AGM. - 10. May 1999

All members again have the opportunity to show their interest and support for our club by coming to the AGM. **You will be very welcome!** It will again be held at **Oski's Place, 224 Hobson St., 7.30 pm.**

After the meeting you can enjoy socialising with your fellow members. Drinks and tasty food will await you. - **See you there!**

Past Events...

Club competitions;
Our Club society games on the 7th March at the Swiss farm were under threat to be cancelled. - The weather forecast was terrible!
But our resolution was; **never mind the weather let's carry on!**
The week before the fencing was completed to keep out the cows from our new **all-weather-car-park.**
However at that time we still had no bowling alley! Sure, one was planned, but how was it to be realised by the following Sunday?
For the last few years these events were held at Edith Hess's home.
To my great surprise **Kegeln** (Bowling) was already under progress when I arrived at 10.30 am.
- So again many thanks to Willi Pfenniger and Markus Bühler who showed their famous Kiwi ingenuity by designing and building a temporary wooden bowling alley under the new roof. - Haybales were used to protect the walls from damage. Ru-

mour had it that the hay bales had been donated by an ex-Policeman, but the origin of the hay bales was hushed up for one reason or another!

Meanwhile inside our cosy chalet **Jassen** was in progress and to me it looked like serious business....

Our shooting master had erected a temporary cover, so that the small calibre shooting could take place. He got himself soaked while doing it. But all in all the weather wasn't as bad as forecast.

More than 30 people took part and enjoyed themselves.

Obituary

Rolf Jauslin - 1949 - 1999

Rolf died in St. Joseph's Hospice on 13. February 1999 after a short illness. He was born in Basel where he trained as a fitter welder.

'Wanderlust' led Rolf to leave Switzerland for Scandinavia in his early twenties. He travelled extensively around the world for many years with brief returns to Switzerland. He was lucky enough to see many places which are now inaccessible to tourists; Laos, Burma, Afghanistan, Iran and many others.

In 1976 Rolf visited New Zealand for the first time, then by round about routes went to live in Rhodesia.

In 1979 he returned and settled permanently in New Zealand. He married Bronwyn and bought a house in Tauranga a few years later.

In 1988 he re-trained as a secondary school teacher and moved to Auckland to take a position at Auckland Grammar School.

Rolf will be remembered for his interest in people, politics and places. He was a caring father who always had time for his children's interests and concerns.

Rolf is survived by his wife Bronwyn and two children, Grace and Dylan.

The Auckland Swiss Club and the Swiss Society express heartfelt sympathy to Bronwyn and family.

May he rest in peace!

PICNIC

A large crowd turned up at Villiger's farm on Sunday 21 February to enjoy a day of sunshine with family and friends.

Club members were able to participate in bowling, aiming either for a medal, winning the cup, or winning a Landjäger. Those with a little extra energy could give shotput a go.

Barbequed Swiss sausages were sold for lunch, later followed by an assortment of cakes and biscuits baked by committee members. Coffee and cold drinks were also on sale, helping to keep everyone hydrated in the heat of the day.

A large bouncy castle provided many hours of fun for the children and teenagers. The castle was sometimes seen at precarious angles when certain teenagers were

on it, but thankfully it withstood the pressure! In the afternoon the children were able to munch on lollies caught in the lolly scramble. A few also ended up with prickles in their feet – perhaps a minor sacrifice for the pleasure of getting lollies.!? Many people helped with the organisation of the picnic. Not only committee members, but many others gave of their time to make the day a success. Thanks goes to everyone involved.

Obituary Hanspeter Rust - 1934-1999

Hanspeter was born into a farming family up in the hilly, mountainous part of Toggenburg, Switzerland. His childhood fell into the troublesome war years and the family was struggling in many ways - short of bread but with plenty of fresh air!

- It was clear from a young age that Peter (as he was known in recent years), would want to become a farmer like his father. After his school years he gained useful knowledge in farming until the opportunity took him and his older brother Leo to New Zealand. Both enjoyed the way of life and particularly the kindness of its people.

- In the meantime, Marianne, his future wife, befriended the Rust family and emigrated to New Zealand also, where she fell in love with this handsome young man, Peter.

- After years of farming in the Waikato they took up share-milking in Whakatane. On their own farm they raised their five children in the same strict manner they themselves were raised. Hard work by all the "Peter's Family" led Marianne and Peter to the present bigger farm in the Te Awamutu District.

Their view over the countryside is similar to Switzerland, again with plenty of fresh air!

- A kind, honest and fearless approach was his way of life. He was always hardworking and if there is a vacancy for a good farmer in heaven, he is already on the payroll, I think. - I hope there will be some Swiss up there ready to play a game of cards with him.

E.R.

The Hamilton Swiss Club and the Swiss Society express heartfelt sympathy to Marianne and families. - May He rest in peace !

Taranaki Swiss Club trip to Wellington - Semi-final of Cowbell-Competitions

We left for the semi-final of the cowbell competition on February 20th at ...,

6.30 am...., a little early for me...., but never-the-less got to the bus-stop on time...., to be met by Walter with a car-full of supplies...., from chips and drinks to music tapes and rifles.!!!

Walter did a sterling job of organising the trip, with a full compliment of 45 people heading South.

- We duly arrived in Ohariu Valley to be greeted by Wellington Swiss Club members, who gave us a glass of wine or beer (must have looked dehydrated !!) and a delicious 'Bratwurst' or 'Cervelat'.

- Then the competitions started in earnest...., these were held in a friendly atmosphere, with neither team letting up ! Our Ladies returned from cards with glum faces...., having obviously lost at the hands of the merciless Wellingtonians!!! Our shooters returned victorious...., congratulations to you all...., you did us proud !! We were certainly overpowered by the strength of these city-ites who were focussed on winning this semi-final !!! So it all came down to the Kegeln...., Lou did his best and had a brilliant score of 51, but the rest of us...., well...., were under the spell of the Wellingtonians...., and just couldn't manage to topple the superb skill of Hans Glauser who scored a great 60 !!!

- Well done Wellington, on a excellent win and we certainly all wish you the very best for the final...., as the saying goes; "go-get'em".

There followed a social chat or more cards and a scrumptuous din-

ner. Many thanks to all those who helped prepare this meal which was enjoyed by all.

- Entertainment was provided by Leo and Marianne, the singing group, a few people who performed a couple of skits..., and for us from Taranaki we discovered two more talents..., Beno, you played the spoons with aplomb and expertise, and Sylvia, your singing was absolutely terrific and we look forward to hearing more from both of you in the near future.

- An excellent evening was had by all, finishing with the 'Hokey-tokey' played well by Leo..., a great way to end the evening.

- The next morning we were invited back to the Swiss Club for breakfast. This was very pleasant and truly delicious. Our grateful thanks for the terrific hospitality extended by the Wellington Swiss Club..., everyone thoroughly enjoyed themselves and appreciated the efforts that you put in.

- We then said our goodbyes and left for a short tour of Wellington before our lunch stop in Petone. We then continued on the trip north..., a lot quieter as Rös had left her voice-box in Wellington !!

A pass-the-parcel had been organised and a few stops for drinks and toilets, and we were soon back home.

- All too quickly a thoroughly fun-filled pleasant trip had come to an end, and we were all looking forward to the next one in June.

Thanks Walter for organising the trip..., we'll keep you on for the next one !!

Cowbell competition 20/21 Feb. 99

Well the weather wasn't exactly wonderful, but as we all welcomed the rain, we didn't mind that we couldn't eat our 'Bratwurst' or 'Cervelats' in the garden.

After the BBQ we proceeded to serious business: Roland Schütz had spent just about the whole previous week on the phone to drum up support and able competitors - very successfully, as the results proved. We felt almost embarrassed that we won the Jassen, Shotput and Bowling.

The Taranakians took it on the chin however, and the defeat didn't spoil their appetite.

We had a great evening, with music (thanks to Taranaki) and dancing, and many good laughs and plenty of stories.

Next morning's breakfast in the clubhouse was well attended and appreciated - after a rather short night for some Taranakians.

See you again on Queen's Birthday Weekend - we'll need your support !

"Fritz Adams Cup Jassen"

The traditional "Fritz Adams Cup Jassen" took place on Saturday 13 March.

The eager players concentrated on the games, adjusting to the change of partners during each set.

Fred Wehrli seems to have a lucky card in his pocket as he is the winner for the times!....followed by Lotti Napp and Hans Buess.

- Delicious cakes with coffee followed before some friendly games started to round up the evening.

A very enjoyable night for the Jass fans !
