# HELVETIA

### Do you know the name of this Swiss holiday resort?

The best description of this, the unofficial capital of Switzerland is "Little big city" on the shores of the lake with the same name. This is a commercial and financial centre with the fourth-most-important stock exchange in the world. Four church towers dominate the city skyline; the twin towers of the Grossmünster, the single tower of St.Peter's and the slender spire of the Fraumünster cathedral. In close proximity of Kloten Airport, this city offers over 100 hotels with more than 10,000 beds for the many visitors. Several art-galleries, thirty museums including the 'Landesmuseum' (Swiss National Museum) make this a very interesting place to visit.
