Kegeln

Kegeln has recommenced under the leadership of Johnny Bishop. It is great to see a few new faces, and we hope that you enjoy "kegeln", and get heaps of practice for the Society Competitions and then of course the final of the Cowbell competition which will be held in Auckland. Johnny appreciates your continued support, and encourages new members to attend too ... you will have a lot of fun and learn a skill or two too!

Hosting Tour Group from Switzerland

From 1st to 3rd of March we hosted a group of Swiss tourists. They arrived from Rotorua, and were fortunate to get through the Awakino Gorge!!! We had had much rain in the few days prior, and were hoping that it would clear up for the visitors to enjoy our province ... our wish however was not to be granted, but the weather was at least a little better than it had been the previous week!!! The first night the visitors spent time with their hosts, and the following day met at the clubhouse at noon for a trip to the Mountain House. They enjoyed a delicious lunch with Charlie Schuler, John Kuriger and Paul Amstalden joining them. As it was quite wet, they enjoyed the lovely atmosphere at the Mountain House, and I am sure that Berta enjoyed having them too!!! In the evening we held a potluck tea with our visitors, and provided entertainment. Othmar

played the trumpet and alhorn beautifully ... you certainly have many strings to your bow!!! Zeno as usual played for the singing group and gave numerous solo items ... everyone always appreciates and enjoys your musical talent, Zeno!!! The singing group performed, and the tour group too gave some items (many of the men were in a "Mannerchor"), and the evening's entertainment was great and varied. The tourists certainly appreciated being in Taranaki (even though the weather didn't play its part!!!) and left the following morning for Wellington. We hope that they had a wonderful time in New Zealand, and look forward to seeing them again some time.

March 5 - Annual General Meeting of the Taranaki Swiss Club.

This was held at 8.00pm at the clubhouse with 31 people present. Walter gave a rundown of the year's activities ... and we have certainly been a busy bunch!!! It was wonderful to recollect the memories of the past year, and we look forward to the next one. We had one resignation from the committee ... Doreen Schuler who has served loyally as secretary for the past 24 years ... what commitment!!! We all thank you Doreen for all the time and effort you have put into our club, and for the countless minutes you have taken ... even if some of us have LLLLOONNNNGGGG names! We wish you well in your retirement ... and hope that you can somehow fill the time that writing all those minutes took! However with Charlie still on the committee we know we will still see you very often! Her place has been taken by Paul Amstalden, and we congratulate you on

your appointment ... we hope that you will enjoy taking those minutes! I have listed below our committee, so if you have any queries regarding our functions, please do not hesitate to call one of them.

True hospitality without compromise

as possible ... it is so motivating for your committee to see good attendances.

Our thanks go to Charlie and Doreen Schuler who have been organising the cards (euchre and jassen) for the past ?????? years. They now need some time off! You have done a terrific job, and we truly appreciate your efforts. We are fortunate to have Erna Zimmermann who will take over running the cards, so please come along and support her and the club during the winter months. We are a noisy bunch, but enjoy our cards!

Karabiner Prizegiving

On March 9 the annual potluck tea with the Karabiner Prizegiving was held. About 45 people attended this function ... they enjoyed each other's culinary delights and applauded the efforts of the shooters who did very well indeed (again!). Top shooters during the year were Mark Kiser and Erwin Kiser ... must be a family strong point. Well done guys, and keep it up. Remigi was particularly pleased to have two juniors who did very well too ... congratulations to Sami Werder and Michael Kiser (another Kiser good at shooting!) for your efforts. We hope you continue to support the Karabiner Shooting Club. If you are interested in this shoot, please call Remigi on 06 272 6438 and he will let you know when the next shooting day will be.

Forthcoming Events...

April 1 & 15 - Kegeln is on ... be there!!! It's not an April Fools' Day joke! Fun had by all.

April 4 & 18 - Cards start again. Be there for a punctual starting time of 1.15pm. Jassen and euchre are played, and two cups are up for grabs.

May 2 & 16 - Cards are on again ... join Erna for a lovely afternoon's activity.

May 3 - Mr Georg Stucky will be in NZ in May, and will be at our clubhouse on May 3. He

is president of the Organisation of the Swiss Abroad, and is an ex-Member of Parliament. A get-together will be held at 7.30pm where he will try and answer any questions you may have. A previous such meeting proved popular, and was very interesting. Please bring a plate for supper.

May 6 & 20 - Kegeln is being played from 8.00pm. Join Johnny and crew for a great night's entertainment. Cards are also played.

May 22 - Championship Shoot is on from 11.00am, and Preiskegeln will be held from 1.00pm. This is a fun-filled afternoon of friendly rivalry ... so come and give it a go. From 6.00pm to 8.00pm the fondue and/or sausages and salads will be served. A delicious meal and wonderful entertainment.

May 30 - The Swiss Society Competitions will be held. The disciplines of Shooting, Shot Put, Kegeln and Jassen will be played with the top 20% receiving medals ... juniors will have their own section, so come along parents, and bring your children along ... they will enjoy the competition and the company of other children. A good social day with a competitive edge. This day starts at 10.00am, and bring your own lunch. Afternoon tea will be held at the end of Jassen.

From June 5 to June 7 we will be heading to Auckland to take part in the final of the Cowbell competition, and to attend the AGM of the Swiss Society. We envisage taking a bus, and ask that all keen participants phone Walter on 06 762 8559 to book their seat. A terrific weekend is guaranteed, and we look forward to filling the bus!

From the Shooting Corner: thank you to all those who attended the 50 metre Swiss Society Shooting competitions which were held on Saturday, 21st February at the Elmigers' farm in Te Aroha. After putting up raincovers and side shields to keep us comfortable, we ended up having a pleasant event without getting wet. There were 15 competitors. The winners were all those who attended, with the rest falling in to the loser category. Congratulations to Walter Zuber for obtaining the top score with 71 points. Also many thanks to Erika and Ueli for letting us use their property in Te Aroha for the last time and for the bottomless "Kafi-Schnapps" afterwards. Now we're looking forward to the new venue at Lake Karapiro next year. **HV**

The annual family picnic was held on Sunday, 22nd February at a new venue at the Newstead Country School. As most of you will know, there were not many fine days in February and this particular day's weather forecast was for gusty wind and rain, but luckily for the Swiss Club, the weatherman was wrong, and we were very lucky to have a lovely sunny day. It was nice and warm with just the occasional bit of wind. It was good to see many new faces turn up as well as a lot of the regular participants. The new venue seemed quite appealing and one area was particularly sheltered with lots of seating and shade provided, so it was a great place to just sit down, enjoy some delicious food and have a chat with friends. The bowling alleys were busy all day long. Congratulations to Trudy Wilson for winning the Bowling

There was plenty of grilled Bratwurst and Cervelats to be enjoyed as well as a great selection of Swiss baking and of course coffee schnapps was popular. Many thanks to all the helpers throughout the day. It always seems a long busy day but many hands make light work.

HD Dear Compatriots,

The Boundary walk happened, as promised, in gleaming sunshine, and about 17 of us wandered up hill, down dale in this lovely bushland. The younger ones among us did very well and took on the steep slopes of the eastern leg with gusto and raced well ahead of some of us older ones who puffed bravely in the heat. (For special neck cooling systems I refer you to Fritz). We were rewarded with the stunning views, of which I am always proud, towards the two harbours, and we could even spot the Sky Tower

in the distance. (Mt Egmont/Taranaki, unfortunately, was concealed by mist). It gives one this feeling of pride in being part of such beautiful countryside. We were amazed by how many quarries there were in the neighbourhood. After lunch in a nice mossy clearing with the obligatory tree climb by the young monkeys, we headed down past our pine stand which has just been trimmed and looks very tidy. The neighbour's felling activity in the past months left our western boundary quite exposed but opened up the view over Waitoki area which was quite different from last time. Thank you to all who participated, it is nice to share a lovely Sunday with lovely people.

Congratulations to Andreas Zickert and partner to the Christmas birth of their baby.

We wish you joy and happiness together as a family.

**Kurt Robert Suter
(1908-2004)**

**Life Member
Christchurch Swiss Club**

With real regret we extend our sympathy to Evelyn and Wendy, Bon and Lindsay on the death of their beloved husband and father.

Kurt was one of the foundation members of the Christchurch Swiss Club and has been an active driving force until poor health curbed his involvement.

Born in Wohlen in 1908, Kurt, at 20, emigrated firstly to Australia and in 1930 to the mountains in New Zealand.

He worked at the Hermitage (for no pay at first) guiding and building the mountain huts. In 1935 Kurt contracted to run the cookhouse at the Homer Tunnel construction site. Mt Suter in Fiordland is named after him as a commemoration of the effect of his time and efforts there.

In 1938, Kurt left to organise from Burma, a climbing expedition to South West China, Yunnan Province. Probably the last 'foreign' climbing group before the Communists took over and closed the borders.

At war outbreak, Kurt returned quickly to New Zealand, joining the Air Force, but still fitting in climbing and shooting.

In 1943 Evelyn and Kurt married in Dunedin and went poultry farming, firstly in Oamaru, before moving to Banks Peninsula, bringing up the family and farming sheep.

Retiring to Christchurch in 1967, Evelyn and Kurt kept 5 acres - the 'Swiss Chalet' in Akaroa where for 23 years many Swiss Club weekends, picnics and BBQs (including the famous Swiss Navy visit) were held. Kurt helped organise 'feasts' for many August 1sts.

Kurt died on January 10, 2004 aged 96. A great, modest man to the last. He had a rare energy and enthusiasm for life.

We will miss him.

We are holding high hopes of having the big bell in town for at least a year. This is the first official function of the day and starts at 9am on Sunday. We need your support for this.

Three typical Swiss Sports

There are three typically Swiss sports - Schwingen, Hornussen and Steinstossen.

-Schwingen ("swinging") is a form of wrestling in which the contestants seek to throw one another by grasping the short trousers of coarse linen which they wear.

-In Hornussen one team, the "strickers" (Schlager) are equipped with long (2 metre - 7 feet) flexible clubs with hardwood heads, with which they drive the Hornus, a disk the size of a man's hand, as far down the field as they can. The object of the defenders (Abtuer) is to catch the disk before it reaches the ground with their large wooden bats.

-In Steinstossen ("tossing the stone") the object is to throw a large stone weighing 83.50kg (184 pounds) as far as possible; the record stands at about 3.50 metres (11 feet).

Handgliding - this new sport has become increasingly popular in Switzerland in recent years. There are many hand-gliding schools.

Climbing - Switzerland is the classic country for mountaineering, which has become increasingly popular as a sport since the middle of the 19th century, when it was pioneered by British climbers at Zermatt. The Swiss Alpine Club, founded in 1863, has built up a network of paths and huts to facilitate access to the mountains; and the central Alps, with numerous peaks rising to over 4000 metres (13,124 feet), offer the most magnificent glacier walks and climbs in the whole of the Alps. There are a number of excellently run climbing schools in Switzerland, providing instruction both for beginners and for those who want to learn specialised techniques. In most schools it is also possible to obtain guides.
