I hope whoever has a computer with internet connection has been to visit the **Swiss Website**, created by Edi Brändli. It is very informative, interactive and accessible. If anyone would like to put a notice on the site, be it for Auckland, Wellington, Taranaki, Hamilton or Christchurch region, just contact any of the e-mail addresses included on the pages, or make a mention in the guest book. You can make contact with people around the world by going on the website. You don't have to be on the internet. Call us on any Tel. number below and we can arrange to have your message put on the cyberspace.

The more contributions we get the more interesting the site.

Edi frequently checks the guest book and answers any correspondence promptly. Make sure that you also browse through it, as your friends might have left a message for you.

For Swiss business people there is the chance to introduce themselves to the Swiss community and associated people. The site has a lot of bits left for stories and information of all kinds.

For any queries the traditional way, feel free to call Trudi Fill 376 4923, (e-mail: weidfill@win.co.nz) or Edi 444 3020, or via website:

Once again our six card evenings have come to an end for another winter. As always, these have been well attended and enjoyed by everyone. Congratulations to this year's overall winner, Vitus Achermann, as well as to all other evening and overall prize winners. Thank you to all card players for coming and taking part, and helping to make our card evenings so enjoyable. A big 'Thank you' also goes to the many people who helped towards the success of these evenings: the ladies who gave much of their time preparing and serving the delicious suppers and providing prizes; members who donated extra prizes; all who were involved in 'running' the evenings so efficiently; transporting our gear to the venues; and everyone who helped set up and clear away card tables each time. The time and work contributed by so many people is much appreciated.

On Saturday, 10 July 1999, a long-standing Hamilton Club member, **Louis Steiner**, passed away peacefully aged 82 years. To his wife, Mary, and five children we extend our deepest sympathy. (full obituary will follow) BL

Peter Weiss 1930 - 1999

Peter was born on the second Feb. 1930 in Männedorf near Zürich. At the age of 6, Peter's father died and together with his 2 brothers he was brought up by his mother who remained an important figure throughout his life. Peter did all his Primary and Secondary schooling in Männedorf and after a short period at teachers training college in 1946 he started working on a farm. In 1948 he entered Agriculture College 'Strickhof' in Zürich, graduating with diploma in agriculture. Peter left Switzerland in 1950 and set off by bike on his first foreign venture, traveling and working on farms in Holland, Denmark and Sweden. He didn't like the cold climate in the far north, but it was in Denmark where he met someone who told him; "if you want to go farming you should go to New Zealand". Shortly after, Peter returned to Switzerland and worked in a home for young people. It was here he met his wife Margrit. - They decided to emigrate, first spending a year in England to learn some English.

- Margrit and Peter were married in 1958 and soon thereafter set out for New Zealand.

Arriving at Wellington they were greeted by Ruth and Hans Messmer.

- After milking cows for a year in the shadows of Mt Taranaki, they were offered a sharemilking job at Brophy's, where they remained until 1964. During this time three boys were born, Thomas, Martin and Sam. It was at that time that Peter had his sights on a farm at Pokuru near Te Awamutu. They moved to the new property in 1965 and it was there in 1967 that daughter Susanne was born.

A time of major change on the farm saw Peter taking up the challenge of growing maize. He did this with some success, winning a trophy for highest yield.

- Peter went on to work for and later managed Allied Grain Cooperative in Te Awamutu from which he retired in 1987. - In the meantime he had bought the "Hill Property" at Raglan in 1985 where he began several plantations of mixed native bush with exotic forests. He loved nature in all its form and lived there until his untimely death due to a road accident on June 5th. 1999.

M.S.

The Swiss community extends sincere sympathy to Peter's wife Margrit and families. - May He rest in peace!

Environment Award winning Swiss Farming Couple

The Swiss community of Hamilton and the Waikato have reason to feel very proud of **Theresa & Joe Risi** with Sharemilker son **Stephen** as this years winners of the **Farm environment award**. Joe and Theresa Risi are son and daughter-in-law of the late Walter and Marie Risi, co-founders of the Hamilton Swiss Club, and they together with son Stephen farm a 340-Cow dairy-farm (180 hectares) adjacent to Lake Karapiro near Cambridge.

- Reading in the **June Dairy Exporter** we learn that the much contested award is granted annually to the farm showing best **profitability** combined with **sustainability of the environment**.

Theresa and Joe took over the farm in 1982 and converted it from sheep to dairy having regard to the environmental impact of such a conversion. They have planted approx. 27 hectares of pine and native trees on parts of the farm less suitable for grazing dairy cows. Such plantations are environmentally friendly, giving protection from erosion, providing shelter for animals, and encouraging birdlife. As a long term investment, exotic species harvested periodically from such plantations can make the undertaking cost effective.

-The Editor of HELVETIA and his team together with the Hamilton/Waikato Swiss Community join hands in congratulating Theresa, Joe and Stephen on receiving this Award.

Anniversary Shoot - 1999

This was held on the 4 July 1999. The attendance was 22 less than in the previous year, the reason for this being that some of our 'regulars' were away on holiday or had to take part in sports events, etc. But we still had 96 people for the meal and they all enjoyed the delicious Rippli and Sauerkraut. After dinner and a nice cup of tea or coffee, we got into the swing of things! First we handed out all the cups, medals and trophies for the 1999 smallbore shooting. Then we started reading out the scores for the day's competition, where everyone gets a prize for either shooting or skittles. We had 75 competitors in all (38 shooters and 37 skittlers). In between, we were entertained with lovely swiss music by our own Maria and Zeno. Many thanks to you both. The evening continued with the more favourite part, for the children at least, with the spinning-wheel, the lollie raffle, and the mystery prize draw. It then ended with the names prize-draw, a small supper and more good music!

The Price of a Telegram

Many members will remember when we sent funny telegrams to be read out at weddings, and used telegrams because they were cheaper than toll calls.

In fact many businesses relied on the speed and efficiency of telegrams to advise prices, or confirm 'details' etc.

Then it cost a few pence (cents) per word. Today N.Z. Post operates the Telegram Company, and your completed form is either telephoned in or handed into the nearest Post Shop.

- However, you may be staggered by the costs;

Within N.Z. **minimum charge** for up to 100 words **\$ 15.50**, and each additional 50 words \$ 5.00

- However, **"Urgent Telegrams"** are sent only to Auckland, Wellington or Christchurch cost \$ 25.00 or **\$ 40.00** if delivered on a Saturday.

Note - no deliveries on Sunday. Delivery of your telegram to other than a pre-selected list of 16 main centres will be sent by Fastpost to reach people by the next working day, or if rural, may take longer. In other words - excuse the pun - one may as well send Fastpost letters. They do however set a 2 hour delivery target within the three main centres if sent

urgent on weekdays within business hours. It is certainly faster to telephone, send a Fax or E-mail and of course a lot cheaper. Overseas telegrams cost \$1.00 per word, and words of ten or more letters are charged as two words.
