Dear members,

The year is slowly gaining momentum. After our picnic we had the Auckland Society games on Sunday 10th March, in which some 10 people took part. Thank you to all who made the effort, for coming up.

Our Youth camp is now postponed till later this year or early next year, unless strong interest is voiced from the teenagers' quarters. Remember, the facility at the farm is very comfortable now and lends itself to a great camp place. With all the sanitary and cooking facilities in place and a bunk house that is very water proof and warm, and all the bush around it to play games and test your ability in. AND: No noise control.

Picnic

The annual picnic was held on Sunday, 24th February on what started out to be a fairly dismal day. However the committee was at the Eureka School bright and early to set up for the Kegeln and food stall, hoping the weather would improve. We were very lucky that we only had a few spits of rain and a fairly steady breeze so it didn't put too many people off.

By lunch time most of the people had arrived and the two Kegel alleys were very busy. We had many participants for the medal competitions, including a lot of children, and also lots of members tried their luck for the Kegel Trophy. Congratulations must go to Rinaldo Rust and Anita Zuber who were the lucky, and maybe skilful, participants on the day.

There was also a fairly big queue at times for freshly grilled sausages, which always seem very popular. After a while some children braved the swimming pool and before long the pool was full. We also had a lot of children waiting for the lolly scramble while their parents enjoyed hot coffee and a big selection of Swiss baking.

It proved to be a successful day after all. Many thanks to all the helpers and committee.

Forthcoming Events

Family Walk

Sunday, 7th April, 10.00am

The club is organising a family walk in the Pirongia area for all age groups.

There is a nature walk which would take about one hour of very easy walking on a well graded track, with some board walks, and two or three very short sections of steps. This would be an ideal walk for young children and the not so young.

Fitter people could tackle the more difficult but rewarding track up to Wharauroa, time there and back being about 3-4 hours. On a fine day one can see large parts of the

Waikato.

Everyone should bring their own picnic lunch and drinks in a small backpack. We will meet at the carpark above Park Lodge at about 10.00am.

Directions: From Hamilton, drive towards Pirongia on S.H.39. After Te Rore Hall, turn right into Te Pahu Road; left into Hodgson Rd; left into Grey Rd. At the end is the Park Lodge, where you drive up the short narrow road to the top carpark. If the weather is doubtful or you need any further information, please ring Vitus on 07 855-2841 before 9.00am.

Annual General Meeting

Saturday, 13th April, 7.30pm

The club's AGM will be held at Swisscraft, Colombo Street, Frankton, commencing with drinks at 7.30pm, followed by the meeting at 8.00pm. As always, the club needs a hard working committee and we are always looking for more helpers. Many hands make light work! Please consider joining our committee - anyone interested is welcome to contact an existing committee member, who will be able to inform you about what we do and nomination at the meeting.

We look forward to seeing you there and showing your support.

A light supper will be served at the conclusion of the meeting.

Basler-Fasnacht 2002 - Swiss Carneval-Basel (18.2.2002)

This is a parody (Schnitzelbank) produced by the Basel Carneval Club calling itself "The Antique Club 1969". The theme of this parody reflects the friendly rivalry between Basel (the less imposing Brother) and Zürich (the big Brother of importance)! What cannot be denied is the fact that Basel joined the Swiss Federation 'only' some 500 years ago, while Zürich can boast a 650-year membership!

650 Joor fühl am Blatz ? !

Wo Uri, Schwyz und Unterwalde
sich finde fir e Bündnis z gstalte
und uff em Rütli die sich schweere
as si vo jetz aa zämmegheere,
do hän si uff dr Bindnis-Wolge
an alles dänggt — nur nit an d Folge.

Ziiri-Basel, s isch bekannt,
sin alles and're als verwandt.
Als Bebbi liebt me, wenn me goot,
und dä Kanton ganz gly verloot.
Au dä Spruch, alt soho und maroof,
dä lauft sich mittlerwyle d doot.

Worum denn muess der Bebbi hylle
wenn är derf — muess — uff Ziiri schiile?
Will är gnau waiss was denn bassiert,
wird ebbis derthii exportiert.

S Färnsee, z Basel isch s gebore,
het doch sy Charme total verlore.
Syt Ziiri das het an sich grisse
isch das Brogramm doch ehnder bsch...alde.

Bim Radio isch s ebbe s glyche,
z Basel no e Studio-Lyyche,
grad no rácht isch s fir s Lokale,
fir dä Mischt muesch denn au no zaale!

Bim Verkehr — z erscht uff dr Strooss,
dert goot dr näggschi Eerger los:
E Autibaan — dasch bsunders glatt,
hert aifach uff vor däre Stadt.
Uff dr Schiine isch s au doof,
do landisch im e Saggbaanhof.
Als näggschts, do kemme mer zem Fliege,
au das het Ziiri misse griege.

Und? — Was hän si jetz dervo?
D Swissair het se jetz verloo.
Mit Ibermuet und Misswirtschaft
het me au dä Laade gschafft.
Zerscht wird d Balair ykassiert,
denn d Sabena duuregschtiert
und s Resultat — es isch bekannt,
d Basler Crossair wird verbannt.
Ains, das waiss me iberall:
S kunnt Hochmuet immer vor em Fall!

Nur Ziiri het das noonig gheert
und git sich total unbeschweert.
Me will e Wältstadt sy — herjee:
E Blöff mit diggem Bortmoneel!

Mir wänn und kenne s nit verstoo,
as me die so ka mache loo.
Was däâne gisch, es isch verruggt,
wird aabegmacht und zämmedruggt.

Dr Nabel vo dr Wält mechtsch sy?
Liebs Ziiri, gsee s doch ändlig yy:
Mer schetze Di, will de sunscht brav bisch,
als Zentrum numme geografisch.
Doo darfesch Mittelpunggt Du sy,
doch alles and're gheert an Rhy!

Basel muess sich nit verstegge,
het schliesslig dr Dreyländeregge!
Wältoffehait isch uns'ri Sach
Fir das, liebs Ziiri, bisch Du z schwach!
Mir hän doch ebbis uff dä'r Wält,
wo de nit kaufe kasch mit Gäld:
Z Basel zellt nit d Arroganz,
z Basel läbbt me Toleranz,
drum wänn mer ys au nit beklaage
und Eych in allem Aaschtaend saage:
Miir z Basel leese das Brobleem,
miir ziehn däm Ziiri Leu scho d Zeen!
Mer nämme Eych an d Hand, brobiere,
Eych do in Basel z integriere.

Vor rund 650 Joore
hän d Zircher sich däm Bund verschwoore,
wänn sich au Aidgenosse nenne,
und sich zue däm Bund bekenne.
«Ai ainzig Volgg, es blybbt derby!»
Nur — mien das alles Zircher sy?
Jetz will me fyre — grooss und mächtig,
und dekoriert dr Baanhof prächtig.
Dert inne wärde Reede gschwunge,
Muusig gmacht und Liedli gsunge,
denn präsentiert me hooche Gescht
e Fyfwärgg denn am Ziiri-Fescht.

Eh, tschuldigung — loosed jo gnau:
Das Fescht, das hän mir z Basel au!
Zwor erscht fimmhundert Joor isch s här,
nur isch s bi uns hält nit so läär!
Bi uns, do lauft e ganzi Schwetti!
Glaubsch s nit? — Denn froog dr Tomasetti!
Bi uns lauft sovyl, s isch e Hit,
s waiss s sâlzscht dr Tomasetti nit!

10 March:
Brunch at the Clubhouse

This was the second brunch the Committee organised and it was more successful than the first in November.

20 people enjoyed their bacon and eggs, coffee and Zuepfe in convivial company while the keen marksmen and women availed themselves of the opportunity to finish the Swiss Society medal shooting programme.

Forthcoming events...

20 April:
Annual General Meeting,
7.30 pm at the Clubhouse

Invitations with the Agenda will be sent out to members well in advance.

Now that we have our very own Clubhouse, we do need keen members to make use of it. A healthy Club can only function if the workload is spread more evenly amongst its members and more brains are tapped for an innovative approach to problem solving and planning of events. There are vacancies in the Committee that need filling. We beg every one of you to seriously consider offering your services, even if it is only for a year or two.

It can even be fun! Please let Roland Schuetz know if you are willing to stand for election.

There are a number of important issues that have to be decided at the meeting and it is really important that as many members as possible attend.

On 16 February the Club took part in a cultural event held at Ray Blank Park, Christchurch.

The stall from the Swiss Club Committee was a huge success, and countless portions of cheese raclettes and chocolate fondues

Movie AGM

(41st Annual General Meeting)
Thursday, May 16th, 7.00pm, at the Old Stone House, Shalamar Drive.

The meeting will be followed by the Swiss movie *Journey of Hope*, directed by Xavier Koller, in Turkish and German (with English subtitles). The film, winner of the 1991 Academy Award for best foreign film, will be shown on a giant screen.

Journey of Hope is based on the true story of one man's dreams for a better life. Haydar, a poor Kurdish villager, with his wife and their seven children, dream of a 'paradise' in Switzerland, and so they sell all their possessions and emigrate illegally to build a better life. Taking his wife and one child, they are at the mercy of their smugglers - and as the journey progresses, they find that each step they take becomes more expensive. By the time they reach the Swiss border, they have lost most possessions, and all of their money. With nothing but their dream, they face the most difficult part of the journey - crossing the brutally cold and dangerous Swiss mountain slopes on foot.

Journey of Hope shows every step of their passage - a perilous adventure towards the promise of a new life; and a search for that greater land where every dream you dream comes true!

An electrifying way to tour Ticino

If you arrive in Ticino by train and have a rental car waiting for you at the station – chances are it will be plugged into the nearest electrical socket.

Instead of kicking the tyres or making notes of any dents or scratches, your first step will be to open the boot of the "Easy Move" rental car, grab some cables and find out how to master the simple procedure for recharging the car battery.

"This plug can be used in any household electrical socket as long as the house has 16 amp voltage," says Gianni Scagliola, owner of Easy Move. "There are places all across Ticino where the battery can be recharged for free, and where the car can also be parked for free." There are 50 recharging stations in Ticino and the Easy Move vehicles can be hired at most railway stations by the hour or day. A day rental costs about SFr50 (\$30) for holders of a rail pass, about half the price of a normal rental car in Switzerland.

Swiss pay last respects to marathon star

Over 1,500 people attended a memorial service at Lausanne cathedral for the deceased Swiss marathon runner, Franziska Rochat-Moser. Many personalities from the world of sports and politics came to express their sympathy to the athlete's family and her husband, celebrity restaurateur Philippe Rochat of Crissier in canton Vaud. The state and local authorities, as well as representatives of the cantonal parliament also attended the ceremony.

The talented marathon runner earned international recognition in 1997 when she won the prestigious New York marathon. Two years later she set the current Swiss marathon record when she finished the Boston marathon in second place with a time of 2:25'51". After struggling with a recurring hip problem, Rochat-Moser announced her retirement from the sport last year, but remained heavily involved with the running world.

Switzerland - a biker's paradise?

Switzerland's mountainous terrain is no deterrent to cycling enthusiasts! Although Switzerland is popular with cyclists, bike manufacturers have encountered bumpy roads. One after another has been forced to close. Switzerland's dense network of bike paths includes nine signposted national tour routes totalling 3,300 kilometres, which link the different regions of Switzerland. The network is completed by another 3,000 kilometres of regional cycle tracks. In the year 2000 alone - more recent figures are not yet available - the network was used 3.4 million times, either for day trips or for tours lasting several days. Almost half of those discovering the country by bike were Swiss, while most of the bikers from abroad came from Germany.
