Do you know the name of this much loved Swiss mountain?

Tourists as well as locals love this mountain with its female name, with alpine pasture reaching to the top at 1800 meters and with two mountain railways. You may board the one train at Vitznau, a picturesque town on the foot of this mountain on the shores of lake Luzern, or you may choose to start the rail journey on the other side of the mountain at Arth.

Swiss children usually learn at an early age the unique folk song "Vo Luzern of Weggis zue" and verse five of this song describes the lovely mountain flowers, the *Alpenrösli* that grow among the alpine pasture of this mountain. The oldest Swiss-'Kulm-Hotel' at the very top of the mountain is world renown as it is on this spot that a splendid panorama of 'The Alps' presents itself to the viewer.

The Winner of this competition will receive a \$ 10.- voucher, and will be announced in the following issue of HELVETIA. If there are a number of correct answers there will be a draw. The judges decision is final and no correspondence will be entered into.
