April 2001

Do you know the name of this Swiss holiday destination ?

Travelling by rail from Lucerne to Zürich you will reach this town about half way. This town is the Capital of the Canton with the same name and borders the lake with the same name. The town benefits greatly by the proximity to Zürich, the great business, financial und cultural centre of Switzerland. Thanks to the very attractive tax rates here, the lowest in the country, international finance companies rub sholders with major industrial concerns. As a tourist you might visit the St. Oswald's Church, a three nave basilica, or you might want to see the "Zytturm"-tower, the town's most famous landmark. It is 171 feet high and has served a number of purposes. In earlier days it not only acted as fortified gate to the town, but also as a prison and a watch tower for fires.

The Winner of this competition will receive a \$ 10.- voucher, and will be announced in the following issue of HELVETIA. If there are a number of correct answers there will be a draw. The judges decision is final and no correspondence will be entered into.

- Please send your answer printed clearly together with your name and address on the back of an envelope, to; HELVETIA competition, P.O. Box 4035, Hamilton, by the 15th of the month.
