HELLO AND WELCOME...

Hurrah! The last Newsletter for this year. Summer is just around the corner and the well earned holidays are on the way for most of us. It has been a busy year with a variety of events including a change in leadership and a major project of improving the farm. I hope everybody has found something of interest during the club year. If not, the committee would like to hear from you to see if we can rectify it.

I would like to thank Annegret Wolf for her regular lively contribution to the Auckland Newsletter. Well done! That's all for now. Have a good Christmas and see you fully recovered from your holidays at the picnic in February.

OBITUARY

ECKERT ANDRE (FÖRSTER)

Andre died suddenly on 17th November 1995 aged 45 years. Förster arrived in New Zealand 1974, worked on many building sites around Auckland. He later married Filla, had 2 children Beatrice and Darren. Förster was a very active member of the Auckland Swiss Club and served long and hard on the Farm Trustee Committee. He used to enjoy the company of the Swiss at the Aurora Club for a few drinks and lots of friends fresh from Switzerland. Many of these friendships still stand. His hard work and commitment will be sorely missed. Our sincere condolences to Filla Beatrice & Darren.

Goodbye Förster from the Auckland Swiss Club, Farm Trustees and 20 years Aurora Club.

Further News from the absolutely positively Wellington Swiss Club!

Trip to Somes Island, Sunday 29th October.

Many of us have always marvelled at the tiny little Island that is lying in the middle of Wellington harbour - but for one reason or the other had always missed the boat which usually only left once a year in January. But the times are different now... The Trustbank ferry took us over in just a short 20 minutes ride. We walked the 2 km circuit track, admired the world's largest collection of really big seagulls, made photos of the island's lighthouse Sentinel and felt like sunbathing in the lichen covered gun emplacement. One of the highlights was

the seminar given by Trudie Bruehlmann on the reforestation of the island with native trees. Ruth Messmer brought 67 tree plants from her own garden to be resettled on the island.

Though the island appears unassuming now, it has a tumultuous past: it served as an internment camp in both World Wars and as a quarantine station for people and more recently animals. A pa site could be found until 1835. Name plates of native plants are interspersed with the marked graves. There is a monument to the victims of smallpox and influenza who died between 1870 and 1920 while quarantined on the island.

All the 23 of us enjoyed this small adventure and can't wait to take some visitors over there to show them this pearl in 128 Nicholson Harbour.

VERSATILE SHOE

The shoe with a wrap-around zip called "Zip'n'go", the latest hit in shoe fashion in Switzerland allows the sole of the shoe to be completely separated from the top part. As these shoes come in a great variety of colours (white soles with red top, white top with blue soles, brown top with beige soles, etc) the colour schemes are endless. You only have to buy three pairs of shoes in various colours and you can create nine different colour combinations. A very neat idea for summer wear.

I would like to gain New Zealand residency but require a work visa to do so. To obtain this I need a permanent job offer, full or part-time.

BEST AND WORST PAYERS

If you want to be paid quickly, it would be best to deal with Scandinavian partners rather than with the British as the following statistics show:

Average waiting time for payment:

Denmark	4 days
Sweden	4 "
Norway	5 "
Switzerland	11 "
The Netherlands	16 "
Belgium	17 "
France	18 "
Germany	18 "
Italy	20 "
Great Britain	22 "

New Zealand, where so many firms still cling to the old rule of "payment on the 20th of the following month", would come way past the bottom of this page....

CAN ANYONE HELP?

Basel, 12. September 1995

Sehr geehrte Mitglieder of the Swiss Society,

ich bin eine Krankenpflegerin aus der Schweiz and habe nun schon seit 7½ Jahren Berufserfahrung. Ich habe seit meiner Ausbildung auf verschiedenen Geriatrie und Akutabteilungen gearbeitet, unter anderem habe ich 13 Monate ein krankes Baby in then USA gepflegt.

Mein Freund ist Privatpilot auf Kleinflugzeugen und ist im Moment bei seiner Fluglehrer Ausbildung.

Mein Frage an Sie ist nun, ob für uns irgendeine Möglichkeit besteht in Neuseeland legal zu leben and zu arbeiten und ob Sie uns irgendwelche Tips und Adressen zukommen lassen könnten.

Ich weiss, dass mein Anliegen an Sie aussergewöhnlich ist aber ich glaube, dass Sie oder eines Ihrer Mitglieder das nötige Wissen und die Erfahrung haben um neutral Auskunft zu geben, wie vor zu gehen ist.

Für Ihre freundliche Hilfe danke ich Ihnen im voraus.

Mit freundlichen Grüßen

K. Schaub
