Fragt der Arzt seine Besucherin:
"Hat Ihr Mann meine Anordnungen
befolgt und seinen Kopf täglich mit
Alkohol eingerieben?" - "Oh, Herr
Doktor, die Sache hat einen Haken.
Er bringt den Alkohol nicht am Mund
vorbei!"

Hi there,

Sorry for the short May News Letter
but we have received very little news
this time from **YOU**. We are all very
busy too and have therefore found no
time to write much either...

THOSE WERE THE DAY'S MY FRIEND...

The past and present were recently
merged when the present committee of
the **Auckland Swiss Club** were invited to
hold their committee meeting at the
home of **Max Bachmann** up in High
Ridge Rd. Clevedon. It is encouraging
to see Max still taking such an interest in
club activities to the present time. Way
back in 1957 Max founded the club as it
is today and worked hard to make a
place where the Swiss in Auckland had
some where to come together. In 1973
in recognition of his work for the club he
was made a life member. With his late
wife **Elizabeth** at his side his former
home in Blockhouse Bay saw many
young Swiss find a home away from
home.

Our committee
with their families
were proud to be
able to have such a
lovely day up at
Max's and we thank
him so much for the wonderful lunch of
B.B.Q. sausages, salads, cakes and
coffee he prepared for us. The commit-
tee had it's meeting but I for one don't
know who made the most noise, the
committee or their families because
everyone was having such a good time.

For such a good day we say thanks
again Max and also to the Wolfs for a bit
of continued night revelry afterwards.

We had better not forget also the two old
(Fisher & Paykel...??) models who did
their usual party piece with the dish
washing and cleaning up. At least they
didn't leave anything around for Max to
have to clean up afterwards! **DTB**

FURTHER ACTIVITIES

As advertised in last month's

tional Day held in Greymouth** later
this year (probably on Saturday, 19 No-
vember 1994). We have been invited to
take part in this festival, i.e. in a proces-
sion through Greymouth, a 20 minute
show on a central stage (alphorns, sing-
ing, ??), and/or run a stall to sell some
Swiss goodies. If you are interested
please contact myself as soon as possi-
ble.

Along similar lines, the Christchurch
Ethnic Council is still looking for inter-
ested people to help organise a **Euro
Festival**, to be staged sometime in Oc-
tober this year. If you would like to take
part in it, please contact **Mrs Tini de
Winter, phone (03) 352 5317**.

This Ethnic Council is also putting
together an **Ethnic Story Book**, so they
are very keen to receive any legends or
stories, including any recipes of tradi-
tional foods mentioned in the stories,
etc. Again if you can help, contact Mrs
Tini de Winter, at the phone number
above.

"WHO NICKED MY TWO SAW-HORSES?..."

...asked one mildly annoyed com-
mittee member, who we shall name O in

this tale. He had kindly offered his paddock and house to host the annual Swiss Club Children's Christmas Party. The two horses were needed to make a table for the salads we all shared at the B-B-Q. This happened, just to mention it in passing, not at the last Christmas party, but the previous one, more than a year ago. O didn't notice the disappearance of his horses for a month or two. He brought the matter up during our first committee meeting of that year, and we tried desperately since then to find out who might have taken them home by accident? The matter was even advertised in the Nov. 93 edition of this magazine! Well then, just recently a friend, and also a committee member, visited O and - you guessed it - nearly fell over the 'lost' horses! And our dear friend O had to admit that he had actually passed them on numerous occasions, without ever noticing them! As you can imagine, we are glad that this story of the 'lost horses' came to a happy ending after all.

WELLINGTON SWISS CLUB

AGM OF THE SWISS CLUB SATURDAY 16 APRIL

Present: 29 members, 7 committee members.

This year's AGM was well attended. After the president's and treasurer's reports and the minutes of the last AGM, the new committee and the auditor were elected.

Fortunately most of the old committee accepted to stand again. Paul Scherrer resigned due to other commitments and Rosemarie Mc Kinney re-

placed him. André Schleicher accepted to be auditor for another year..

New Committee: **President** Walter Hartman, **Vice-President:** Monica Sörensen, **Secretary:** Christine Alderdice, **Treasurer:** Ruth Messmer, **Committee members:** Maya Beddie-Geiser, Peter Fischer, Christine Standenman, Rosemarie McKinney. **Riflemaster:** John Jordan, **Deputy Riflemaster:** Hans Glauser, **Skittlemaster:** Max Inhsr, **Auditor:** André Schleicher.

The proceedings of the evening were delayed due to a long discussion between Emanuel Züst and the president in connection with the new logo. Apart from that, all went smoothly. A general discussion was held over an increase in subscription for the Helvetia. It was agreed to increase the subs by \$5.00 (to be met by the club). The members also voted in favour of "joining" the German and Austrian clubs for the occasional evening, e.g. each club organises one function per year. RMK.

JOURNAL OF GREAT WELLINGTON EVENTS

February-March

Two years had passed and Wellington was once more sparkling during the International Festival of the Arts. More than 1000 musicians, singers, actors, dancers, writers, artists of all kinds congregated in the Capital, among them some of the most exciting and original

of our time. I found it so hard what to choose! The programme tempted me to participate in all... Finally I decided to taste the world of theater. The funniest, most ironic and most entertaining play must have been "Lovelock's dream run" by Wellington author David Geary. It told the story of Howard, a pupil at Timaru Boys' High School, who had an obsession with a former old boy, Jack Lovelock, the legendary runner. His hero worship is a way of escaping the almost intolerable pressures of homosexual adolescence. Alternating between schoolboy realities and adolescent fantasies, it was indeed a remarkable theatrical performance.

19th March, Bicultural Day

This was the second time that the Wellington Swiss Club observed a Bicultural Day. The idea of a Bicultural Day was first thought of and implemented 18 months ago by our most immediate past president Roland Schuetz. It is a way to celebrate, comprehend and maybe even penetrate different cultures than our own. We started our Field Trip-History Tour in the "Te Whare Taonga o Porirua" (Porirua Museum) with a Diorama, which introduced us to the rich history of the Porirua Basin. We were all blown away by the knowledge of our guide, Linda Fordyce, the cognizant education officer of the museum. Linda had the ability to enlighten us with her wisdom and her love for the locality.

26th. March. The Great Debate

Finally the long awaited night had arrived where the German, Austrian and Swiss Clubs united to discuss, contend and contest the notion that all the Wellington German Speaking Clubs should unite into one. The Affermative Team argued their points very successfully, the Negating Team tried to combat the opposition with fun and drollery. Gert Wanke, the German President acted as chairman for the night and kept the warring factions skilfully apart. I ask you, who wants to be in the same club as the charming Austrians who perceive us as only a "Roesti" and "Fotzelschnitten" eating nation? Or who wants to unite with the faultless Germans who still feel a strong alliance to the emperor and who still have a strong will to fight for land, air and sea and who want to provide the president for a possible combined club? To sum it all up, it was a delightful evening, many interesting points were raised and debated. But we all love and relish our very own cultures and clubs, but would appreciate a more regular get together, let's say 2-3 times a year.

27th March. Autumn Walk to the Butterfly Creek

After a night of storm and thunder we were delighted to hike during a most agreeable Indian summer day.

We chose the Muritai Park Entrance which provided us with a fairly easy access to the ridge. The view of the Port Nicholson Harbour was a dream, many boats were sailing and making the most of the placid and peaceful waters. Some of us, for whom the visit to this creek was a first, were looking out for the butterflies!!

The picnic area is a small paradise. Children can plunge and swim in a safe river, during that time the boyscout leaders or parents can enjoy a well deserved lull and doze.

The icing on the cake was the thoughtful invitation to a cup of coffee by our friend Trudie Bruehlmann. We admired her fishing cottage, which she had transformed with talent and ingenuity into a most adoring home. Great hospitality after an extraordinary walk.

Give it a go one day, Wellingtonians.

CONGRATULATIONS

Cunliffe Street resident Frank REMPFLER has won the North Johnsonville Progressive Association annual beautification competition - again. Mr Rempfler, pictured above in his garden, has been awarded the prize several times over the years and has now won a total of 15 awards in the competition. A cheese-maker, originally from Switzerland, Mr Rempfler has lived in Johnsonville for 25 years and says like most people he does not really enjoy gardening, but likes to be surrounded by beautiful things.
