Do you know the name of this Swiss tourist destination?

This is the Capital-town of a half-Canton with the same name in eastern Switzerland. Visiting this place you would travel by car, postal coach or by train on the route Gossau, St.Gallen, Herisau, Urnäsch, Weissbad and leaving the train at the next station. With its 6000 inhabitants this town resembles many villages in the region with some distinctive exceptions. The houses in the center of town are very artistically decorated. There are several craft shops selling practical and decorative souvenirs related to the folklore of the area. The panoramic view of the town is dominated by the St. Maurizius Catholic Church and in the background you will see the Säntis mountain.

The Winner of this competition will receive a \$ 10.- voucher, and will be announced in the following issue of HELVETIA. If there are a number of correct answers there will be a draw. The judges decision is final and no correspondence will be entered into.
