Ein Schweizer und ein Österreicher gehen zur Bank je mit einem Kessel voll Wasser. Was unterscheidet die beiden in ihrem Vorhaben? Der Schweizer geht Geld waschen; der Österreicher möchte sein Konto löschen.

Hello to all of you to this News Letter. Its again an issue for two months, so therefore read it twice to get your subscriptions value out of it!!

JUNE & JULY JASSABIG

Both evenings were very well attended and I was very pleased to see so many of you turning up for the occasions. Last year on two or three occasions I did ask myself weather it was really worth to continue because so few card players turned up. I even needed the encouragement of a few colleagues to continue with our Jassabige. But this year I'm very pleased to see so many of you turning up even though there are quite a few of our regulars absent holidaying in Switzerland. Thank you for your support and bringing a plate. Last but not least I want to thank all the sponsors who donated the various prizes. Anyone who would like to donate a prize for the forthcoming evenings please contact me on 620-9208. Till next time, **Hans Iten**

1. AUGUST

The National Day celebration was held in true Swiss tradition and was attended by about 200 compatriots and friends. It started with a delicious Swiss dinner of Spätzli, Geschnetzeltes, Brötli and Salat. It was followed by a Vacherin Glace dessert and Kafi before the Swiss

Sounds Band, the Childrens Dance Group, the Swiss-Kiwi Yodelers, Oski with the Alphorn and Roland Feuerer with his Music System entertained us all. Many people danced to beautiful Swiss music. The raffle of a Fruit Basket was won by the lucky Marlis Wildhaber. Special thanks go to our sponsors, the Swiss Butchery, the Swiss Bakery & Tip-Top Ice Cream. Also very special thanks go to the great helping hands of Edith Hess for preparing and cooking that real Swiss dinner, Franz Müller & Walter Fuhrer for turning the Tip-Top Ice cream into that special Vacherin Glace dessert, Erwin Knechtle for making that big fruit basket and everybody who spontaneously lent us their hands that evening. Without everybody support and attendance we could not have held such a successful evening.

HAPPY FIRST OF AUGUST 1994

Many thanks go once again to our committee for the great evening they put on for our country's birthday. The only thing that left a sour note for me was the behaviour of some of the children. You as a parent are responsible for your children if you choose to bring them to club functions. Is it too much to ask that they walk not run - keep balls at home or do they throw them around in your home. Some of our guests paid for sitters to look after their children and then they have to put up with the bad behaviour of other peoples' children (some who were old enough to know better) who's parents just seemed to let them run WILD while they enjoyed themselves. If one is to say something to these children the filthy look on their faces is enough to say it all. So come on parents get your act together for the sake of those parents who came to have a lovely evening out with friends and countrymen to celebrate our country's birthday with a lovely meal and a few drinks. Yes feel free to bring your kids with you but remember they are your responsibility. **Concerned parents** (PS: Names of complainants known by the committee)

LET'S GET TO KNOW EACH OTHER...

Hi there, this is me, **Mario Brändli** again; I want to introduce Mum and Dad to you. Well, Dad's name is **Edi Brändli** and he is from Wolfhausen in the Zürich Oberland. My Mum's name is **Rita Brändli-Helfenstein** and she is from Menznau, canton of Luzern. Dad came to New Zealand in August, 1980. Having lived in London over two years prior to that and being an Electronics Technician by trade he found work in NZ pretty much straight away. In 1983 he bought our house in Glenfield. At that time he was also in process of building up his on small business. Apart from electronic contract work he designed & printed T- & Sweat Shirts, sold fresh air, de-hydrated water, NZ-Grass and other things in cans at the Victoria Park Market. It was fun but fairly unsuccessful. My Mum was working for Bucherer, the famous jewellery & souvenir shop by the Kappeler Bridge in Luzern when she decided to go travelling to NZ in 1988. Through a mutual friend they met... Bingo! In 1988 Dad had gone again on a working holiday to Switzerland and by the end of the year they came back to NZ together. Dad established again work in the computer & electronics field. Mum found work first as a clerk and later as a receptionist at the Department of Statistics in the city and worked there till October 1992. And then of course I came along and now she's very busy being a Mum and I can tell you she is doing a terrific job. On 13 February this year, when I was just over 1 year old I finally convinced them to get married and start a decent family live. If you want to have chat with us, our phone number is 444-3020. That's it folks, now it is your turn.

Regards, **Mario Brändli**

Let's get to know of you... Please send your details and if possible a photograph to the **Auckland Swiss Club**, P.O. Box 40-152, Auckland 10.

All the big tables **Willi Pfenniger** has made for the Swiss Club up at the Farm have now been paid for by Club members.

THE SWISS CHILDREN'S DANCE GROUP

For the 5th year running, the children performed at the celebrations for the 1st of August. The Children were warmly greeted as they began their performance with the **Stumpechätcher**, the dance about an accordion player who smokes a cigar, but the music is so fast that he can't take his cigar out of his mouth, he can only chew on it. The children took on the difficult task of dancing to the **Lüdere Polka**, originating in the Berner Oberland, and choreographed for adults. They performed this with their usual flare. The **Schwäzbäsi Marsch** about the 'Chatterbox' seemed appropriate for these fun-loving chil-

dren, who despite the intense focus of many guests, camera flashes and video cameras, performed their dances with confidence and pride.

Only 4 members of the original team still take part, but there are many new and interested children, all of whom have a Swiss background, with the youngest being only 4½ years old. They have been trained under the skilful tuition of **Julia Moors**, and it is worthy of all of our appreciation that she and the children are prepared to dedicate their Saturdays training in dance steps in order to keep this aspect of our Swiss culture alive in New Zealand. Congratulations to Julia and the children on such great entertainment.

Thank-you to **Hausi** too, for sharing your raffle prize with the dance group, and to **Mövenpick** (for whom the children have been dancing), who donated the ice cream with which Franz could make the wonderful Vacherin torte. Because of their dancing success, the children have been able to donate the last third of a picnic table at the Swiss farm in Kaukapakapa, so maybe we'll see them dancing on the tables one day!! **Robin Schwarzenberger-Stoney**

CHRISTCHURCH SWISS CLUB

Welcome to this month's news from your **Christchurch Swiss Club**. For any suggestions, comments, or contributions, please contact your Secretary of the Chch Swiss Club, **Jürg Hönger, 58 Hackthorne Rd, Christchurch 2, phone (03) 3326 211**. Thank you and happy reading!

RACLETTE EVENING

Like last year, the Raclette Evening at **Jolanda and Freddy Tschopp's** home at 42 Huntsbury Ave on the 25th of June was a very pleasant occasion. The atmosphere in their lovely home is superb and we felt treated like royalty. The view is outstanding, overlooking the city at night. The Raclette itself was tastefully prepared by our hosts. We thank the Tschopp's for their hospitality, and judging by the number of people attending and their appreciative comments, the evening was a great success.

SWISS NATIONAL DAY

By now just about every Swiss in Christchurch knows the **Old Stone House in Cashmere**! It is the place where about 90 Swiss people from our club, and friends gathered for our National Day Celebration on the 29th of July 1994. On arrival everybody relaxed and

chatted over a drink of 'Glühwein'. By about 8 pm, the dinner, prepared by our committee started appearing on the nicely decorated tables. The Smorgasbord consisted of soups, saveloys, 'Fleischkäse', fish, different salads, peas and polenta. After listening to the recorded speech by the President of Switzerland Mr Otto Stich, and the singing of the National Anthem, the fireworks were let off outside to everybody's delight. It is also nice to see all the different lanterns carried by the children. This year we had the privilege of hearing two items of 'Alphorn' music, played by our good friend Rainer Kuprecht.

Rainer Kuprecht playing his Alphorn. If you're interested in playing with him, he has a spare Alphorn!! You can phone him on (03) 338 3132

A poem recited in German and then translated into English by Sophia Binkert was listened to attentively. On this occasion the club wishes to thank Rainer and Sophia for their contribution!

After a lovely desert consisting of 'Schwarz-wälder Torte' and coffee and de Spa chocolates, everybody stayed on until it was time to depart by midnight. It was the end of yet another very pleasant and relaxing National Day Celebration here in Christchurch.

SNIPPETS *

Listening quite regularly to *Swiss Radio International (SRI)* on my little shortwave radio, I found it interesting to read in a recent publication by the *SRI* about their plans of moving from shortwave to satellite transmissions.

This is already happening in Europe, with this part of the world to follow by 1998. From what I can gather, these satellite transmissions will be in first class sound quality, in a number of languages, and around the clock, unlike the fading, screeching sounds of the current shortwave, should you be lucky to receive them at all! Of course the satellite receiving gear may be expensive, not practical for individuals to set-up, but may provide the opportunity for local (community access) radio stations to pick them up and relay them to you, on your FM radio?

* On a similar note, we regularly receive audio cassettes from the *SRI* on upcoming referenda or elections back home. If you are at all interested in listening to them, please call me on **(phone 03 332 6211)**, and I'll send you a copy. Would there be anybody keen on possibly even putting together a regular show on Plains FM, where this sort of information could be distributed to a wider audience. I often think about this, but wouldn't want to go into it by myself. The *SRI* provides a wealth of material that could be used, along with more local stuff.

I am looking forward to seeing many of you at some of the upcoming events. Please mark your diary, ring Werner, or Daniel right now, and get organised. See you there! **Regards, Jürg Hönger**

HAMILTON SWISS CLUB

1ST OF AUGUST

All those loyal Swiss who didn't mind driving in a cold and foggy night to Tirau Memorial Hall were rewarded for their effort. The Hall was tastefully decorated for our 1st of August celebration with lampions, Coat of Arm flags, balloons and candles which gave it a nice homely atmosphere. The Jay Es Band gave the dancers a great time until 1am. They had such a good time they did not want the evening to end. Outstanding preparation work had gone on for our dinner comprising of Sauerkraut, potatoes, carrots, ham, frankfurters and home baked bread. This was followed by coffee or tea with the most beautiful goodies made by the ladies of the Swiss Club. A special thanks goes to our very hard worker Heidi Leuenberger who made the sauerkraut as well as baked bread and cakes for the evening. We also had a more serious side to our evening since we had come to celebrate our Homeland's birthday. Rinaldo Rust had translated our national Hymn into English so that non-German speaking members were able to participate in the singing. We also heard the speech from Switzerland, Joe Ecker gave an expert demonstration of Flag Throwing

and Joe Staheli made us homesick with the wonderful Alphorn sound. There was also a raffle and four people went home with an extra grin on their faces. We are sorry that not such a great number turned up, but for those that did a marvellous time was had. Thanks to all the helpers that made the evening so special.

TARANAKI SWISS CLUB

Kegelclub starts again on Thursday 1st September.

October 16: Trudy Ott Belt and Championship (first for 1995).

1ST OF AUGUST CELEBRATION

About 115 people braved the wet and cold Taranaki conditions and gathered at the Swiss Hall to celebrate Switzerland's birthday. We listened to the very interesting speech of the Bundes-president and were then entertained with some Swiss songs plus a few items on the Alphorn. The president R. Dudli then presented all the medals won at the Swiss Society Competition. Zeno played lovely tunes on his accordion, accompanied on the piano by Maree, but unfortunately all the dancers seemed to be too tired to appreciate it. The raffle, a tombola, was a hit and all the tickets were sold out within minutes.

At half past ten, Rita served us a beautiful supper which seemed to refresh everybody, so we started dancing. A very good time was had by everyone.

V.K.

ANNIVERSARY SHOOT 1994

On the 3/7/94 we held our Anniversary Shoot. The weather gods meant well! After 3 weeks of continuous rain, we were presented with a perfect springday. Over 100 people turned up for the event (about 80 grown-ups and more than 30 children). 71 people took part in the Competition: 39 in the shooting and 32 in skittles (6 shots, best 5 count). We had 2 shooters with the top score of 50 pts: Lou Nolly and Edi Füglistaller. In the skittles the highest score was 41 pts, achieved by Mrs Frida Meier and the second highest, with 40 pts, was Mr. Johnny Bishop. All 71 competitors got a prize, either a bottle of wine or a bag of Swiss sausages, made by our President Mr. Ruedi Dudli.

After a real busy afternoon, which some people spent either competing, playing cards, children playing games or some people just by talking to each other, we all settled down for the mouth-watering dinner (Rippli + Sauerkraut) to be served. Afterward, we all enjoyed a nice "cuppa" (some with Schnaps) and then we started handing out the cups and trophies from the Championship-Shooting season, followed by the prizes from the Anniversary Shoot.

Shortly afterwards we started up the spinning-wheel raffle, with lots of keen players, young and old, taking part.

After the last spin of the wheel, for the mystery prize, we held a hobby raffle which was also very well supported. Then it was the musicians turn to keep the mood in swing for the rest of the evening. Thank you Leo and Zeno for your contribution, it is very much appreciated. After the late supper, most people started to head home and there was nothing else left to do but to clean up the Hall after a busy but very enjoyable day.

I would like to thank the committee and all the helpers for their support and everyone who took part. A very special thank you to all the people who donated and contributed in any way. Thanks one and all. **W.S.**

NEWS FROM THE WELLINGTON CLUB

The Wellington Swiss Club had a busy winter period with all kinds of official and unofficial happenings. One of the highlights was the Fondue Night, on the 25th of June. It was quite a sight to see 80 people arriving with their caquelons, burners and fondue forks! Monika Soerensen was the chief cook, ably assisted by willing helpers Christine Alderdice and Peter Fischer. The trio did a first-rate job, the taste and consistency of the Fondue was exquisite. A big "thank you" goes to Monique and Peter Canziani for their help and support when grating the cheese. Rosmarie McKinney baked some outstanding pineapple cakes for us, which was appreciated by everyone.

Walter Hartmann then greeted the different nationalities attending our function. It was tremendous to see such a large group from the "Schwabenland". The hours talking to friends and new acquaintances in front of the cosy fire only passed too quickly. With quite a bit of sadness, we realised that this was probably the last Fondue Night in our beautiful and beloved clubrooms. Ruth Messmer organised a lovely Tombola, so a few happy winners were able to carry a little souvenir home.

Sunday, the 26th of June saw some of us keen trampers visiting the Red Rocks Scientific Seal Reserve. The 4 km walk took us round the south coast from Owiro Bay to the outcrop of the Red Rocks (Haematolytes). The Maori legend tells us that Maui injured his nose when pulling the North Island from the

Pacific Ocean, hence the redness of the rocks. The seals are in residence from about May to September. We were surprised to see so many dog-owners taking their pets to visit the seals! But apparently the seals didn't seem to mind and, according to a conservation ranger, a seal could harm a dog very quickly and not the other way around as one would suspect!

An easy walk! We counted 115 bulls, they enjoyed our inspection! An outing which can be recommended to everybody, your and old.

The Wellington Swiss Club Trampers visiting the Seal colony.

Max Fuhrer is this year's winner of the Fritz Adams Cup.

NATIONAL DAY CELEBRATION

Our National Day Celebration was much enjoyed by 42 people, including several brave ladies who were wearing their beautiful national costumes. Special guests were our Ambassador Dr. Ernst Thurnheer and his wife Marianne. Highlights of the evening were the sound

of the bells of Dornach, followed by singing and a speech by the Bundespräsident Otto Stich. Most definitely a very successful evening with the accordion still going strong at midnight, entertaining us and a group of very energetic dancers, with lots of nostalgic songs.

1ST AUGUST BONFIRE

The bonfire was held at Petone Beach with over 60 people attending. Great to see so many new faces. Peter Canziani's Alphorn playing was enjoyed by all, a man of many talents. Thanks must go to all the helpers who made this a memorable evening.
