Past Events

On January 24-26 and 28-30 we hosted two groups from Switzerland for two nights each. These people were from all over Switzerland, but were mainly in the farming sector ... be it dairying, crop, fattening beef or even a strawberry farmer!!! They were all very interested in how we lived, were keen to see our farms with buildings and machinery and compared our way of farming to how it is in Switzerland ... obviously very different!!! They arrived late afternoon and spent the first night with their hosts, and the following morning they met at the Swiss Club and visited Dairyland in Hawera where they had lunch. They then visited an opossum factory in Mahoe (where is that? ... just a few kilometres from Kaponga) which they found very interesting and bought some of the various goods that they sold. Next they visited a 700 cow dairy farm and then went up to Dawson Falls, returning to the club house where their hosts were getting ready a pot-luck tea. The visitors were absolutely amazed at the selection of food ... and the quantity ... which soon disappeared!!! Even the tour guides were flabbergasted at the variety ...

thinking that her group might only have salads to eat and no meat!!! We provided a little entertainment and then everyone was off home due to the early starts for the tour groups. Except for the odd bug some of the hosts picked up, we thoroughly enjoyed hosting the two groups, and they immensely enjoyed their time too ... after first feeling a little apprehensive going into homes of people that they didn't know. They really appreciate being able to communicate with their hosts, and finding out answers to their various questions.

February 13 - we held our annual picnic ... after first being doubtful about the weather, we were fortunate to have a lovely rain-free day ... overcast, but we were glad that it wasn't as hot and sticky as the weather had been in previous weeks. Cars started rolling in at approximately 10.30am and continued to do so all day ... I think numbers of Kiwi-Swiss were down a little compared to previous years, but our attendance was bolstered by a contingent of a Schwingen Group from Limpach area (canton Solothurn / Bern) who were in New Zealand on holiday. Also we were pleased to see some of our friends from Hamilton here too ... thanks for coming down, and we hope that you enjoyed our picnic. Around lunch time the barbeques were ignited, and the smell of barbequed cervelats and bratwursts were giving off a real "swiss picnic" flavour to the day. This year we had veal and pork bratwurst, with the latter making their

first appearance at a Taranaki Swiss Club picnic ... and did people love them!!! We ran out!!! Many thanks to the Swiss Deli for your their prompt service of the delicious sausages. After devouring sausages ... thirst arrived and the beverages went down a treat ... as did the scrumptious trumpets and iceblocks. The "Schwingen" kicked off at 1.00pm, under the watchful eye of our referee from Switzerland, Hans Iseli (he was part of the touring group). Five juniors and twelve seniors participated, with locals and tourists joining in the competition ... although the bouts were competitive they also had much fun. How they find fun in getting covered in sawdust ... I don't know!!! I guess that's why females don't participate!!! The eventual winner was Migg Signer (a tourist from Switzerland) with runner-up Erwin Hebler (a great effort by a local). Third was Ruedi Schori (a member of the touring party from Switzerland, who has previously won the Schwingen in Taranaki twice). The juniors section was taken out by William Gray with Martin Hebler runner-up ... muscle or technique must run in the Hebler family ... although I haven't seen dad participate ... eh Othmar ... may be it's still coming????!!! Many thanks to Othmar and his dedicated team for organising the "Schwingen" which the audiences always enjoy thoroughly. Now, a BIG HUGE THANK YOU to the "Schwingen Group" ... one of their members, Adrian Schar who is president of the Limpach Schwingen Club, presented the Taranaki Swiss Club with a beautiful cowbell as first prize ("wanderpreis") for the first New Zealand schwinger who participants. This bell is truly lovely and Erwin is very proud to be the first person to hold it ... well done, Erwin. Grateful thanks to Mark who organised the children's activities ... they really enjoyed the fishing, and getting their small prizes ... you did a great job!!! Thank you to Markus who organised the Steinstossen which was won by Nicol Ruchti (if you can't win the schwingen ... he was out injured ... you win the steinstossen!!!). Well done ... second equal were Janik Ruchti and Paul Hardegger. The winner in the ladies' section was Marlies Hebler with Lucia Noetzli runner-up. At around 3.00pm

the barbeques were fired up again, for people to be able to have a sausage on their way home ... or to fill the gap until tea time. For the remainder of the afternoon people were happy to chat away ... or play cards ... some played cards all day (I don't know how you can concentrate on cards that long!!!). Then at 7.00pm we had tea ... cold cuts and a tremendous variety of salads, cheese and bread. This went down extremely well ... with the odd beer or two or three or more ... or a glass of chilled wine. Peter and Zeno played music for people to dance to or just to listen to (as they had been doing all day). Many thanks to you both for your music, which was enjoyed by all ... you certainly make the picnic "sound" Swiss ... there is just no comparing real, live music to tapes!!! The evening ended about midnight ... a long day for us all!!! But having said that, it was very enjoyable. It was wonderful to see some people who haven't been to a Swiss Club function for a while, and also to see many of our very loyal regulars. We hope you all enjoyed your day and look forward to seeing you at one of our forthcoming functions. Tremendous thanks to the whole committee for your help ... it is a big day, and many hands make light work ... the grounds looked great, thanks to Don and Johnny, and the club house was spotless ... thanks to Silvia, Erna, Heidi, Lisette, Remigi and Johnny. To the people selling the various foods and beverages ... a BIG thank you too ... people always enjoy eating and drinking!!! We do appreciate all our helpers.

Culture Galore - celebrating Canterbury's cultural diversity - on Saturday 19 March from 12 noon to 4pm (postponement date Saturday 26 March) at Ray Blank Park, Maidstone Road, Avonhead. Come and taste our traditional Swiss Raclette and Chocolate Fondue and enjoy the diversity of the Canterbury cultures with its' food and entertainment.

The Wellington Swiss Club had three events in the last two months of the year: a trip to Kapiti Island on 21 November, a Christmas meal on 5 December and a Samichlaus afternoon for our youngest members and their elves (aka parents) on 6 December.

The trip to Kapiti Island was extremely well attended and everyone enjoyed the special character of Kapiti in ideal conditions. The sun shone, the birds sung and the boat dropped us off, and picked us up, without any feet getting wet.

After a brief introductory talk on arrival at Kapiti, our party divided into groups going to the area around the lagoon at north end of the island, or via the two tracks to the highest peak (Tuteremoana) at 512m. The climbers were well rewarded with clear views south to the Marlborough Sounds and Mana Island, and to the west and north towards the Tararua Ranges and the Horowhenua coastline.

The not so shy Kaka and Weka provided us with a lot of entertainment and explored a number of bags for any desirable morsels. At the end of the day everyone returned home with some nice stories, a little sunburn and slightly sore feet.

About fifty members and friends attended the Christmas dinner. The menu was glazed ham, a meat platter and salads for mains, and ice cream, meringue and strawberries for desert. The generous helpings required a pause between courses for a good old sing along to Christmas carols.

On the next day Samichlaus und Schmutzli managed to guide their sled through the unseasonal rain to a safe landing on the Moores Valley Santapad. Approximately fifteen of our youngest members provided lots of smiles and happiness as Samichlaus talked to them about how good they had been during the year and what they could do better in the following year. After Samichlaus and Schmutzli departed, there was a

Family BBQ Bookfair and Steinstossen.

The Wellington weather has shown its best side for our family BBQ. A small group of faithfulls enjoyed a very pleasant afternoon in the shade of the trees at the back of the clubhouse. After the BBQ, thank you Peter, Heinz organized the "Steinstossen" and made sure Hans wrote down the correct measurements. The ladies got special instructions not to receive injuries!!!!

Shooting Practice

The new Venue at Paul Scherrers in Mangaroa Valley was great. A pleasing number of "Schützen" were practicing and demonstrated their skills.

Bernadette and Nigels Welcome BBQ

It was only two years ago that we said good buy to our two lovely friends, but there was so much to catch up on. Heinz provided a big map of Africa so Nigel could show us the places that they had visited and the areas they are intending to visit in the near future. We heard all about their involvement in the schools or better said their involvement in the fund raising for the schools. It was a wonderful "gemütlicher Abend" and everyone enjoyed sitting round and catching up on the happenings in the New Year.
