Members Consultation on Farm Development

The committee is making arrangements to build a proper Carpark for 50 - 60 cars, at the farm. And while excavation work is being done, the plan is to stabilise the bridge by the shooting range and clean up a few paths at the same time. The cost has been estimated at \$ 7500 for carpark only, and with the bridge and paths, total approx. \$ 12,000.

-As this is a fairly big sum of money to spend, the committee wishes to hear the opinion of the members of the club, and for that purpose invite you to the next Committee Meeting, **on 23. November 1998, at 7.30 - 8 pm at 224 Hobson Street Auckland City, (Prosthetic Processes).** We hope to see lots of you there, Thank you!

Singing

A Singing Circle has started to meet every second Tuesday at Edith Hess' Place, 7.30 pm. - If you would like to share in the joy of singing, and want to revive some of the many songs we learnt back in Switzerland, or even learnt them new, please come and join us, we need many voices. - We could also do with a bit of musical and vocal expertise.

- We are at this stage a very informal group, the aim is to liven up some future club events.

- Hoping to hear from you. Call Trudi on Tel. 376 4923.

Fondue Evening

About 35 Club members gathered at the Holland House in South Auckland on Saturday, 19 September 1998, to enjoy a lovely fondue before the winter came to an end. With new, and also familiar faces all mixed together and getting to know each other, it was a very pleasant evening in very welcoming surroundings. The fondue mix was concocted to perfection (it didn't even clot!) and tasted delicious, especially accompanied with a nice glass of wine or a warm cup of tea. Followed by fruit salad and coffee and biscuits.

- Although we were hoping a few more of you could make it, all present enjoyed themselves thoroughly.

- Just a little forewarning: Next year's Fondue Evening will be held at the farm.

- We are glad to be back home and back to a more quiet life.

FONDUE EVENING

This year the Fondue evening was very well supported, with approx. 110 people present.

The aroma of the fondue cooking tantalised many tastebuds, leaving people eagerly awaiting the time when they could taste it. As usual, the fondue tasted as good as it smelled, and was particularly special for those of us who seldom have it during the year. Also served with the fondue was a variety of Aufschnitt.

Many people enjoyed dancing to music provided by the band "Sound of Switzerland", while others were content just talking to friends and relations. A tasty selection of biscuits and custard squares was served with the teas and coffees for those who were still hungry.

The evening also included medal presentation. Congratulations to the medal winners, and also thanks to everyone who participated in the sports competitions.

There were two lucky door prizes for the evening, both being donated by club members. Thank you to Uli and Ruth Baumberger for donating sheets, and to Erika Elmiger for donating a bottle of Kirsch.

As with all other functions there was a lot of 'behind the scenes' work. Many thanks to all committee members, spouses, and many others who voluntarily helped on and before the evening.

PROPOSED MOUNTAIN TRIP Due to lack of interest and of course lack of snow, this ski trip had to be cancelled. We might try again next year?! HF
