1. AUGUST 1995

The National Day celebration was held in true Swiss tradition. The numbers were down on previous years, mainly due to the number of members who are away on a trip to the "Country of Milk and Honey" (??) seeing how it is celebrated at "home". There was a good atmosphere ably helped by the cold meat platter, coffee & biscuits. On the entertainment side we had the pleasure of the Swiss Children Folklore Group, the Yodellers and a couple of very gifted drummers who captured the childrens attention and the Guuge-muusig who excelled themselves bringing most people on the dance floor. In between times Roland Feurers music helped move things along. We also thanks again for everyone's effort including a big "danke schön" to our sponsors for their fabulous raffle prizes. A weekend for two was donated by the Swiss Chalet in Paihia, a good watch from the Swiss Time Centre in

Queensarcade, a food voucher from the Schnitzel Inn, an Engadiner Nusstorte from the Swiss Bakery in Milford, the Moors Family for their contribution, just to name a few. Also a big thankyou to Doris Binder for making a wonderful fruit basket.

and well liked for his great humour and fun he brought to so many. He grew up in New Zealand as a third generation Swiss - his Grandfather had come out to New Zealand from the Swiss region of Toggenburg.

Our condolences and best wishes go to his wife Frieda, who has been a member of the Christchurch Swiss Club (including secretary) for many years, and his children.

SWISS NATIONAL DAY CELEBRATION

About 75 Swiss and friends celebrated our National Day in the Old Stone House, Shalimar Drive on Friday 28 July 1995. On arrival, the traditional Glühwein, prepared by Werner Schibli warmed our body and spirit. After a Welcome from our president Johanna Cunningham at 8 pm, the tape-recorded speech of the Swiss President Kaspar Villiger was heard, followed by the Swiss National Anthem. Our traditional Smorgasbord was replaced with a cheese Raclette. We wish to thank Brian McNulty who arranged for this, obtaining the proper Raclette cheese and the equipment to melt it. This was quite a novelty to many. Everybody seems to have enjoyed getting their share of potatoes and melted cheese, together with a helping from a variety of salads. At this point of the evening our fireworks display was held to the delight of the children - a nice calm evening helped our enjoyment. Dessert followed by café, chocolates, Gützli and lots of talk brought a most successful evening to a close.

PROGRAMME

We will provide more details on the events planned closer to their respective dates.

Sunday 1 October: Walk and Picnic on the Port Hills. We meet at Victoria

People enjoying the Swiss National Day celebration in Christchurch.

Park at 11.30am. B.Y.O. picnic food and afternoon tea.

Sunday 19 November: Walk and early barbecue tea (from approx. 4pm) at Johanna and Peter Cunningham's bach at 57a Andersons Rd, Charteris Bay. Let's get to Johanna and Peter's place by about midday, so we can have a bit of a stroll before the barbecue!

Sunday 3 December: 2pm. Christmas/Samichlaus Party, at Othmar and Noeline Kennel's place, Sutherlands Rd, Christchurch. In terms of food, there will be a big surprise awaiting everybody!

Weekend 10/11 February 1996: A weekend at Mt Somers (Mid Canterbury). You can either stay at the camping ground or book a chalet at the "Stonechrubie" (Country-Restaurant and Chalets). This place is run by some Swiss people, Christine and Robert Koller, and is well known for its deli-

cious "European-style" meals, and provides apparently excellent value for money (\$65 for dinner, bed and breakfast).

We strongly recommend you book with them directly, and by the end of October at the latest, to guarantee you a place. Please let the secretary know also once you have booked, so we get a rough idea on how many are coming.

The area features a range of excellent walks, picnics, fishing, relaxing and some spectacular scenery!

Sunday 24 March: Wine trial

Monday 6 May: 7.30pm. Christchurch Swiss Club AGM.

SNIPPETS

*We are regularly getting referenda, election, etc information on audio tapes (in French and German) from Swiss Radio International. I found the last

one particularly interesting - on the upcoming elections back home. It's amazing how little seems to have changed from when I voted there last some 15 years ago! If you are interested in borrowing these tapes, just give me a call. Remember, for the first time we can now vote right from here, the other side of the globe.

*Looking for some accommodation in Christchurch for relatives or friends coming out from Switzerland? Well, your secretary will be in Europe with his family during July, August and September next year, and could make his house in Cashmere available for this period. If you are interested, just give me a call.

I am looking forward to seeing you on our walk and picnic on the Port Hills (Sunday, 1 Oct.).

Regards, Jürg Hönger.

HAMILTON SWISS CLUB

FORTHCOMING EVENTS

Fondue Evening: 30th September, 8.00pm at Eureka Hall (includes medal presentation)

Gemütlicher Abend: 25th November, 7.30pm at Swisscraft, Frankton. Enjoy an informal evening of bowling, cards or just getting together. A light supper will be provided.

The First of August was celebrated at the Tirau Memorial Hall on 5th August. Unfortunately, attendance was disappointingly low, which seemed to be due to the distance for some to travel. This is a shame, as the Tirau Hall is an ideal venue for a large function. The kitchen and bar facilities are excellent, making the job for the caterers so much easier.

Mmmhhh - what yummy Raclette.

However, for those who came, many dressed in National Costumes, it proved to be a most enjoyable evening - there was plenty of good music, singing and dancing, as well as an excellent performance of Fahnenschwingen by Joe Egger. The annual address by the Bundespräsident was listened to, followed by two verses of the National Anthem.

Everyone enjoyed a delicious smorgasbord of ham, Wienerli, a variety of salads and home-made breads, followed by coffee and the ever popular cakes and biscuits.

The committee would like to thank everyone for coming, and special thanks to all those who helped behind the scene with baking and preparing salads, as well as those who washed all those dishes afterwards. Your help is always much appreciated.

CARDS

During the winter months we held a series of 8 card afternoons in the Club House on Sundays. The first six were for the Cup competition and the winner of the Don Luond Cup was Charlie Chamberlain and the winner of the Zürcher Cup was Mavis Schuler. These afternoons were well attended this year. The players had the choice of playing Jass or Euchre.

A good way to spend a Sunday on a winter's day, many staying on to enjoy a pot luck tea in the evening. D. Schuler.

1ST AUGUST CELEBRATIONS

On July 29, the Taranaki Swiss Club celebrated the Swiss National Day at the Club House. Several committee members spent time during the day and early evening preparing and decorating our clubhouse. The tables looked lovely, as did the beautiful flower arrangement at the entrance. Many club members worked hard to sell tickets, and we were all greatly surprised and overwhelmed at the record attendance for the last few years. It was a pleasure to see several new faces and also a few young people from Switzerland. We were also delighted to have with us the

Swiss Ambassador, Mr. Thurnheer, his wife and driver. In all we were 135 adults and several children.

To commence the official part of the celebrations, our president, Walter, wished everyone a happy and enjoyable evening and then Mr. Thurnheer also gave a small well-received speech. The evening then proceeded with the speech from the President of the Swiss Confederation, followed by a few songs from our little Swiss Choir and Ruedi Dudli blowing the alphorn. Congratulations to you all for your lovely and well executed performances. We all realise you must practice many hours in order to achieve this pleasing result. Swiss Society medals were then handed out to deserving winners. Selling of tombola tickets was next on the agenda. Well... these tend to go like wildfire and this was certainly no exception. Many thanks to all the committee members who donated lovely prizes and we would also like to take this opportunity to thank our generous sponsors: The Stratford Mountain House (voucher), Campbell's World Travel (travel bag), Kiwi Co-operative Dairies Ltd. (pepper grinder) and Sepp Kiser (the ever sought-after Schnaps!!). The variety of prizes was terrific and some people got their mon-

ey's worth, while others made generous donations. Many thanks for your tremendous support, and also to the people who rolled the many tickets (although many laughs were had that afternoon!!). Our talented musicians, Zeno, Leo and Marie, played several

tunes for people to listen or dance to. A Monte Carlo was held which had two winners?? Another game had six blind-folded people spooning cotton wool from one bowl to another...well...there were varying degrees of success!! One person was heard to mention that if it had been food, he would have had no problems. Is that true, Tim???

A delicious supper then followed, prepared and served by the Windmill Caterers. A great variety of savoury and sweet foods was rapidly consumed. There followed further dancing and impromptu singing, together with a group of avid cardplayers finally calling it quits at 4.00am. We obviously have a few stayers in the Club! Grateful thanks to everyone who helped make this evening a great success, and the committee appreciates all those who support our functions. To all the new faces, we certainly hope you enjoyed the evening and trust we will see you at future social gatherings.

The following day members of the committee and supporters helped clean the hall and stayed for a lunch...which was held outside! First fine day in weeks. There ensued a debate of the fitness

SINGING GROUP DINNER AT MOUNTAIN HOUSE.

Having received several donations for their performances, the Singing group decided to go out for a meal on 1st August. They invited all those wishing to join in. It was decided to go to the Mountain House, where some chose to book a bed too!!! After a delicious meal, people sang, danced or talked the night away. A friendly "HELLO" to all our friends around New Zealand. Luckily a very harsh winter is coming to an end. We had snow and ice in the Wellington region to the great excitement of all children. Plenty of photos were taken as souvenirs of these unique July days. But to keep us warm and occupied, we had plenty of activities. The Fondue Night on the 24th of June was a great success. Christine Hughes was the chief cook and her team of helpers did a magnificent job with keeping all the guests in good spirits and entertained. The next day we went on a long walk through the Botanical Garden and up the Tinakori Hill to help us digest the cheese and wine.

Our colleagues at work were surprised to hear that we celebrated Switzerland's 704th National Day this year.

Relaxing after a great hike in the Makara Beach area.

The traditional bonfire was lit at Petone Beach. An early spring high tide nearly carried the fire prematurely into the sea.

NATIONAL DAY CELEBRATION

On Saturday 29 July, 60 friends, compatriots and guests gathered to celebrate the Swiss National Day. Although we were a few days ahead of the "real" day, nobody seemed to mind. The Swiss Chalet was an appropriate venue for this big occasion. The decoration was completed by Rosmarie and Therese. As every year, the evening started off with the traditional "Glühwein" and, new this year, "Glühmost", both prepared by Maya. Everybody enjoyed chatting to one another. Les chefs de cuisine, Peter and Monique, prepared a beautiful buffet dinner with lots of different dishes. After the main course, Walter opened the official part of the evening. Everybody listened to the address of the President of the

Federal Council, Mr. Kaspar Villiger. Then it was our "turn" to sing the National Anthem with all four "catastrophes". The Swiss Embassy was officially represented by Mr. and Mrs. Walter Simmen. He brought us the greetings of our Ambassador and our friends in Iran. After the dessert another Walter presented the long awaited medals for the Society Competition 94/95 (see list of winners under "News from the Swiss Society Riflemaster"). Congratulations to all the participants.

After cleaning up in the kitchen, Peter made us once more aware how well he plays the accordion. Kathi Trachsel proved that she can "jodel" even after a meal. Some people eat so much that they had to burn some excessive calories - the dance floor was greatly appreciated. The National Day celebration was a most enjoyable evening for all.

OBITUARY

With regret we note the passing of

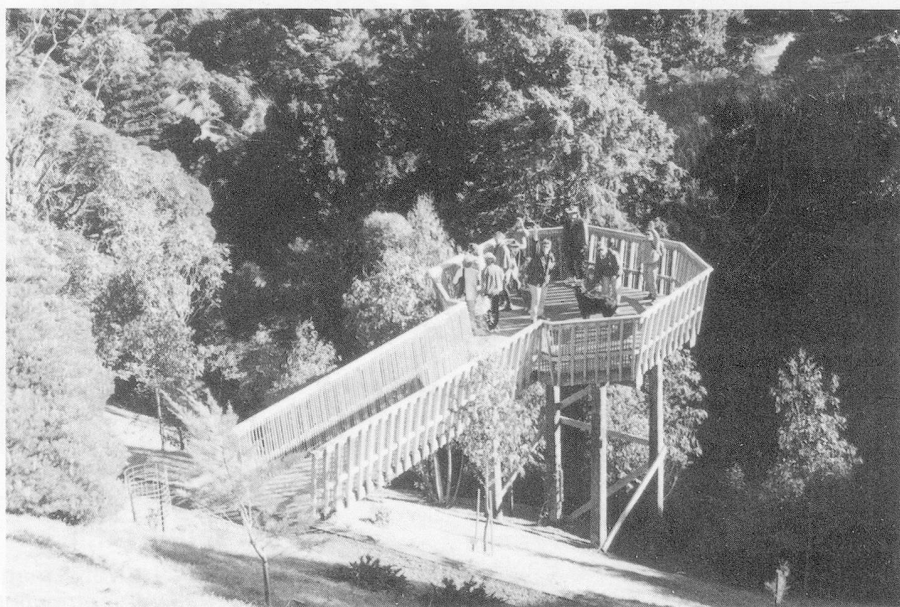

JOHN WENDELKEN

He was a well respected and loved member of the Wellington Swiss Club. He will be sadly missed. We offer our sincere condolences to Peggy-Ann and the family.

THE EUROPEAN FORUM IN WELLINGTON

Being members of Swiss Clubs in New Zealand enables us to cultivate our traditions and common heritage. Quite a number of European groups enjoy such clubs where they meet like-minded people with whom they share culture and origin. In Wellington these clubs meet each other at the European Forum.

The European Forum provides an opportunity to interested groups which

Very gingerly, we tried this platform in the Botanical Garden during our June Walk.

trace their roots to Europe to gather in an informal setting, enabling its members to present their traditions, values and customs to a wider audience, thus enriching the multi-cultural society of New Zealand.

Promoting awareness of the cultures of different European communities is only one of three aims pursued by the European Forum since its inception three years ago.

It also aims to provide opportunities for different European communities to work together and combines this with the aim to raise funds, predominantly for charities nominated by members. The charity work had benefited others through the New Zealand Red Cross and the Te Omanga Hospice of Lower Hutt.

The European Forum is an informal platform for these activities based entirely on volunteer effort. A quarterly newsletter offers a wealth of information about Europe and activities of individual member groupings. The members have decided to organise two or three public events of high quality a year to reach their aims of working together, promoting awareness of European Cultures, and raising funds for charity. Feedback from the community at large seems to indicate that more and more people are reached each year, e.g. with the European Christmas Carols at the Botanical Gardens in Wellington.

The participants of the European Forum agree that they are motivated by the strength and enjoyment they draw from working for the good of others while presenting their own heritage to their next generation and to New Zealand society at large. *BER*
