Kegeln

This has started again with a hiss and a roar. Keep attending so you are well practised for the Swiss Society competitions and also to be able to help our cause in the final of the Cowbell Competition in Auckland. They always have a lot of fun, and enjoy a terrific supper afterwards, with the inevitable 'cafe schnaps'!!!

Cards

This has started very well, with Erna having run her first cards afternoon. This was relatively well attended, but as always we welcome any new faces (and the older ones too!!!). Plenty of fun to be had, and two nice trophies are up for grabs. It was great to see some new faces at the cards afternoons, and we hope you enjoyed yourselves and will come again.

Winners on April 4 were:

Jassen:

1st - Margrit Suter; 2nd - Joe Buhler; 3rd - Berta Hughes; Booby - Maya Stutz

Well, Margrit you obviously haven't lost your touch ... and Maya ... well what can we say ... you need some practice!!! Especially if you're wanting to help, not

hinder, us in Auckland in the final of the Cowbell Competition!!!

Euchre:

1st - Edi Fuglistaller; 2nd - John Kuriger; 3rd - Albert; Booby - Charlie Schuler

Well done Edi ... Charlie maybe you'd better play Jassen next time!!!

Karabiner Shooting

Remigi has started these days once again. Please ring him if you are interested, and he will let you know when the next shoot will be. Beautiful medals to be won. Give it a go, otherwise you may never have known how good you could have been at shooting 300 metres!!!

Competition Entries

We have received a few entries into the competition for the dinner for two at our fondue evening. In one entry there was even a town name that I hadn't realised was in the wordfinder!!! Please keep them coming in, and you never know your luck!!!

Correction: In the article written in the last issue about the picnic there was an error in the Trophy Bowling results. The article stated that Trudy Wilson won both the trophy and the teapot with 23 points, where in fact Karl Waldvogel won the trophy with 24 points. Our apologies to Karl and congratulations!

Weekend in Auckland On the weekend of 20th - 21st March, we were hosted by the Auckland Swiss Club for two separate events - the Swiss Veteran Shooting, as well as the Society's Cowbell semi-final competitions. Members of the Hamilton Club were invited to partake on the day Henry Werffeli organised for the Swiss Veteran Shooters. On the Saturday, eight of us made it to Kaukapakapa and had a great day. For some, our shooting was not the best, but we made up for it socialising! The dancing and singing was certainly no

indication that this was a gathering of grandparents!! Congratulations Henry and helpers for organising such a super day. For the 61 tourists it will definitely be a most memorable day - if not the highlight of their trip.

More of our members arrived on the Sunday morning for the competitions. It turned out to be very one-sided, with Auckland dishing out a four to nil 'hiding'. It may have had something to do with the Chiefs losing the night before; but for some it could also have been that they just can't take a good night out any longer!

Thank you, Auckland Club, for a very enjoyable weekend and best of luck against Taranaki in June.

Family Walk

On Sunday, 28th March, about 32 members and friends met by the Boat Club at Lake Ngaroto, near Te Awamutu, for another of our now-regular family walks. The weather report was for occasional showers, and although the wind was quite strong and chilly, the showers eventuated as only an odd spit of rain, and the sun showed itself every now and then. Everyone was wrapped up warmly, and the group set off on the hour-long walk around the lake just before 11.00am. It was a very easy walk with most of the track weaving through Manuka bush, occasionally through a paddock and then some nicely made boardwalk through the swampy areas. Everywhere was very warm and sheltered until we came back to the Boat Shed which was very exposed to the wind. After returning to the car park it was time for lunch. Although a barbecue was available at the site, it was lucky that only a few people brought along food for grilling, as the wind slowed the cooking down considerably, and some people were getting quite hungry! We all gathered around on a collection of rugs and folding

+ Obituary +

After a short illness, Bernard Napp senior passed away unexpectedly on 9th of April 2004.

During later years Bernard lived out in the country on his farmlet. Bernard was active in the early days of the Wellington Swiss Club. When the offer came to transform a chicken shed on Fuhrer's property, Bernard being an architect put ideas to paper. Under his leadership a team of able club members worked hard and a beautiful, homely clubhouse was finished in 3 months. All his life Bernard was a hard worker in his quiet, unassuming way. He was much appreciated and valued. The Wellington Swiss community extend their deepest sympathy to Lotti and her sons Bernard jun. and Gregory.

auckland@swiss.org.nz

Hi Auckland

We had the great honour of hosting The Swiss Senior Shooting Federation delegation shooting competition with our local Shooters here in Auckland, at our Kaukapakapa 'farm', which was very successful (read the report in this issue). Goes to show what a great venue the farm has developed into in the past few years. An important feature that enables us to cope with such events must be the installation of permanent power supply there... one of the many things that has been added to the Swiss meeting place since I have been involved.

The committee is again newly formed, and as I expect to be watching from a bit of a distance (not too far if I can help it), I wish the new members all the best, and that they quickly find the new team humming with activity.

The new programme for the club year will be announced in the next issue.

There is just one event I want to make mention of:

The Society Annual General Meeting in Auckland, at Queen's Birthday Weekend (see programme in this issue if you have lost the one we sent you).

For any cake donation or offers of help of any kind, please call Edith Hess Tel. 444 6972.

One part of having a team hum is, to my mind, the very subtle skill of a leader to bring out the best in each player. I would like to give you on your way the words of one of the greatest leaders in history:

"Our deepest fear is not
that we are inadequate.

Our deepest fear is that we are
powerful beyond measure.

It is our light, not our darkness
that most frightens us.

We ask ourselves, who am I to be
brilliant, gorgeous, talented, and
fabulous?

Actually, who are you not to be?

You are a child of God.

Your playing small
does not serve the world.

There is nothing enlightened about

shrinking so that other people will not
feel insecure around you.

We are born to manifest
the glory of God that is within us.

It is not just done of us;
It is everyone.

And as we let our own light shine,
we unconsciously give other people
the permission to do the same.

As we liberate from our fear,
our presence automatically
liberates others."

(Nelson Mandela, 1994 Inaugural Speech)

God bless you all, and thank you for all
the support. *Trudi*

Future Events...

ANNUAL GENERAL MEETING

Saturday May 1, 2004. 4pm at Rapson Rd, Kaukapakapa. Invitations and agendas will be sent out to all members. Please come, your contribution is vital to the future of the club. Supper is provided after the meeting.

The meeting is followed by a presentation from Mr Georg Stucky, President for the Swiss Abroad, at 7.30pm. He is on tour through Australasia with the aim of bringing us up to date with happenings in the home country and issues that concern us in the 5th sector of Switzerland, as well as hearing concerns that we may have regarding our status as such. Please have lots of questions ready for Mr Stucky as I am sure he will be only too pleased to answer them. Non-club members are welcome to join us for this talk at 7.30pm, after supper. Please tell your friends.

For more information and directions to the farm please call Trudi 09 376 4923, or Ueli, 09 427 5309.

Next Card Evening

Next Stammtisch

Saturday 24 April 2004, afternoon till late, next day perhaps, if you bring a sleeping bag. The accommodation quarters have now been upgraded thanks to the huge efforts by the rifle master and his circle of helpers as they prepared for the visit of the senior shooters on the 20th March. A particular thank you to Yvonne who painted the 'bathroom' and transformed it into a

very chic little room. Check it out. For further information call Markus Buhler Tel. 832 3334.

HIER NOCH EIN INFO TEXT:

"At the beginning of the 80s the work of of Swiss artist Peter Panyoczki develops by distancing itself from avant-garde trends and by taking part in essential postmodern positions. Drawings scratched onto the corpus of the picture join themselves, via earthy grounds, with seemingly prehistoric traces and symbols to many-layered statements, which place namely his material (sand, earth, concrete and ashes) pictures in the vicinity of an Antoni Tapes or Rolf Iseli. "I want to paint breaches into being, breaches through which the invisible becomes visible, said the native Hungarian, who fled with his parents to Switzerland as a child, took a degree in philology, art history and chose the way of the artist. He lives and works since 1995 in Neuseeland. Dissolutions and transformations of form and matter appear as an attempt to transcend the horizon of modern consciousness to contents buried and forgotten in the process of civilization. Artistic creation as a ritual of reconciliation, aware of its futility and still compelled to manifest itself: Panyoczki's allegorical gestures have parallels not only in the work of Joseph Beuys, they likewise point back to the symbolist art of the turn of the last century and the pantheist idealism of the humanistic epoch. Volker Schunk, Zuerich

The events calendar for the new club year is in preparation now and will be published after the AGM.
