**Im Septämber, im Septämber
versorget dä Puur sini warme
Hämder!**

Hi there, long time no seen...

It has been a while since the last News Letter. Due to the Swiss Societies decision to reduce the number of **NEWLOOK HELVETIAS** from 12 to 8 issues a year we try again to inform you of the dates for 2-3 months. We know that it will stress your "re-memory" a bit but still hope to see many of you taking part and enjoying the coming functions.

NEWS FROM THE JASSABIG

The July Jass Abig attracted 15 players. Once more **Toni Manser** won the evenings 1st prize. **Hans Iten** was lucky too and took home the 2nd prize. **Marie-Theres Melville Schöpfer** won the evenings spot prize. All prizes were kindly donated by the **Swiss Bakery, Patisserie & Café of Milford**.

1. AUGUST

All though the ticket sale was slow the event ended up in a very successful and enjoyable afternoon/evening function at the **'De Vines'** vineyard cellar in Henderson. Just over 150 members & friends, new immigrants and visitors from Aussi enjoyed Auckland's casual Swiss National Day function with the Children's Dance Group as the main entertainment.

A special big thanks goes to the following:

THE BAKEHAUS, DONSONBY
GOLDEN HANDCRAFT, ST. JOHNS
HARRY MOORS, WATCHMAKER, MASSEY
JACK'S TOY COMPANY, REMUERA
MILBURN CEMENT, CHRISTCHURCH
PRESI CHRIS'S FLOWER COMPANY
SANDOZ LTD., AUCKLAND
SWISS BAKERY, PATISSERIE & CAFÉ, MILFORD
SWISS BUTCHERY, EAST TAMAKY

These were our sponsors who quietly helped us with their generous donations.

NEW FROM THE ESI

A little change was made with the ESI name. It no longer stands for 'Europa Societies Incorporated'. The new name is now **'Federation of European Clubs & Societies'**. The abbreviation 'ESI' and the logo is still valid.

INTERNATIONAL 10 PIN BOWLING COMPETITION

On the 25 July 1993 the first Bowling Competition of the **ESI** was held at the Takapuna Bowling Centre. The participation was very good with 12 team of 4 from the **German, Dutch, Hungarian, Austrian and Swiss clubs**. Bowling started without much delay at 2 o'clock with great enthusiasm. There were a few professionals playing, seeing the final results. Others could do with some coaching. The competition ended around 5 o'clock with the prize-giving. The cup (Wanderpreis) was donated by **Adolf & Virginia Amstutz**. Also travel bags and bottles of wine were to be won. Since this event was such a success, everybody agreed that it should be repeated. So, on **31 October 1993 at 2 p.m.** a fun bowling will be held at the **Takapuna Bowling Centre**.

Results of 3 games:

1. 'A' Team German Society 1610 pts
2. 'B' Team Dutch Society 1552 pts
3. 'C' Team Dutch Society 1400 pts
4. 'A' Team Hungarian Club 1248 pts
5. 'B' Team Hungarian Club 1154 pts

Highest individual scores:

1. Peter Hinsch 176 pts German Society
2. W. Schuttfaber 157 pts Dutch Society
- 3/4. Imre 137 pts Hungarian Club & Kauenhoff
137 pts German Society **J.M.R.**

evening you can still come and play cards for fun and the evening prizes.

OBITUARY

It was with great sorrow that we heard of the sudden death of **Susanne Däle** of Christchurch the wife of our old friend Walter Däle and mother of Sarah & Walter. That sudden, unexpected death did come far too early in the blooming time of that young family. We sincerely hope that Walter and the children will have no trouble continuing their family life despite that great loss.

Chris Hochuli & friends.

LOST & FOUND

On the 1. August party at 'De Vines' **Thomas Pfenniger** found a nice brooch. He took it home and put it in safe place and is now keen to find out who lost it. If it was you or you know the person please give him a ring on **09-420-8517** so he can give it back to the real owner.

CHRISTCHURCH SWISS CLUB

WELCOME

Some of you may only just now have discovered News of our **Chch Swiss Club** in this new form in the **HELVETIA**. I welcome you all warmly and hope you enjoy what you read, and you join us on some of the planned activities!

ANY COMMENTS OR SUGGESTION?

I would like to hear them, and am more than happy to receive your contributions for future inclusion in this magazine! Yes I know I am the secretary, but then I am a very busy man, with my head full of all sorts of other things to do as well. Surely there are other people inside or outside our club, who have also something to tell! Just have a go - I'd love to make this part of the **HELVETIA** really interesting too!

Please contact your Secretary of the Chch Swiss Club,

Jürg Hönger,
58 Hackthorne Rd
Christchurch 2,
Ph: (03) 332-6211.

Thank you and happy reading!

PROGRAMME FOR THE YEAR 1993/94

We have some exciting events planned for the coming months. We would love to see you all joining in - the ones who do usually enjoy themselves very much.

Saturday, 18 Sept.

Another **Jass & Games evening**, at Gwynneth and Werner Schibli's place, 72 Hawford St., Christchurch 2 [Ph (03) 3325 525]. Please ring Gwynneth and Werner if your interested. Would you like to learn to play that famous game of JASS? Well here is your chance - very patient 'professionals' are all geared up to teach you! **WARNING** - there is a high probability that you are going to get hooked. You could end up spending many an evening playing cards with your friends, and really enjoying yourself!

We will start around 7:30 pm. Bring your own drinks, and a plate to share for supper. Coffee and tea provided.

Sunday, 17 October

Walk at Lake JANET: We will meet at the Hotel, on the main street in Amberly (Nth Canterbury), at 11 am. This promises to be a very pleasant Sunday outing. Walks are always popular, and with this one you have a choice of just a short stroll around the lake, or more strenuous 2 hours or more of hill walking. Of course you can also just have a picnic at the lake, should you feel like a lazy Sunday. Bring your own picnic.

Sunday, 5 December

Samichlaus Feier: from 2 pm (Samichlaus at 3 pm), again at Othmar and Noeline Kenel's place, Sutherlands Rd, Christchurch. As in previous years, we will be having a barbeque. Father Christmas will again have a small present for all the children. More details to follow in later editions of the **HELVETIA**.

Sunday, 6 February 1994

Ride and Picnic on the TUHOE: she's a restored, lovely old boat, that travels through Kaiapoi on the rivers Cam and Waimakariri. We will meet at the wharf in Kaiapoi at 11 am. The sailing trip takes approx. 1.5 hours, and costs \$8 per adult (\$4 for school age children). Bring your own Picnic. We are currently thinking of staying on in the saloon of the boat after the trip, for a chat, a drink, maybe some (Swiss?) music & dancing, or whatever. Interested? Again, for details watch this spot in the **HELVETIA** editions closer to the time of the trip.

SWISS NATIONAL DAY

The Christchurch Swiss Club celebrated this year's National Day on Friday, 30th July 1993, at the Old Stone House. Swiss Nationals from Timaru, Temuka and Switzerland joined us for this occasion. 54 adults and 12 children enjoyed the tasty Swiss style dinner, which started with a glass of 'Glühwein', followed by Minestrone soup and garlic bread, 'Cervelats', 'Fleischkäse', 'Sauerkraut' and a fine selection of homemade salads. A giant piece of Black Forest Cake and coffee rounded up the delicious meal. Between the main course and dessert, we listened to the 1. August speech for the Swiss Abroad, spoken in English by the 'Bundespräsident' A. Ogi himself. A 1. August celebration is not complete without some fireworks and children carrying their 'lampions'. This has become a tradition in Christchurch, and every year, after the speech & National Anthem the children lead the way outside with their candle lit lanterns. The firework display was once again the highlight of the evening, particularly for the children. 'Lüpfige Ländlermusik' drove people to the dance floor, and it was past midnight when the last guests headed for home. **Johanna Cunningham, President**

Our honourary member, Kurt Suter, is very obviously enjoying his piece of 'Schwarzwälder Torte'. Talking to him are Nicky Sinclair (middle), and his wife Evelyn

No prizes for guessing where her dad comes from.

Children with their 'lampions' braving the cool winter air to watch the traditional fireworks.

A good time to catch up with old friends, and make some new ones.

I am looking forward to seeing you all at some of the events coming up! Please mark your diary or calendar right now - we will NOT ring everybody anymore to remind them (as we used to do in the past).

Kind regards, **Jürg Hönger (Secretary for the Christchurch Swiss Club)**

ANNIVERSARY-SHOOT 1993

On Sunday the 4th July we held our Anniversary-Shoot.

We had perfect weather conditions and therefore we had a good attendance.

I believe, everyone enjoyed the friendly competition and the lovely meal afterwards (Rippli and Sauerkraut).

After the delicious meal was over, some people tried their luck on the Spinning-Wheel, which offered a good variety of prizes to be won.

Some had better luck than others, but it was all for a good cause.

Later on we danced the night away until we settled down for our late-night-supper.

I would like to take this opportunity to thank everyone who came along, for their support. A special thank you to all the helpers, the musicians and all the people who donated in any way. I do not mention any names this year, in case I leave someone out! Thank's one and all. **W.S.**

6 Nov. Club evening

WELLINGTON SWISS CLUB GOES ON A SEAL WATCH

During winter Wellington's coasts turn into a holiday resort for native fur seals. The seals migrate from the Southern Ocean and subantarctic rookeries and can be found by the hundreds from May onwards on the rocks at Sinclair Head near Red Rocks, Cap Terawhiti, Tonque Point, Turakirae Heads and Cape Palliser. Some seals migrate as far as Three King

Island, north of Auckland, but Wellington has some of the most populated wintering areas in New Zealand.

A strong and vigorous walking group took the last Sunday in June to visit such a seal colony on the Turakirae Heads on the Wainuiomata coast. In 45 Minutes we reached the seals, the sight was tremendous and well worth the battle against the northerly wind. Some scarred and exhausted bulls were laying lazily around, the younger generation could be seen dancing in the huge waves of the ocean. We could even observe a few pups trying out their independence, which will help them survive the long swim back to the south in September. We found the seals to be placid and composed creatures, but we made a point of keeping a distance so they wouldn't feel threatened. During the 18th century fur seals were hunted to near extinction, it is only since the 1950s that populations have returned to normal. We are indeed lucky to be able to admire these delightful animals in such close proximity. It was a remarkable walking tour and a superior lesson in natural history. **MBG**

EVEN THE "WELSCHSCHWEIZER" LIKED IT

As all Swiss citizens know, the Fondue originally comes from the French-speaking part of Switzerland and not from France (Haute Savoie) or the North of Italy (Val d'Aosta) as I have heard from some confused people...

Therefore being the only "Suisse Romand" present at the fondue evening (it is not a bad average taking into account that we number only 6 in the whole Wellington region!) I was especially amazed and surprised how good the Fondue was. Yes, I have honestly to admit that although it was prepared by Swiss Germans, this was the best I have had since I have lived abroad!

Congratulations to Monika and all the people who helped her.

After this delicious meal, the President, Walter, welcomed some German guests (among them the President of the German Club in Wellington), gave a brief talk about what happened during the AGM in Hamilton and gave the result of the last votation in Switzerland. Some were thrilled with the result, some not at all (guess on which side the "Welschschweizer" was?). Then came the raffle. Some were too lucky, winning two prizes while others, as always seems to be the case, won nothing. I was particularly pleased to see how many young people were present during this enjoyable evening. I really hope those people will come again. Swiss Clubs, not only in New Zealand, need some young blood to continue and to perpetuate our traditions. It was clear to me during the evening and in comparison with other Swiss Clubs I have been to, the one in Wellington is thriving! **Francois**

MIDWINTER WALK

Sunday, the 25th July was a fine and glorious day, not a cloud in sight. The sky was an intense blue, the sun was warm and invited us to our organised hike. What luck and chance in the middle of the winter! Our goal was to do the Eastern Walkway, a track which extends along the southern end of the Miramar Peninsula from the Pass of Branda to Tarakena Bay.

Eleven eager and lively members climbed the trail to the Beacon Hill. One lucky girl, Sonya, 18 months, got carried all the way by her plucky and resilient father Murray. From the Beacon Hill Lookout we enjoyed contrasting views - Cook Strait, Baring and Pencarrow Heads in one direction, the eastern suburbs, airport, Evans and Lyall Bays in the other. We learnt that the Beacon Hill Signal Station has been in operation since 1864 and played its part in the shipwreck disasters of the Devon, Wanganella and Wahine.

The geological formation of the Miramar peninsula, coupled with the diverse local history (from our path we could see terraces and ditches, which were ancient pa sites) gave the area added interest. What now exists as a peninsula was a separate island named Motu-Kairangi by early Maori. The island was isolated from the main land mass by a shallow channel. In 1460 a severe earthquake raised the island to form the peninsula. Another earthquake in 1855 caused a second uplift which created the peninsula we see today.

Finally we arrived at our lunch destination, the Atatürk Memorial Historic Reserve. The Memorial commemorates Mustafa Kemal Atatürk, defender of Gallipoli and first president of modern Turkey. Beneath the memorial is a container of soil from Anzac Cove, Gallipoli. Before we descended to Tarakena Bay we admired once more the exquisite view: the South Island and the snow covered Kaikoura Ranges.

A 20 minute walk along the quaint and whimsical houses of Breaker Bay brought us back to our cars. We all felt the same: Wellington must be the most interesting and appealing city in the universe and that we wouldn't, for all the money in the world, live anywhere else.

This was a lovely Sunday, spent in good company. The 2 hour walk was easily managed by everybody and could be recommended to everyone, young and old. **MBG**

A reminder to all members and friends who enjoy walking: We meet every last Sunday a month at 10am. The walks last 3-4 hours, including time for a pic-nic lunch. The walks are easy and suitable for all ages. For more info. phone Maya on 479-7503.
