Fondue evening

This was again held at the Holland house. Although the attendance was down from last year, a really good time was had by all.

35 people enjoyed delicious fondue, expertly cooked by our own chefs Ernst Gfeller and Magnus Meuwly. These evenings provide an excellent chance to mingle with one another in a happy relaxed atmosphere. Children too were happy to see the Video of the talking pig in Swiss German.

- All in all many thanks for your support!

Springtime is very nice, but if it wasn't for Autumn it would only be the eye that would be full of joy, but the stomach would remain empty!!

Hamilton Swiss Club

Fondue and Medal Presentation Evening

Around 80 people attended the Fondue evening at the Eureka hall on Saturday, 11 October. Our cooks Walter and Anita Zuber had the fondue ready by 9pm. All credit to them on the lovely taste of the fondue. Plates of "Aufschmitt" were prepared for the tables, and although there were a few different varieties from other years, I think people enjoyed sampling them all.

- Before coffee and sweets were served, Herbert Staheli presented medals to two treble medal winners, as well as to the four double medal winners in the club. The names of the many single medal winners were then read out. Congratulations to everyone concerned.

- Custard squares and Swiss biscuits were served with coffee. I think members of the club should appreciate the efforts of the Ladies who make the biscuits, as there is always a large variety to choose from, and they often take a lot of time to prepare and bake.

- The Jay Es band provided background music for dancing and entertainment, and once again we thank them for it.

- Thanks must also go to the helpers of the evening - committee members arrived more than an hour before the evening began to organise and set up the hall, and had to stay behind to clean up. One of these members is a Dairy farmer who gets up at 4 am every morning, so his efforts were most definitely appreciated. Many non-committee members also helped on and before the evening. Thank you to everyone for either your help, or your attendance.
