1 AUGUST 1996

Just over 200 people attended our National Day celebration. We were pleased to welcome Mrs & Mr Thurnheer as our guests. Sadly our Ambassador announced that they are leaving NZ later this year. We wish them all the best for the future.

The evening started with a delicious dinner prepared by Markus Stutz (chef), followed by sweets from the Swiss Bakery. I am sure that everybody enjoyed the Swiss children coming in, in their Swiss costumes and their lamps, their dancing and the performance of "Es Wot Es Frauely Z'Märit Go". The entertainment continued with two talented drummers, Kurt and Albert playing Swiss music and the ever popular "Guggemusig" getting lots of people up to the dance floor. In between we heard dance music of CD's organised by Werner and Harry. Special thanks go to everybody who participated or helped in any way, Yvonne for her beautiful flower arrangements, Toni for running the Tombola (the Swiss bakery for donating some raffle prizes), Peter for donating the basket of goodies and for organising the programme, the barmen Fredi, Arno and Hansruedi, the helpers in the kitchen and of course we thank our guests for coming along and celebrating Switzerland's most important day of the year with us.

THANK YOU

Saturday, the 3rd of August the Swiss Club held the first of August celebrations. We would like to congratulate and thank the President and Committee of the Swiss Club for a successful and entertaining evening. A lot of work had obviously gone into the preparations and organisation and we enjoyed ourselves very much. The meal was delicious - a compliment to the chef - as

were the various presentations by different groups. Thank you for all your efforts and hard work which you put in so that the Swiss traditions stay alive.

FORTHCOMING EVENTS:

FONDUE EVENING: Saturday 5 October, 8.00pm, Eureka Hall.

1ST AUGUST CELEBRATION

On 27 July around 90 people went to the Eureka hall to celebrate the Swiss National Day. The Jay Es band provided entertainment, along with Joe Egger performing his "Fahnen-schwinge". A lovely smorgasbord meal was served, consisting of ham, frankfurters and a wonderful assortment of salads. This was followed by those ever fine tasting cakes and biscuits only the Swiss can really appreciate. A very big thank you to everyone involved in making the night a success.

DANCING

In past years a dance group has performed dances at the 1st August celebration. This year we plan to have a dance group at the Fondue evening. We are still looking for people interested in learning two new dances. Please, if there is anyone interested in joining a group of dancers for this purpose, get in touch with Heidi Fransen urgently.

WALTER NIEDERBERGER

1916 - 1996

Walter arrived in New Zealand in 1947 on a holiday trip. He liked it so much that after seven years he went home and married his wife Marie. They brought up a big family & Wawerly where they farmed.

A very keen card-player whenever he had time.

To his wife Marie and all his family, our deepest sympathy.

DON LUOND 1908 - 1996

PATRON OF THE TARANAKI SWISS CLUB

Don arrived in New Zealand in 1927. He spent all his time in the Kaponga Region. After working for the Chamberlain Family for a few years, he was able to lease a farm at Oeo which he later bought. He married Ida Müller and they brought up a big family of eleven.

For many years he was a Member of the "strong mens club" TUG OF WAR where they won many trophies.

As a very active member of the Swiss Club he held a few offices, also as Vice President. When we built the club house, he was one of the big financial supporters.

To all his family, our deepest sympathy.

NEWS FROM THE ABSOLUTELY POSITIVELY WELLINGTON REGION.

Lately we had a lot of ice, snow and hail and used up all our energies to keep the fires going. My highlight of the month (June) was the AGM of the Swiss Society in Auckland over Queen's Birthday. I booked my flight well in advance and was totally shocked when I was told on arrival at the airport that my flight was cancelled for no reason at all!! The airline never bothered to ring me - so my advice to you all is never to fly Ansett as you never know what's in stall!

However, the friendliness of the Auckland Swiss Club made all up for it. The "Jass- and Kegelmeisterschaften" took place in a wonderful Swiss Chalet, which belongs to Edith Hess, who opened up her doors to us all.

The AGM was capably lead by Hans Fitzi. No major new decisions were made, not even an increase of subscription. We voted for

Heinz Leuenberger to be our new Delegate for the Swiss Abroad. His capable daughter **B e a t r i c e**

Leuenberger is the new Vice-President of the Swiss Society. We appreciated the great entertainment from the Guggemusik and the Jodlers. Our very own André Schleicher brought up a good point: as many of us Wellingtonians suffer of the overuse syndrome of the shoulders, we find it quite hard to participate in the "Steinstossen" event and would so suggest to introduce a new game like "Pétanque".

My thanks go to Peter Schüpbach who came to collect me at the Auckland Airport and Arnold Andres who kindly returned me there.

I wish everybody an interesting winter - Skiheil. MBG

TESSINER EVENING

A definite highlight recently. The Committee worked hard with ideas on some authentic Tessiner food.

The evening started with garlic bread and a glass of red wine - just right on a cold winter's night. And most of you readers will know just how cold (and wet and muddy!) it can get down here if you've watched the recent Bledisloe Cup.

Anyway, back to the county of Tessin - one of the sunniest and warmest in our homeland. In the olden days, it used to be a bit of an ordeal to get into the Tessin, didn't it - particularly for those prone to car sickness as one had to drive over the Gotthard Pass during the summer months. I much preferred the winter option on the train through the tunnel.

Of course these days it's so quick and easy in your own car through the 17km car tunnel. I used to tell people that it was the longest tunnel in the world but I've been saying that for almost 20 years so this may no longer be true...

Anyway, our Tessiner evening was well attended. The Tessiner themselves were few and far between, but at least they were represented by George Mismirigo who, incidentally, is the "Watch dog" from Paraparaumu. He and his wife became new members too that night.

The main meal consisted of a mush-

room risotto, a beef dish and salads - the beef dish is called "Geschnetzeltes" in Switzerland, surely a nightmare of a word for those learning German!

The food never stopped appearing that night - next on the list were fruit salad, vermicelles with meringue and whipped cream, followed by coffee and panetone.

Well, what else is there to say? Not to forget the Tessiner music in the background and the Dutch auction.

The evening ended late as you might have guessed and people commented when they left on what an enjoyable time they have had.

KAPELLBRÜCKE

It is now just over 3 years since fire destroyed the world famous Kapellbrücke in Lucerne. The tragedy happened on August 18, 1993. Amazingly, thanks to hard work and fast planning, it took only eight months to restore the bridge to what it looked before the fire. But the costs of restauration were high. According to a report just published, the total bill amounted to just over 3.4 million SFR.
