Do you know the name of this Swiss tourist destination ?

Situated on the shores of lake Geneva, halfway between Lausanne and Geneva, you will find this French speaking town of approx. 15000 inhabitants. Well within a lovely wine growing area this town has features such as a castle, fortifications, towers, fountains and patrician houses. The castle built in 1767 is situated on a plateau above the town and provides visitors with a beautiful view of the mighty 'Mont Blanc' massif. The annual Paleo Festival, one of Europe's leading music events, is held here. - The 3 Roman columns pictured in our photo were discovered in pieces and were placed in the "Place des Marronniers" in 1974 to mark the 2000th anniversary of the town's foundation.

The Winner of this competition will receive a \$ 10.- voucher, and will be announced in the following issue of HELVETIA. If there are a number of correct answers there will be a draw. The judges decision is final and no correspondence will be entered into.

- Please send your answer printed clearly together with your name and address on the back of an envelope, to; HELVETIA competition, P.O. Box 4035, Hamilton, by the 15th of the month.
