Santa at the Swiss Farm.

This year, Santa actually made it up to the Swiss Farm on St. Nikolas day, 6th of December, where the children with their parents, friends and grand-parents had gathered.

By now it is taken for granted that Santa will arrive by helicopter and indeed he did do so. The happy crowd was ready for him long before. They had enjoyed lunch in the form of Swiss barbequed sausages and yummy strawberry pie.

- After a rousing welcome, Santa had a busy time. 100 children individually recited their poems, in return they received some good counselling, plus a 'Klaus-säckli'.

This procedure took more than an hour of Santa's valuable time. After his departure the children's dance group, (all dressed in their colourful costumes) delighted us with their dances. - Later on to our surprise, two visitors from Switzerland, the Fricktaler sisters Trudi and Dorli entertained us with yodel songs, ac-

panied with the tiny 'Schwyzer orgeli'. Then our own yodellers joined in as well. On this musical note ended a happy day. A.R.
N.B. "Come and admire our Superloo, sometime!"

In a letter to one of our members, our former Ambassador Ernst Turnherr sends his greetings and best wishes to all the members of the Swiss Club.

ANNUAL PICNIC

Last year's picnic was held on Viliger's farm in Kuitihi, but in a different paddock to other years. The day was hot and sticky, and many trees provided shade to help cool everyone. We have decided to use the same paddock once again, so look out for the flags on the road to direct you. The date is **Sunday 21 February**, from 11am onwards. Sausages and sweets will be on sale for lunch. Come along and enjoy the company of others.

Competitions for bowling and shot-put will also be held on this day.

Anyone interested in competing in the shooting can go to the same venue on **Saturday 20 February** at 11am. Please bring your own lunch.

Past Events...

The club's end of year Christmas party was held at the Livestock Improvement Centre on 6 December. Once again, this venue proved to be excellent. The tennis court was used, though the heat cut some games short. This was of no consequence, as the pool looked very inviting, and many adults and children spent time cooling off in it.

The atmosphere was one of relaxed friendliness. The adults seemed happy to catch up with each other, while the children enjoyed splashing around in the pool, and later watched a magic show. Santa arrived in time to hand out presents, and surprised some of the older children by also giving them a present. He even surprised some younger

children who thought he was scarier in reality than on TV!

Bratwurst were barbequed for lunch, later followed by Swiss biscuits. The children enjoyed icecream cones, but had to do some fast licking to stop the sun from melting them.

Overall the 60 (approx) people present had an enjoyable day - a nice way to finish the year for our family members.

Ella Ammann
1911 - 1998

Ella died suddenly on 28 November 1998 after a long and happy life.

She was born in Weinfelden, Switzerland, in 1911. Ella and her husband, Ernst, together with their three children, emigrated to New Zealand in 1953. They farmed first in Eureka, and then in Komakorau in the Waikato for many years. Upon Ernst's retirement from farming, they moved to Hamilton.

She was a loving mother, and grandmother of eight grandchildren and 10 great grandchildren.

Ella was a foundation member of the Hamilton Swiss Club, where her services and commitment were much appreciated over many years.

Our condolences and deepest sympathy to Ernst and all the family, from both the Hamilton Club and the New Zealand Swiss Society.

pot-luck lunch held at 12-30 pm. The children were kept busy making Christmas Stockings which were then filled with lollies and chocolate..., we have some very creative children in our club..., many thanks to Erna for organising this.

Father Christmas called in during the early afternoon, and after the children had sung a few carols, distributed some presents to the children. The presents were then awarded to the competitors of the shooting and kegeln. All too quickly the afternoon came to an end with everyone being wished a Merry Christmas. Many thanks to Walter for organising this function, which we all so enjoyed.

Christmas Committee Barbeque

This year the committee decided to get together for a barbeque and social chat. The barbeque was ably manned by Ruedi B, who turned out some delicious marinated steaks and chicken legs. The salads were also very scrumptious and everyone attending enjoyed themselves immensely. A great way to share each other's company while appreciating a great meal.

Inglewood Christmas Parade

The Swiss Club was once again invited to attend this parade held in beautiful, sunny conditions on 12th December. We were, once again, impressed with the quantity and quality of floats in the parade. After the parade we were all invited to the Ludi's for lunch..., what a pleasant surprise. We all appreciated and enjoyed your hospitality very much.

Swiss Singing Group

This year we have again been busy entertaining a wide variety of organisations, and enjoying ourselves..., our programme is getting more varied, something our audiences really appreciate. On December 3rd we were the guest entertainers at the NP horticultural Society. Well..., it was a very warm evening (eh Zeno) an attentive audience..., and we were all overwhelmed to receive a beautiful bunch of flowers each. We've had an excellent year and hope everyone has enjoyed our performances.

New Years Eve

This year we were once again joined

by the Campervanners for another enjoyable and entertaining evening. Happy hour was held from about 4-00 pm to 6-00 pm, when the Swissies had a barbecue while the campervanners had their own meals. Doreen Zehnder had made up a pass-the-parcel which was done during happy hours..., a truly fun-filled game..., especially when Doreen makes it up !!! Entertainment during the evening was great with many accordionists, a pianist, a double bass professional and two talented actors..., namely Jack + Leo..., they truly entertained us with their skit at the bar!!! Well done guys !!! We were all thoroughly amazed at your talents!!! All too soon midnight was approaching..., so we hurriedly sold the raffle tickets..., and then poured each person a glass of wine to toast the New Year. A delicious supper was then served and the evening continued to the small hours of the morning. A few games were held during the evening which allowed people to show their skills at passing a lolly with a hole, with a toothpick!!

I think people showed greater skill at laughing during the game !!! A terrific evening enjoyed by both the Swissies and campervanners. On late Friday morning the campervanners had morning tea with lucky van numbers being drawn and where the Wally of the rally was awarded..., sorry no prize was available, Leo !!! ... now let me tell you how this honour was achieved.., Leo was about to leave and had everything ready..., he put his accordion into the car, and hopped into the van when Doreen asked him where his accordion was !!! Aren't you lucky your wife watches you !!! Fortunately you hadn't arrived in Kaponga with your accordion still in Eltham !!! Many thanks to Don for having the grounds beautifully manicured..., we really appreciate the effort you put in.

1st January

To ensure the New Year got away to an excellent start, many of us went to the Stratford Club for a delicious meal. It was great to relax and continue our chats of the previous evening. Many of us tried to win our dinner through gambling..., but none of us achieved that !!! Better luck next time !!!

Gwerder Klara né Burkhart
1916 - 1998

Born in Kaponga she grew up among five Sisters and two Brothers in Hurleyville.

In 1942 she married Fred Gwerder and together they raised a family of ten. They were sharemilking in a few different places in Taranaki until they managed to buy their own farm on Anderson Road.

Klara lost her Husband twelve years ago and consequently retired to the town of Eltham.

A very loyal Member of the Swiss Club and the Swiss Society she will certainly be remembered as a very keen card player. She always attended any of our functions if at all possible.

- To all the families we extend our deepest sympathy. R.D.

Alois Scherrer
1922 - 1998

Alois was born in Gams in the Rheintal. He grew up among four Brothers and one Sister.

- In 1960 he emigrated to New Zealand. Two years later he married Antoinette and together they started sharemilking at Hawera. After a few years in this job he bought his own farm at Mangatoki. Alois and Antoinette were blessed with a family of four Boys and one Girl.

- In 1941 he was called up by the Army and saw a few hundred days of active service.

- Alois was respected as a very 'reserved man', a very good provider and an excellent farmer.

May He rest in peace !

To the whole family our deepest sympathy. R.D.

Forthcoming Events....

All members of the Wellington Swiss Club are invited to the

COWBELL COMPETITION

Taranaki Swiss Club
vs.

Wellington Swiss Club!
at our Club house on
20/21 February 1999.

After Christmas everybody can do with a little exercise - and there is an ideal opportunity to participate in our sporting competition with our friends from Taranaki: We havn't given up hope yet of winning that Cowbell !

- We expect our guests around lunchtime and will have our barbecued sausages and a drink to loosen up our muscles around 1 pm.

- The shooters will go to their rifle range, and we need every strong club member for our shotput competition. Let's try for the magic 8 meters !

- Bowling will start as soon as the shotputting is over, and the Jassers will be in their starting positions.

- Dinner should be ready by around 7 pm. - Sorry, no Christmas ham; it will be mainly salads. We would be grateful for help with the catering - please let Monika Sörensen (Tel. 478 56 49) know if you are available.

- And if you can't make it in the afternoon, come in the evening for a gemütliches get-together ! The program for Sunday will be announced on Saturday evening - don't miss out!

Past Events...

6. December: Children's Christmas. About a dozen children and their parents came to the clubhouse on 6. December. Michelle Köppel Schneider told a Christmas story under the Christmas tree - and then, knock knock, Father Christmas arrived and was duly greeted. Some children knew a 'Värsli' or a song, and Father Christmas read from his mysterious book and encouraged all to improve/

keep it up before generously distributing nuts and sweets and other goodies.

- Everybody enjoyed the cakes, strawberries and cups of tea before going home; a pleasant, relaxed afternoon in the stressful pre-Christmas time.

12 December: Christmas Party

A record number of over eighty guests came to the clubhouse. It was a most enjoyable evening - plenty of good food; even the bones of the ham found takers ! Many thanks to the whole committee for all their work - and many thanks also to the many guests who rolled up their sleeves and helped and made work so much lighter.

A poem full of Wisdom
about advancing 'old age'!
Sorry, only possible to be enjoyed
in the German language !

Das Alter bringt uns allerlei,
es weist uns in die Schranken.

Dem einen gehen die Haare aus,
dem andern die Gedanken.

Dem einen schwindet das Gehör,
das Augenlicht dem zweiten.
ein Hühneraug und Nasentropf
kann Ärger dir bereiten.

Gar mancher ist ein Puckelmann
und kann sich nicht mehr strecken,
braucht damit er laufen kann,
als drittes Bein den Stecken.

Manch einer hat beim Essen Müh,
ihm wackeln seine Dritten,
er muss, damit er beissen kann
mit Kuckident sie kitten.

Der eine mag den Vollmond nicht,
den andern plagt der Föhn,
vor Zeiten war er jugend-frisch,
jetzt ist er nur noch schön.

Was einst Du mühelos gekonnt,
was spielend Dir gegeben,
es läuft Dir nicht mehr von der
Hand
so verändert sich das Leben.

Nimms wie es kommt, verzage
nicht
das Alter lern ertragen,
Humor ist wenn man trotzdem
lacht,
es hilft Dir mehr als klagen!

thankyou to Regi Mathis for this contribution!

Swissair with Heart

Swissair is equipping all its aircraft with new life-saving devices. Flight crews are being trained to use heart defibrillators. The machines are designed to re-establish a regular heart beat after a passenger has suffered a cardiac arrest.

Some United States and European airlines already have the devices on board their aircraft.
