Dancing

Although interest in our "Open Day" was not very great, (Thank you Rita and Mario for showing up), we still had a very intensive practice of dancing and singing, followed by Coffee, Tea and oh so yummy cakes donated by our Swiss Bakery.

- A great sweet "THANK YOU" Franz and Eveline. - I know everybody had a great time. Some even woke up in time for the fun part!

To all those parents and children who missed out, I'd like to send them an open invitation to any practice. Just ask Werner (412-7934) or Julia (416-4858) for the next date.

Forthcoming event

Once again you are invited to our fondue evening at Eureka Hall on the 11. October 1997 at 8 pm. As usual the medal presentation will take place. Again we are fortunate to have the Jay Es band playing for our entertainment.

- The Club has fondue sets, but we may still need more. Please bring your own set if possible. Thank you!

Jay Es band from Te Aroha will provide music at Eureka.

Card Evening

Joe and Alice Arnold should be very grateful that their daughter, Heidi Wehrle, was also present at one of our recent card evenings, on 28 June, at Eureka.

When it came to paying, all the

money Joe had with him was a wallet containing only Swiss Francs !! Although once upon a time, as Treasurer, I may not have said anything, quietly taken his Swiss Francs, and the Club could have made a tidy little profit when converting the money to New Zealand dollars. The problem is though, the Franc isn't really worth that much anymore in comparison as the exchange rate is currently about one to one - we could even have ended up making a loss !!

But, of course, Heidi came to the rescue, so that Joe and Alice did have an enjoyable evening playing cards, together with a lovely supper. I hope now, that Heidi gets her money back !!

a 250+ km trip (one way), having to get up at 5 am to catch Walter's bus, which leaves Hamilton East at 6.45 am sharp. Having also played cards the night before until almost midnight makes the going tough, but then the tough get going! Of course, you have to contend with delays and holdups, such as the one caused by Bill, who was about to cook a breakfast of Bacon and Eggs just as we arrived to pick him up. Someone missed out on breakfast that day!!

The weather forecast for the day was good (at least that's what they said the day before), but once over the Bombay Hills, the skies looked anything but rosy. In fact, the eagerly expected sunshine was decidedly wet! After lunch, the target area was shrouded in misty fog and rain, making the targets understandably hard to see at times, particularly for tired eyes. Whilst the results were excellent to start with, after lunch it was the opposite, making the "Auslandschweizer" and "Eidgenössische" shoots a flop for most of us. For many years, we Hamiltonians have been competing together with the Auckland Club for the International Club Championships, and at times have helped their international rankings along quite nicely; this year however, we will have been more of a hindrance than a help. (So sorry, Auckland!)

Two years ago, Auckland Rifle-master, Henry Werffeli, initiated an internal Club Championship by the simple expedient of combining the results of the four shoots, and rewarding the first three placegetters with a Gold, Silver and Bronze medal respectively. A move, I think it would be fair to say, has strengthened the competition appreciably. The first year the championship was run (1995), Auckland scooped the pool, the best Hamiltonian finishing a distant 7th. Last year though, I'm happy to say, the boot was on the other foot! In appreciation for the Hamilton members' participation with Auckland, a travelling shield was donated by Auckland for the best Hamilton competitor. The shield was won by Walter Zuber the first year, and by "yours truly" the second year. It now takes pride of place!

To the Auckland Club, and in particular to their shooting section, we from the south of the Bombay Hills would like to extend a very big

THANK YOU VERY MUCH for setting a day aside for us every year, and for the use and organisation of that day in great fashion. Victoria Amstutz is always there to look after the "Standblätter", the ever enthusiastic Terry Mason overlooks and organises the targets, and of course Riflemaster Henry Werffeli (and before him HansENZler) controls the "Schiess-stand". If there ever is a

time for the Waikato to move a vote of thanks for Auckland, then this is it!!!!

Obituary - Albina Fässler †

Albina Wilhelmina Fässler-Manser was born in 1941 and grew up in Brülisau, along with her four sisters.

After losing her father at an early age, she learnt her trade as a Sales Manager.

In 1970 she married Werner, and they were blessed with four children - two sons and two daughters. They lived on and managed a farm in Thurgau for ten years, before making the decision to emigrate to New Zealand.

On 9th May, 1980, Albina and her family arrived here and they settled in Te Aroha, where they founded their own business, the Swiss Sausage Co.

Albina loved working in the shop, being it chatting with customers, or talking with them on the phone - and she always had a smile for everyone.

Sadly, on 21st June 1997, Albina was suddenly taken from us - her "Swiss Family" in New Zealand.

She will be greatly missed by all her friends in the Hamilton Swiss Club - it was always a pleasure to be in Albina's company; she who was always cheerful and had a kind word and compassion for everyone.

At every function, Albina was invariably amongst the first to give a helping hand, willingly taking on such tasks as washing dishes and cleaning up. At annual picnics, she could always be counted on to help at the food stand, selling sausages, cakes and coffee - delighting in having a chat with everyone, and always with a happy smile.

Our sincerest condolences go to her husband, Werner, and to her four children; Urs, Erich, Evelyn and Andrea - our thoughts are with you all.

Albina, we will miss your presence and good company, your generosity and your cheerfulness - but in our hearts you will always be remembered with everlasting affection. God bless you Albina, and may you forever rest in peace.

"Herrgott, nimm sie in Deine Hände".
