Wandertag:

The weather looked doubtful that Sunday morning, when the 13 adults and six children arrived at our meeting place in the Waitakeres, it was drizzling with rain. -

Undeterred by this, our leader Edith Hess led us into the bush. Here we hardly noticed the rain and soon the group of hikers turned into a happy bunch. This was fun for young and old alike. The little ones looked with awe at the giant Kauri trees.

- Bushwalking is like being in another world. Our leader, in her wisdom, had chosen 2 walks, a short one and a longer, harder one.

- So after a while, those with young ones opted for the short walk and the rest carried on. The weather turned fine! - After the hike we enjoyed our picnic lunch together.

When will be the next one? That is up to you, the members of the club.

- Many thanks to Edith who organized this walk.

Ongoing Events..

Singing

About half a dozen women from the club have been getting together every fortnight since September 1998 and we have collected a small repertoire of songs that we used to sing in our school days, and others that people taught us.

- We are slowly strengthening our sound, and after about an hour of intensive practising, we usually have a good laugh and chinwag, and general socialising.

- We are happy with our progress, and we are now looking for someone who is quite proficient in an instrument such as the piano, guitar, etc., to underline our songs, and to tell us whether we are in tune or not.

- If there is anybody out there with those musical skills who would be willing to join us on the odd occasion (it need not be every time if you are too busy), we would welcome you in our circle with open arms.

- Anybody else who loves to sing and can hold a tune about as well as we can, - and that's not too hard - Please give one of us a call to find out about our next meeting. We have plenty of room for new voices.

Swiss Society AGM, to be held in Wellington. We're organising a bus, so please ring Walter or Marianne as soon as possible to avoid disappointment. This should be a great weekend with the Swiss-Kiwi-Yodelers from Auckland entertaining. Certainly an evening not to be missed !!!

Look at the bargain Rös got while shopping during our trip to Wellington... (Report in last month's HELVETIA) Must've used all her energy pushing the trolley!!!

And what were those two up to in the back seat of the bus?

Past Events....

Swiss Club members in Ethnic Parade;

On March 27th the Swiss Club took part in the Multi-cultural ethnic parade in New Plymouth. We were fortunate to have had a very strong contingent..., many thanks to all those that came..., it was especially pleasing to see so many of our younger members taking part.

Many thanks to the parents who brought them along..., they are the future of our club, so it's great to see them participating. We had two flag-bearers, (the young ones setting the pace, eh Charlie & John?!..), Remigi throwing the flag, Johnny carrying the alphorn (thank goodness he didn't demonstrate how this works!), and five strong men carrying bells (making a lot of noise, which made us stand out in the crowd !!), with the women and children walking, it appeared that people appreciated our participation in the parade, and then at 1-30 pm. we took to the stage. - The children sat at the front of the stage looking grand and swinging little flags, the 'Trachtengruppe' performed, the singers gave several items, Ruedi played the alphorn with Remigi throwing the flag..., so all in all we gave a varied performance.

- It was also great to see some of our Swiss Club members in the grand-

stand watching the afternoon's activities.

- We all enjoyed watching other ethnic groups perform, and had pleasure in the whole day. Several ethnic groups provided lunch which many of us tasted..., this also proved popular (if not spicy, eh Johnny !!). Several of our group came to the Benkerts for coffee and we then ordered pizzas for tea. A thoroughly enjoyable day and evening, where even more singing was heard..., not even time for a game of cards !!! Grateful thanks to all those who attended the parade..., your participation was really appreciated, and we look forward to your attendance at the next one !!!

Riverlea School Jubilee;

We also took part in this excellent parade on Easter Sunday (unfortunately many members were away). The walk wasn't quite as lengthy, but the different floats were very impressive and interesting.

- Many thanks to Charlie & Doreen for providing us with a coffee and delicious home baking (and also the schnapps !!).
