**Im Juli, im Juli da überchunt

Hidihi folks... Liz's birthday and the A.G.M. of the Swiss Society have been and gone. The news which concern all of us is only the \$10 increase in the cost of the **NEW LOOK HELVETIA** and therefore a small increase in our membership fee! Single members are now invited to pay \$45 per year and families \$55 per year. The committee hopes that all of you folks will continue to support the club and the small farm in Kaukapakapa. Marie-Theres thanks you in advance for promptly paying this years subscription fee.

CHANGE OF LOGO!!

Our Hamilton friends have to keep their old Club Logo for an other year or two.

At the finals of the Cowbell Competition held on 6 June they have lost the Kegeln and the Jassen on top of the previous defeat in shooting. The Steinstossen which they won did not help either and the big Cowbell is going once more to Taranaki. Next year we will make sure to send a strong team from Auckland to Taranaki to get the Bell off that poor old cow which is wearing it now!

NEWS FROM THE JASSABIG

The **20 May** was quite a nice evening, but had barley enough (people) players for three tables. A couple more turned up later on but to late to compete. The 3.5kg ham was won by **Köbi Glauser**.

Many thanks to the Swiss Butchery who donated the ham.

The spot price, a packet of Sauerkraut, went to **Simi Hartmann**.

Many thanks to Hans Iten who makes and sells Sauerkraut for \$4/kg)

The **18 June** attracted 18 members to play a good old "Jass".

That days prize, a real bottle of Schnaps, went to **Tony Manser**. Hope he does not drink it all at once!

Many thanks to Presi Chris to part with a bottle of Schnaps.

The spot prize, a small bottle of liqueur, went to **Tony Mathys**.

Many thanks to Erwin Knechtle for not drinking it by him selves.

If anyone would like to donate a price for our Jass Evening don't hesitate and contact **Hans Iten 620-7208**. It would be very much appreciated.

FILM EVENING

"Men in the Ring" is my personal contribution to the 700th anniversary of the Swiss Confederation.

Hundwil: a swiss village. Twelve houses grouped around a square. The people who live in these houses. In the centre the Landsgemeinde, the annual assembly of male citizens: "direct democracy". Women's right to vote, the event of the century. A traditional world with its values and its customs. This traditional order of things faces confrontation from today's pressures. Old fashioned ideas concerning the division of the sexes are losing ground. At the same time an insecure new generation is searching for its identity, belief and future.

Erich Langjahr

This film screens on Wednesday, **28 July 1993, 7.30pm** in the Upper Lecture Theatre, University of Auckland. No admission. This evening is a combined event with the Goethe Society.

Contact **Alfred Tobler** on 480 9326 if you need more detailed information.

DIE "SCHWEIZERMACHER" SCHLAGEN ZU...

THE SWISS PRIDE THEMSELVES on being well ordered, but Zurich's sturdy citizens are divided over the city fathers' latest attempt to regulate their lives. Suddenly, only colorful new garbage bags - seven times as expensive as the ordinary commercial kind - can be used for trash. Anyone using nonprescribed bags can be fined 100 francs (\$US68). Compliance is high but not altogether enthusiastic. **Grumps Alexander Galliker**, an unhappy grocery-chain executive: "A garbage color like gray is quite good enough."

HAMILTON AGM

The Committee would like to thank those members who attended the AGM for their support. An enjoyable evening was had by all finishing with a tasty supper. With much regret, our Riflemaster, Walter Zuber resigned after many years of service to the Hamilton Swiss Club. His great organisation of the medal competitions and card evenings will be a hard act to follow.

The following members are in the Hamilton Swiss Club committee for the 1993/1994 year:

President: Herbert Stäheli
Vice-President: Doris Worth
Secretary: Erica Clarkin
Treasurer: Beatrice Leuenberger
Riflemaster: John Unternährer
 (21 Carey Street, Hamilton)
Committee Members: Heidi Leuenberger, Heidi Fransen, Bill Myles, Roland Rufer, Peter Rust.

The committee would like to thank all members and friends for their support over the last year.

SOCIETY AGM + CARD EVENING:

The Hamilton Club was pleased to hold the 1993 Society AGM which started with a card evening on the Saturday night, 5th June. A group of about 70 enjoyed a game of friendly cards followed by a delicious supper. A small presentation was given to Walter Zuber for all the work he has done over the years.

On Sunday morning, 6th June, the Taranaki Club was too strong for us and narrowly won the cowbell competition. Well done Taranaki. However, we will endeavour to win it back next year!

The AGM went smoothly in the afternoon ending in an enjoyable buffet dinner.

HAMILTON CONGRATULATE AUCKLAND ON A SUCCESSFUL DAY

On the 2 May 1993 it was my privilege to accompany nine other Hamilton riflemen to travel to Auckland for the annual 300 meter shoot. It had been over 10 years since I last attended one of these events, and I saw that a number of improvements had been made to the range. It is a first class facility and one that the Auckland club should be proud of. On behalf of all the Hamiltonians who attended that day, I would like to sincerely thank all the Auckland Club Members who made the day a most successful and enjoyable one. We all look forward to coming back again next year to try and better our scores from this one.

Thank you once more. John Unternährer, Riflemaster Hamilton Swiss Club.

TARANAKI SWISS CLUB

TARANAKI SWISS CLUB TRIP TO THE ANNUAL GENERAL MEETING

Due to members holidaying in Switzerland, people shifting etc, we were unable to travel by bus to Hamilton. Many thanks to the drivers for taking us up and home safely. We arrived at Swiss Craft at 10 o'clock where we were greeted with a cup of coffee and delicious cakes and cookies. It was lovely after the early start and long drive from Taranaki. Soon, however, we were told to get on with the job!!! The final of the **Cowbell competition** was between the Home team, Hamilton, and Taranaki. Shooting had previously been won by Taranaki... Congratulations!

Shotput: well Hamilton blasted us away by six metres. We need to get a muscle building competition under way to strengthen our team for future years... or are steroids freely available in Hamilton??

Kegeln: we were expecting a loss due to Hamilton's advantage of playing on their own alley. All eyes were on our president, from whom we normally expect great results... well total **DEVASTATION!!!** Lou, with six masterly shots, gave us the winning edge!!! Thanks... Well Done Lou!!!

Jassen: Jassen was very much a one-sided affair before lunch as Taranaki lost three out of four games. However, our players were able to regain some valuable strength with delicious soups, sausages, savouries and home-made bread, along with a glass of wine. Many thanks to all those who helped put on such a splendid lunch. Whether it was the wine or the food, we still don't know, but we fought back courageously to win three out of the

next four games. The battle was to be won or lost in a countback of points, and much to our relief the score was in Taranaki's favour!!! This was much to the elation of our skittle players who were saved from playing the decider! The competition was played in very competitive spirits, but good sportsmanship was shown. Winners or losers I'm sure that everyone enjoyed the get-together. **After all it is the real purpose of the Cowbell Competition.** Thereafter the AGM was held, with a lively discussion, interrupted by a delicious afternoon tea. Upon completion of the AGM, a happy hour was held with people intermingling and enjoying amiable discussions with each other. Everyone then proceeded downstairs where a scrumptious smorgasbord was awaiting us, and an interesting game of "guess the weight". This time Taranaki didn't come to the fore!!!

Many thanks for your kind hospitality. All in all a great weekend was held by the members of the Taranaki Swiss Club and we look forward to extending our hospitality to everyone next year.

DON'T FORGET:

*Shooting every third Sunday of the month.
Kegeln will take a break until September.*

The Society Competition was held on Sunday May 2nd. The turnout was lower than last year, but competition was fierce and fair.

The Preiskegeln and Fondue evening attracted a lot of people. During the afternoon the skittle alley stood never still and a few lucky and also persistent players ended up with a big supply of the lovely Swiss sausages made by our own Ruedi Dudli.

After playing for so long, so hard for so many sausages, everybody was keen to taste the fondue. Judging by all the empty pots and the many lovely compliments, the fondue must have been a success. A very special thank to Heidi and Emmi who battled so validly with dirty dishes and provided a steady stream of clean pots, plates and forks.

To the music provided by Peter and Zeno, we danced until the early morning.

V.K.

WELLINGTON SWISS CLUB

On the 14th, 15th, 16th and 17th May, Victoria University was packed with spinners, weavers and lovers of art and craft in general. The program was interesting and educational. An internationally renowned tapestry weaver gave a public lecture and an American feltmaker shared her experience of felting in Mongolia. Many Embassies displayed weavings and other handicrafts. The younger generation enjoyed the "hands on" experience of spinning, weaving, tapestry weaving and felting. The black and coloured sheep-breeders conducted an auction of their finest fleeces. The Gala Fashion Parade was held on the opening night and featured superbly created garments all made in wool. The one which were made in conjunction with leather received the greatest applause.

Another peak was the presentation of another fashion parade: twenty different nations came along to "show off" their exquisite national dresses. It was a feast for the eyes. The Irish, Scottish and Israelis demonstrated some of their traditional dances. The Filipinos paraded dresses which were adapted over the last 300 years, from very traditional to very modern. Four Swiss "Trachtenfrauen" took great delight in exhibiting their heirlooms from Lucerne, Zurich and Graubünden. Veronica Allen, the compere did an admirable job in explaining all the different hand embroidery and the origins of the costumes. One Polish lady described how difficult it was for her to get the right

material from Poland to sew her dress. The Indonesians were a joy in their colourful outfits, richly decorated with golden jewellery.

All the participants relished and revelled in the experience of having the opportunity to display one part of their rich and unique cultural background. It was a day to remember.

CLUB NIGHT, SATURDAY, 22 MAY 1993

A cold autumn's night drew 28 club members in front of a warm open fire in our cosy club house in Ohariu Valley. A video, kindly lent to us by the Swiss Embassy, took us on a rail journey through Switzerland. It woke memories of attractive places already seen and aroused the wish to go and see new locations hopefully in the near future. Everybody took great delight in the new supper experience: it was "Chuechli-Galore". Soon we were either seated for the "Jassen" or took part in the Skittle. The delight and pleasure in the "Jassen" was so great, that some of us managed to play until the early hours of Sunday morning. One of the highlights of the night was to learn the "Guggitaler Jass", expertly taught by Franz Rempfler. We are all looking forward to our next club night which will take place on the 21st of August 1993.

WALK TO THE PENCARROW LIGHTHOUSE: SUNDAY, 30TH MAY

Eighteen enthusiastic Swiss walkers met at Eastbourne on one of the finest and calmest winter Sundays, five people even took their cycles along. An easy eight kilometre walk brought us to the oldest historic lighthouse in New Zealand, on the clifftop above Pencarrow Head. The three fittest, Lotti, Theres and André made it with their bicycles even much further and explored the shores of Baring Head. In the meantime we others appreciated a well deserved picnic and watched with great interest how Peter Graf openend with his hammer several promising stones in the hope of finding crystals or even gold! With chatting the time passed only too quickly and it was time to return. Hundreds of other Wellingtonians had the same idea and enjoyed the coastal scenery, the sun and the good company of other fitness ramblers.

SOCIETY AGM IN HAMILTON

Every Queen's Birthday weekend a few Swiss from all over New Zealand are travelling to an annual event: it's the Grand Final of the Cowbell Competition combined with the AGM of the Swiss Society. This year's host were our compatriots from Hamilton. Therese and I spent most of Saturday in the car travelling through the beautiful countryside up North. The traffic really was not too bad. In the late afternoon we met the rest of our "team", waiting at the Southern Cross Motel.

After an extravagant meal, our five tried to find the way to Eureka - mind you it was still raining and it was as dark as in a cow's belly and there are no hills for

orientation! Finally we got there - ten minutes later than anticipated. Unfortunately the Hamiltonians had already started their card game competition. So we started our own "contest": committee against the rest. The outcome was influenced by the limited experience of Therese - never mind we had fun. Later in the evening the very nice people of the Hamilton Swiss Club offered us some sausages and home baked bread. The hospitality was exceptionally good. Thank you very much Hamilton! Nevertheless Therese and I felt worn out so we left for our motel unit.

For Sunday morning, my wife and I had planned a trip to Raglan. But the weather was still not inviting. So we decided to stay for an excellent and relaxing massage: thank you Maya and Kati. Afterwards we left for observing the Grand Final or the famous Cowbell. After a competitive struggle Taranaki was first over the line - congratulations to the winners. To remind you the Wellingtonians got defeated by Taranaki. So after all our efforts cannot have been that bad and we feel better again! A very nice lunch with a real "Basler Mehlsuppe" was served. Once more thank you for looking after us so well.

The conference room was packed at 2 pm, some people had to attend the meeting on their feet. Peter Schüpbach led with great experience through the 16 agenda points. The committee received compliments and thanks from everybody for their big efforts in producing the current high standard Helvetia. Keep the good work up. The point with the most emotions, motions and discussion was about setting of the subscriptions for 93/94. After the presentation of the statement of income and expenses everybody in the room agreed that we cannot take every year \$6000 plus from the accumulated funds. So after exploring all possible avenues, the delegates approved the in-

Here is a photo to stop all Swiss Navy jokes. With the bulk carrier "URI", the Swiss merchant navy is back to a total of 23 ships with a total tonnage of 620,864 tons. The "URI" has a crew of 17 of which 3 are Swiss, including the captain, and 14 are Russians. The official language on board is apparently English.

WHO WORKS THE LONGEST

According to a survey concerning average annual working hours of industrial workers, it appears that, not surprisingly, the Japanese are well ahead of the rest of the world. But what is most astonishing is that the expected hard working Germans are at the bottom of the list. See for yourself.

Japan 2165 hours. USA 1847 hours. Switzerland 1773 hours. UK 1635 hours. Belgium 1631 hours. Italy 1625 hours. France 1611 hours. Austria 1595 hours. Sweden 1560 hours. The Netherlands 1545 hours. Germany 1506 hours.
