NEWS FROM THE CLUBS

HAMILTON SWISS CLUB

NEW ARRIVAL:

Congratulations to John and Mary Untemährer on the birth of their second son.

1ST OF AUGUST:

1st of August, 8 p.m. **Eureka Hall**. Traditional Swiss food accompanied by Swiss music from the **Jay Es Band**. We hope that many of our members and friends will be able to join us for this occasion. We welcome especially those members and friends wearing a national costume.

Erika Rufer

A few Hamilton Club members took up the invitation to visit the **Auckland Shooting Range**. The weather was beautiful and the club house and range looked a real picture and the Swiss flag was proudly waving in the wind. We would like to congratulate the Auckland Club for all the hard work they had done during all their working bees.

Roy Spillman welcomed us with all his helpers and before long we were lying on the mat, one eye closed, trying to hit those targets. Some had to be woken up now and again. Some did not have too much trouble, but some had to straighten their Karabiner a bit after these had been stored in the cupboard for several years (*or maybe they had used them as walking sticks*).

For lunch we were spoiled with "herrlichem Gulasch und Bratwurst" which made the shooting a little uncomfortable for some and many would have liked to finish the aggregate by lying on their backs to give their tummies a little rest. With all this good food we had to improve the score. Unfortunately we had to leave the Alp fairly smartly as we had our own card evening at **Eureka** that same night, and as many of us did not want to miss that, we had to make the drive back home as short as possible.

Again we would like to thank the Aucklanders for the tremendous day we had and the help they gave us to get some good results.

TARANAKI SWISS CLUB

FONDUE EVENING: Saturday June 13, not a day for the superstitious ones, but it was nevertheless Preiskegeln. At one o'clock in the afternoon, the competition started and it was after 5 o'clock when Ruedi switched it off.

In groups of threes, players tested their skills against each other, with the winner being able to take home a pack of Swiss sausages. Some were lucky, some were not and some had a downright black day. And if it were not for the generosity of a banking lady, the crooked lady would have gone home empty-handed.

At the end of the day, there were prizes for the overall winners:

Gentlemen: 1. E. Füglstaller, 2. M. Seifert
Ladies: 1. M. Canziani, 2. M. Seifert

After the Kegeln, everybody was hungry and looking for the Fondue. Eighty people turned up for a delicious cheese fondue. Thanks to a well oiled team of helpers for serving, pouring tea, looking after the burners and, most important, cleaning all the pots, dishes and forks. Everybody was soon patting their full stomachs, waiting to get rid of their calories on the dance floor. To Peter's and Zeno's music, we started the dancing with a snowball waltz to get everybody going.

Three raffle prizes, the first being a big chocolate Easter bunny, waited to be won. And it was not long before all the tickets were sold. All in all, a very entertaining and successful day. Everybody seemed to have enjoyed the Kegeln, the Fondue and the dancing. So a big thank you to all the helpers behind the scene and of course thank you to all our supporters.

ANNIVERSARY SHOOT 1992

On the 5th of July we held our Anniversary Shoot. The attendance was good and the competition was friendly.

I think most people enjoyed the day and the lovely meal (Rippli and Sauerkraut). I would like to thank everyone who turned up for their support and a special thank you to all the helpers: Ruedi Dudli, Vreni Kull and Kathy Danz for cooking the pork. Jean and Edi Füglstaller for donating and cooking the "spuds", Emmi Kiser for donating the milk and the Snaps and

for cooking the peas, Angela Kiser, Marianne Benkert and Edi Füglstaller for helping our with the raffle. Also thanks to the musicians.

W.S.

HAIRNETS IN THE SWISS ARMY

The new regulation which came into force last June now only stipulates that men must wear their hair in such a way that it will not touch the collar. Gone is the regulation requiring the hair to be cut short. So for men who prefer to wear their hair down to their shoulders, hair nets can or rather must be used.

This change was forced upon the Military Department by the fact that military tribunals were increasingly reluctant to prosecute under the old regulation.
