activities in Auckland. The committee of the Auckland Swiss Club would like to take this opportunity to extend big thanks to Roy Spillman, Terry Mason, Hans Enzler and all the volunteers for putting in that incredible amount of work and time. We are going to offer shooters from other European Clubs the opportunity to join in with us on sporting rifle events. For further information ring our Riflemaster after hours on 626-5147.
