Background-information to Walks:

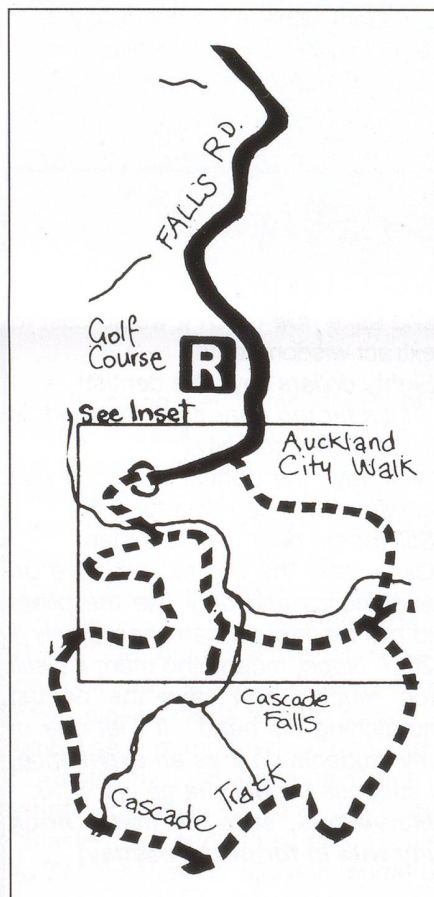

Auckland City Walk;

If you feel like some magic, inspiration and an easy walk through the bush, then this is the path to take. The safe, well surfaced loop trail leads you on a journey to find Aunt

Agathis, a caretaker that lives along the way. The journey will take about an hour and features huge kauri trees (one with a girth of 6.5 metres). A short side track leads up to a spectacular rock gorge and the Cascades Falls. **(one hour)**

Cascade/Kauri - Walk;

Visit this region of the Waitakere Ranges and you will begin to understand what the ranges would have been like before the timber logging days. A backdrop of one of New Zealand's greatest trees, the kauri, crowns the cliff, eyeing the forest as king. Let the lattice of walks and tracks entice you, not just to view the scene as a spectator, but to immerse yourself in it. Come, experience the grandness of the best kauri forest in Auckland. Choose between a range of walks from a challenging but rewarding tramp to a magical, easier discovery walk.

Picnic; On the 14th Feb. 99 we had our annual picnic up at the farm. We were not quite sure how many people would turn up, as the weather was not looking too promising in the morning. At 11 am. we started to wonder if it was the right day. But in the end 160 people including children came and it turned out to be a nice day. Lunch was Steak, Bratwurst, Cervelats, Wienerli, Bread with yummy salads, for dessert delicious Nussgipfel - 'Schnecken' and Crème-Schnitten. The Yodelers treated us to alphorn music and yodelsongs. There were Sack-races, Lolly-scrambles and Stein-stossen (unofficial win belonged to Markus, a visitor from Switzerland averaging 6.400 m - Raffles; this was something for everyone.

- The day was relaxing and very enjoyable, an occasion for people to catch up with the latest gossip as well as exchange important information.

- I would like to thank everyone who helped to make this day a success.

- Special thanks go to the **Swiss Bakery**, Milford for donating the 'Zopf' and 'Russen-Zopf' (for the raffle) and to Harry Moors, **Swiss**

Past Events...

Picnic;

On February 14th we held our annual picnic... on a typically beautiful sunny Taranaki Day !!

The first arrived at 9.30, with steady flow thereafter. Our grounds had been beautifully manicured by Don.. grateful thanks for your terrific work, it's truly appreciated. The committee and helpers set up the different activities..., a game of quoits was arranged with good participation by the children. Marlies had brought a horse which was also well supported and enjoyed by the Kids, a lolly scramble was held and as always the high light of the day was 'Schwingen' !! And this year we were all so very pleased to have a Swiss-Kiwi winner..., our heartiest congratulations to Nicol Ruchti, who after being runner-up several times finally won the "Kranz". We were all so proud of you !!! Winner of the Midgets was Thomas Werder with Martin Hebler the runner-up. Winner of the juniors was Gerard Muggeridge with Dani Werder the

runner-up..., many thanks to Walter Zumbühl for donating a beautiful cowbell as 'Wander-preis' ! Many thanks also to Nic Werder and Paul Ruchti for organising and refereeing the 'Schwingen'..., the committee really appreciates your effort and dedication..., and certainly the picnic wouldn't hve the same attraction without the 'Schwingen'. Another big thankyou to Christian Padrutt for bringing the hay, that many enjoyed sitting on, no injuries from thistles recorded !!!

- It was great to see many NZ'ers competing this year, with one tourist and two exchange students.

- A tombola was once again held and we must thank everyone for their terrific support of this raffle !!

Our new musical equipment was put to good use, with excellent music flowing through the grounds.

Throughout the day our dedicated team of barbequers kept the hungry crowd fed with delicious 'Bratwürst' and 'Cervelats'..., thanks for your good work, and thanks to the Swiss Deli in Auckland who always supply these sausages promptly and which are so very delicious. A nice dinner was held for those still at the Club-house later in the day. Many thanks to Zeno and Aaron for the music..., what a talented duo !!! We had a great day and grateful thanks to all our loyal members for their continued support of the club.

News Snippets from Switzerland

**Trouble with
the draft accord on the free
movement of persons between
the EU and Switzerland
(Feb.1999)**

Swiss Trade unions are worried that free movement of workers could lead to wage dumping in Switzerland, when workers from low-wage-countries come to Switzerland.. The Swiss Government says overall the bi-lateral accord with the EU is a good deal, giving plenty of opportunities for commercial expansion. But from the very beginning it was clear that Switzerland as a high-wage-area could act as a honey-pot for workers from southern Europe or low-wage-countries like Britain and Ireland. Swiss Trade unions fear that Swiss employers would not resist employing workers from low-wage-countries, thereby putting pressure on Swiss wage-levels. Employers, Trade unions and the economics Minister Caspar Couchepin have been getting together a draft package offering a measure of protection against wage or social dumping. Employers say the proposals go too far, the Unions say not far enough. Despite Union and employer criticism Mr Couchepin remains optimistic agreement can be reached. Labour relations in Switzerland are largely governed by industry-wide collective contracts. The Government is suggesting that if any employer substantially undercuts the provisions regarding wages, working hours and holidays, a collective contract can be imposed on the whole industry. Where no collective contracts are present the authorities can impose minimal wage levels and social standards. A law is due to be introduced obliging foreign firms who send foreign workers to Switzerland to comply with Swiss labour regulations. Neither the Trade unions nor the employers are totally satisfied by this package and the Unions are threatening a referendum against the bilateral accords. The final draft however is not due until June/July. A compromise will no doubt be reached by then.
