1st August Celebration at the (Swiss) Farm, Kaukapakapa

This year, for the first time in a long while, many of our members found themselves at home celebrating our National Day as they used to: Up on a hill, around a big fire....

It was a bit of a gamble for the committee to decide on the farm venue for the first time, and looked more so while doing a very wet and muddy working bee the weekend before - spreading 2 truckloads of gravel to soak it all up, digging drains, gib-stopping, wiring up the lights, connecting the chimney, cleaning and tidying, racking their brains on how to pile up a decent bonfire, generally working out the logistics of the event.

- At this point I think it is only fair to make a special mention of the key people and their families who have been instrumental in building the extensions to the hut on the farm, namely Willy and Vreni Pfenninger with Thomas; Markus and Yvonne Buehler with Claudia and Stefan; Heinz and Ursula Matysik with

Thomas. Henry Werffeli with Orlando and Isobel. They dedicate endless hours of their free time to the steady improvements of our farm facilities. And the people who joined them during a very wet working bee weekend prior to the past event, a very big thank you to Chris Hochueli for the working bee lunch on Saturday 25.7.98.

With that kind of effort and contribution in our club, I am assured we can look forward to many a happy gathering on the farm.

- An overcast, windy, rainy day showed little promise of a winning number, and by 2, only a few families had strolled up. But, surprise! More and more arrived, until by 5 o'clock our new 'hall', including the adjoining "Säli" were bubbling with chatter and laughter of people.

As soon as everyone had arrived and settled down to a drink and snack, Henry, the Riflemaster, gave out the shooting medals.

A duo of sharp rolling drums called us all to the table for a hearty meal of Soup, Speck & Bohnen/ Sauerkraut with potatoes, followed by the famous Swiss pastries with coffee.

Nightfall offered the setting for the lampion lit entrance of our youngsters who performed some endearing traditional Swiss folk dances. They were followed by a lovely set of songs by the Yodel group. And finally, the bonfire, having gobbled up most of the diesel intended for the generators, caught on. It immediately diverted our attention to the five alphorn blowers who were softly reflected by its light and whose magnificent sound echoed from the surrounding hills a melody which transformed us for a brief moment to our very homeland, and made us forget just how far we are from home. This very special moment made a mere mechanical sound of the National Anthem and Speech by the President of the Swiss Confederation relayed to us by the Embassy. Sorry, Mr. Cotti, we promise we will read it in the August issue of the Helvetia. These wonderful contributions concluded at around 8.30, and with all the fires stoked up and the dishes nearly done, it was time to settle down for a chat, a round of Schieber, and with a glass of wine enjoy each other's company long into the night.

We would like to thank all the people for coming and I'm almost sure you all agree that the newly extended indoor/outdoor facility on our piece of land is proving more and more welcoming to all sorts of events, no matter what the weather, and that our country on its special day deserves this kind of homage.

A hearty thanks of course is extended to all those who made their special contributions, Walter Mueller and Aaron Pollock for the drum roll, the Yodel group, the Alphorn blowers, Julia Moors with the Dance group, Yvonne Buehler for the lovely window picture which now decorates our "Säli", and thank you Chris Hochuli for the generous donation of Schnapps.

For the Committee;
Trudi Fill.

Shooting on Farm at Kaukapakapa

One further shooting competition for 1998 is being organised by the Rifle master, Henry Werffeli:

- Any sights, any rifle, 300 meters

1st November, at 9.00 am sharp

Any shooters wanting to take part in this competition are requested to contact Henry, phone 09 410 3476 (home, after hours) regarding access and use of equipment.

The excitement of the bonfire...

Junior dance group performing.

Music to the old Swiss hearts delight.

Walter Müller and companion drumming.

Note from the President...

I would like to thank every one for the support on the first of August. I was surprised how many people came. The committee expected 180 people as we had 140 bookings. By the end more than 210 turned up. While we were very pleased it also put a strain on our food supply. I would therefore like to apologize to the people who felt they didn't get enough to eat. This shows how important it is to book ahead.!!!

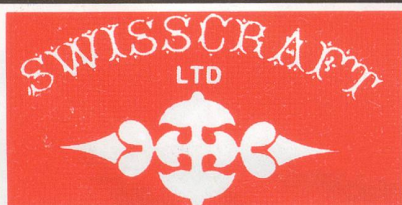

- Anyway, every one I spoke to was very pleased with the evening.

- Next year we hope to have a few more fire works to get things 'cracking'.

- A lot of work has gone into the house on the farm, but to finish, improve and maintain it we need money. The funds raised by functions such as the 1. August, the fondue night etc. are being put to good use to improve the facilities at the farm.

Thanks again and see you all next time.

Ernst Gfeller.

FONDUE EVENING

If you haven't already marked Saturday 10 October on your calendar as the Fondue Evening, do so now! Tasting the Fondue will be just one of the attractions – others include being present for the medal presentation, and dancing to the music of Peter Arnold's band from Auckland. This band, "Sound of Switzerland", has not previously played at any of our functions, and promises to be very entertaining. If you wish to bring your Fondue sets, we would appreciate the use of them. The evening begins at 8pm, so see you then!

PROPOSED MOUNTAIN TRIP

In last month's Helvetia the idea of spending a day at the snow (??!!) was mentioned. We are still keen to gauge the club's interest at this idea. We have had several replies, but at this stage there are still not enough people to fill a bus and thus make the day viable. If you think you're at all interested, please let the following committee members know as soon as possible:

Heidi Fransen
(07) 847-1353

Or
Beatrice Leuenberger
(07) 843-7971

An approximate cost for such a venture would be \$60 per person. This would include \$15 for the bus trip and \$45 for a ski package. The bus would leave early on the morning of Saturday 17 October and arrive back in Hamilton some time in the evening. This is a day for young and old alike, so give it some thought.

1st AUGUST CELEBRATION

For the first time in many years the celebration of Switzerland's National Day actually took place in the Eureka hall on 1st August. The date seemed to suit many people, as numbers exceeded 100.

The evening began at 8pm and by 9pm a smorgasbord dinner of Wienerli, ham and a huge variety of

tasty salads was served.

When all appetites were appeased, it was time to sit back and enjoy the music of the Auckland Woodchopper band. People dancing most of the evening indicated the enjoyment and approval of the music. Thanks to Emil Tellenbach and others for travelling from Auckland to provide us with such lively music.

During the course of the evening, coffee was served with a tasty selection of cake and biscuits made by the committee. As always, the variety and taste was superb.

The evening was successful due to the help of many. Much work was done on the part of the committee with the preparation of food, working in the kitchen on the night, setting up the hall and again tidying up afterwards. As well as committee members, others also offered their help on the evening. Many thanks go to all these people. As the saying goes, "many hands make light work".

All of our six card evenings were very well attended with between 42 and 54 players. Sometimes it was

hard to know whether people came for the game or the wonderful suppers which were always served! Our thanks go to all the ladies who provided us with all that delicious baking and worked in the kitchen, as well as to those who helped run each of the evenings smoothly, and clean up afterwards.

At the end of each evening, several lucky players were always able to take home one of a selection of excellent prizes. Our thanks go to everyone who donated prizes for the card evenings, and especially to Paul and Tania Betschart of Royal Heights Butchery in Auckland for the many generous meat prizes we were given. These kind gestures are always very much appreciated by the Club.

The final evening came around all too soon, and when the card playing was done, the overall scores were tallied, with Hanna Frischknecht winning the trophy for 1998 by over 300 points. Congratulations to a great result!!

It is always pleasing to see our card evenings so well attended, and very encouraging to see so many people come along regularly, as this helps to make all of our card evenings so successful. Many thanks to everyone for taking part, and we look forward to seeing all of you again next winter.

Humour

"Are you sure there are no sharks in this water" asks the tourist ready for a swim. "Of course not" says the Australian host, wherever there is crocodiles there sure aren't any sharks."

1st of August Celebration

Once again, we held the First of August celebrations on 1st August. Approximately 110 people arrived at the hall to enjoy the celebrations. We listened to the message of the President of the Confederation, and also to a well-written message from Beatrice, our President of the Swiss Society.

Entertainment was provided by the Swiss singing group; our Trachten-gruppe; Ruedi Dudli on the Alphorn; and Remigi throwing the flag. It was a great program and enjoyed by everyone. We were then entertained by five piano accordionists and pianists, all of whom were talented and played well together. It was also great to have Jennifer and Aaron Bösch at our evening and we certainly hope to see you again often.

Tombola tickets were then sold... and went like wildfire!! Some people had to be content to be entertained by the quotes...while others were more fortunate and won prizes. We would like to thank all those who donated prizes, especially Campbell's World Travel and the Mountain House...Lou Butler had many offers to accompany him!! Once again, thanks to Sepp Kiser, who religiously provides the Club with Schnapps, which so many people appreciate. Great music was pro-

vided, with many people dancing or just listening. Charlie even got Josie for a dance - something she hasn't done for ten years - and apparently she did not even stand on his toes!! Many stayed until the wee hours of the morning ... and all too soon, clean up time came along. Many hands made light work, and then everyone stayed on to savour the leftovers of supper for lunch and a relaxed chat. Many thanks go to all the helpers and also our loyal supporters, as without these people an evening like this wouldn't be any fun to organise!!

Forthcoming Events

Don't forget the August walk, which will take place in typical Bernese fashion, on the first weekend in September. The visit to the Marine Laboratory will be most interesting too; meet seahorses, starfish, octopus and many more inhabitants of Wellington Harbour & Cook Strait! - For details, see the August issue of Helvetia.

Our **next events** are the Jass Competition on 17 October and a great Family Fun Day on Sunday, 8th November. You'll get your personal invitation closer to the dates.

Past Events...

1st August, Bonfire at Petone Beach

The weather forecast for the last few days in July had our undivided attention: Will it or won't it rain on 1st August?

Will we or won't we be able to have our traditional fire on Petone Beach? The tides were just right: low tide at

6 pm, which meant that, as we had to have our fire between the high tide and the low tide mark, the next tide would come in and wash all embers away shortly after eight. Well - it didn't rain - it only blew a gale, which meant our fire offered an additional impressive firework display as a bonus. The fire was about three metres high and twenty metres long - fortunately parallel to the shore line or slightly out towards the sea.

The firewood was a bit slow in arriving no doubt due to the rugby match in the afternoon, but it was a great opportunity for everybody to join in and participate in the stacking. Young and old enjoyed the warmth (you certainly knew which side not to stand on!). Some little feet got wet - all part of our Wellington 1st August. The seventy sausages were appreciated and sold quickly. The singing came from the heart, and if it wasn't very impressive, let's blame the wind.

All in all we enjoyed our adapted "Höhenfeuer" and we hope for many more in future years.

8th August - Bernese Evening...

The evening opened on a sad note: After the president's welcome Max Fuhrer spoke of the untimely death of Margrit Buess, one of our most faithful, longstanding club members, and we observed a minute's silence.

No, it wasn't spaghetti what we served, although we had considered it as a surprise option. Thanks to Roland Schütz's many late night shifts and Monika Sörensen's expertise we were able to serve a "Berner Platte" which found favour with Bernese, Swiss and New Zealand guests alike. The almost 70 guests only left a few potatoes over. And even a less traditional dessert than the classic meringue went down well - or at least we haven't heard of any complaints. Thank you, Trix, for your big boxes full of "Brezeli"; they were all in style again! And thank you, Henry Limacher, for your bottle of Schnaps!!

- Half way through the evening, Ruth Glauser drew the lucky winner of a beautiful table lamp, donated by Ruth and Hans Glauser - that's what the mysterious number in the calendar was all about!

- Hans Glauser, rifle master, distributed the medals of the Swiss competition and congratulated the winners.

- Heinz Jäggi entertained Bernese and Swiss alike with the "Totemügerli" - and the New Zealanders had fun watching the Swiss, no doubt.

- The evening went on till late (or till early, rather) - most enjoyable, it seems. Many thanks to all the helpers; guests and friends, club members and committee members contributed and made work light.

Margrit Buess 1929 - 1998

Margrit was born in Altstätten, SG, and grew up in a large family. Margrit came to New Zealand in the late fifties and worked for her brother Joe Hangartner in the candle factory. She met Hans Buess at the wedding of Lutz and Bruno Keller. Hans went to Ghana, West-africa, shortly afterwards, but they kept in contact. Towards the mid sixties they both went to Switzerland and got married there. After coming back to New Zealand they lived in Ngaio, in Khandallah and the last few years in Waikanae. They had three daughters; Margrit and Christine have been in Switzerland for many years, and the youngest, Kathrin, lives in Dunedin.

Margrit, with her husband Hans, were strong supporters of the Wellington Swiss Club, participating in most of the events over many, many years.

In June, Margrit and Hans went for a holiday to Switzerland, where Margrit passed away in her sleep on 30 July.

Margrit will be sorely missed by her family and by many Swiss Club members.

1st of August Celebration in Palmerston North

Contribution by Maya Beddie-Geiser, Wellington
From the Newspapers and the Radio we heard that the Aquarius Restaurant in Palmerston North was inviting the Swiss Community of the Manawatu to celebrate Switzerland's 707th birthday there. And as our children live in Palmy we decided to take part in the commemorations.

- We didn't have to look far, as flowers, flags and lampions guided us to the Aquarius where we were welcomed by Theres Halford and her team. We enjoyed the Rösti, the Bratwürsts and the Wurstdalat! We even learnt the secret how to make the Rösti nice and fluffy. It was lovely to meet old and new friends, including some Exchange students who seemed happy to speak some "Schwyzerdütsch".

- The entertainment was extraordinary. Theres and a friend gave us some sensational yodels. Congratulations, Theres!

- Then we tasted the Lebkuchen, Bir-

rewegge and Nussgipfel ä la Grossmutter Margrit.

- A special 1st of August to remember! And should you ever be in Palmerston North, go and try the lovely cuisine and hospitality in the Aquarius Restaurant close to the Square.

Theres Halford and friend entertaining the guests.

Second Attempt at UN Membership

Article provided by Heinz Leuenberger

Twelve years after Swiss voters
overwhelmingly rejected joining the
UN, the timing now seems to be on
cue for trying again.

The Blockade between East and
West, with its associated conflicts, is
now over. Today, the Security
Council is primarily involved in pre-
vention; imposition of sanctions; and
occasionally, limited military ac-
tions. And with the problems of
globalisation in economic, political,
environmental and social areas, it is
felt that many matters can no longer
be dealt with entirely at a national
level.

According to the Minister of Foreign
Affairs, Mr Flavio Cotti, Switzer-
land's foreign policies of the 1990's
are close to being identical with
those of the UN. The goals in the
peace, human rights, and environ-
ment policies, as well as in humani-
tarian aid, would be much better
served by a world encompassing
organisation, rather than by continu-
ing alone.

The question of neutrality, the main
barrier for the 76% NO vote in 1986,
now seems to be "agreeable". And
as a full member, apart from the
compulsory dues, Switzerland
would, under certain circumstances,
have to provide its armed forces to
re-establish democracy and to safe-
guard humanitarian help. It would
also be required to uphold any eco-
nomic sanctions imposed by the Se-

NEWS OF SOCIETY MEMBERS

My President's message this month
quotes the number of "Society-only"
members, at the time of writing, as
106, however this has since in-
creased to 107. On 11 August, the
Society gained its first non-New Ze-
land resident member, and I would
like to warmly welcome Mr Marco
Kappenberger, who lives in Western
Samoa. I am told that there are a
number of Swiss living in Samoa, as
well as on other South Pacific Is-
lands, creating even the possibility
of forming a new "Off-Shore" Club!!
Most definitely though, with the as-
sistance of our new member, I will
be doing my best to increase num-
bers in this yet "untapped" region. I
must admit that I never really
thought about these Swiss citizens
