"Joli n'a qu'un oeil"

This photographic exhibition of three Swiss photographers, Anne-Marie Grobet, Charles Weber and Robert Müller is part of the Fotofest 98 exhibition. The first two both swap images of the countryside in the way that travellers swap tales, while the latter, an employee of the Federal Department of Foreign Affairs, whose life-long fascination landscape photography has been fostered by the travels involved with his job. His particular source of inspiration has been the interplay of light and shadow, and the textures of the Namib Desert.
