It was great to see some of our younger competitors taking part last month ... congratulations on participating Andrea and Martin Hebler ... and I hear that you play cards very well ... is it mum and dad's teaching? ... or grandma and grandad who are here on holiday from Switzerland? Come on you other juniors who play cards ... come along and enjoy the fun!!! It's good practice for the Swiss Society Competitions coming up shortly.

May 29 The Swiss Society Competitions will be held on this day from 10.00am. Please remember there is a separate section for the juniors, so parents please bring your children along. This year ... a BONUS ... we have medals available to all juniors who compete ... one of our members has very kindly donated medals that she has collected over the years ... and the Taranaki Swiss Club committee thought it would be nice to reward our juniors who take part.

Only 90 minutes drive north of Christchurch Int'l Airport!
True hospitality without compromise

Grateful thanks to the donor of these medals, who would like to remain anonymous, as I am sure that the children will enjoy their reward!!! The various disciplines in the Swiss Society Competitions are shotput, shooting, keglen (nine-pin bowling) and jassen ... so there is something for everyone ... the more that participate, the more medal winners there will be. Please support this day ... for although there is a competitive edge ... it is always held in friendly rivalry ... and there is certainly plenty of time to catch up with old friends, and make new ones. The committee looks forward to your participation in this competition ... which is also good practice for the Cowbell competition a week later.

June 4 - 6 Remember we are going to Hamilton to be fiercely competitive in the final of the Cowbell Competitions ... if you haven't booked ... do so immediately ... we may still have room for you!!! Please ring Othmar, Heidi or Marianne.

June 11 The fun Preiskeglen will be held on this day ... come along and enjoy the fun ... four people play in a round, with the winner taking home (if not eaten before) a delicious sausage. We would appreciate a little more support for this function, so please come early ... you can then enjoy a game of cards in between your efforts to win a sausage!!! For some of us, it would be cheaper to buy the sausages ... but the enjoyment makes up for the expensive delicacy!!!

Then from 6.00pm to 8.00pm the delicious fondue will be served ... for those of you who don't like fondue (or if you are still a little hungry after the fondue!!) there are sausages and salads available. This is always a great social day ... so come and bring some friends if you wish. Please book your table(s) with Lisette (06 7628718), Erna (06 2726438) or Marianne (06 7628757) and we will look forward to seeing you there.

June 19 Final of the Championship Shoot at 11.00am ... please give Mark your support ... the more participants, the better Mark likes it!!!

June 19 & 26 Cards will be held at

1.15pm ... enjoy a few rounds of cards, a delicious afternoon tea, and then for some a few more games of cards.

July 3 Our very popular Anniversary Shoot will be held on this day ... shooting will be from 11.00am to 3.00pm, with the delicious pork and sauerkraut to be served at 5.30pm. Thereafter the spinning wheel raffles will be held ... so don't forget that wallet!!! The children love selling the tickets, and like to have willing buyers!!!

July 10 & 17 Cards again at 1.15pm.

Annual General Meeting

On the Evening of Friday 15th April we held our Annual General Meeting at Swisscraft premises. During the first half hour, everyone had a chance to enjoy a drink and have a chat with friends before the meeting got underway. It was very pleasing to see an increased attendance this year of over thirty members. Once again, we had an Embassy representative at our meeting, and we thank Karin Ruegger for coming to Hamilton and joining us.

The meeting commenced with normal meeting matters and reports. Events and functions throughout the past year have all been well attended, in particular the First of August celebration held at Mellow Manor. The change of Hall facility from Eureka to Matangi has proved successful, and we will continue to use this venue in the future. The regular family walks have also become popular family events. Our Club finances are in a healthy state, and a modest profit was achieved for the year. A moment's silence was held in memory of Heiri Oettli, who passed away last October.

With the election of officers, Bert Fühler was asked to take the chair. He thanked and congratulated Herbert Staheli for his work as Club President. A brief discussion concluded that Herbert has held the President's position for approximately twenty years, for which we are all extremely grateful. Needless to say, Herbert was once again elected unopposed as President. All other officer holders and committee members were also re-elected, with the addition of Erika Elmiger returning to the committee.

They are:

Vice President:

Vitus Acherman

Secretary:

Anita Zuber

Treasurer:

Beatrice Leuenberger

Riflemaster:

Hans Vetsch

Committee:

Heidi Leuenberger, Vreni Vetsch, Erika Elmiger, Margreth Meier, Max Schwitzer, Kurt Hess

Thanks also go to the many people who have assisted the committee throughout the year, in particular for help with baking for card evenings and other functions.

In General Business, the main discussion revolved around card evenings, and it was decided that a separate table be made available for those people preferring a non-competitive game of cards. Beginners, especially, could then also come to card evenings to play a friendly game, and we would also try to have someone available for tuition.

The meeting was closed at about 9.30 pm, and was followed by a delicious supper, and another chance to catch up with friends.

Interclub Competitions

Following the AGM on Friday evening, we again descended on Swisscraft Premises on Sunday morning, April 17th, to welcome approx. 30 Auckland Members who came to compete against us for the annual cowbell semi-final competitions. Morning tea was provided for our visitors upon their arrival, and very soon the bowling was underway. The card players had their turns first, so that they could then move on to the card tables and settle in to their Jass. In the meantime, the strongest men each Club could muster gathered outside to throw the shot put stone. In the kitchen, several ladies were very busy preparing lunch to keep up the energy levels of all these sportspeople. Swisscraft had become a hive of activity.

As the bowling and card playing continued after lunch, results weren't looking too promising for us - we knew already that we'd lost the shooting event using results from February, and now we had also lost the shot put (due to bad backs, shoulder injuries, etc, etc.!!?). However, our hopes were restored when a win in the bowling was announced as now we still had a chance. But finally, with a further loss in cards, we once again had to concede defeat, and the

Auckland Club will go on to compete against Taranaki Club for the Cowbell. We thank you for the fair and friendly competition, and wish you well for June.

Following afternoon tea, our visitors departed northwards, and we now look forward to welcoming all Clubs to our wonderful city for the Society AGM.

Cards

Card Evenings for 2005 got underway on Friday, 29th April at Cambridge. All organised for the event, all turned to custard when more people arrived than we've seen for years, but the key to the cupboard containing the chairs and tables was not in its usual place! We tried every other key hanging, but to no avail. Apart from a few small tables, the only other surface was the floor, and the only contact phone number we had was to the locked office of the building we were in!! After we had scoured the Church noticeboard in the foyer, we finally discovered a home phone number of a Pastor. Thankfully he was home and able to contact the Receptionist, who in turn could let him know where to locate the key, which was mistakenly left on her desk (in a locked office) earlier that day!

After quickly setting up some tables, 32 players could get started with the medal competitions, and then our regular competitions could finally get underway. Despite the initial chaos, we were still delighted to have such a large number of people come along. In total, there were 64 card players and 52 in the prize competition and 12 at the non-competitive tables.

After three rounds of cards, we enjoyed a delicious supper of Wurstsalat and bread, followed by baking and coffee, before completing the next three rounds of cards.

Two weeks later, on Friday, 13th May, we again met up for a Card Evening at Matamata. Thankfully it was not too cold as we congregated outside waiting for the keyholder to arrive. But this time, the evening got off to a less hectic start than the previous, and soon got underway with a further four players completing the medal competition. Once again this year, our Club has greatly supported this medal competition with a total of 32 competitors. Following this, 48 players present got down to the serious business of card playing, in anticipation of one of the many prizes. After three rounds, we were treated to a delicious supper of Wienerli and Heidi's famous home made bread; baking and coffee. Having replenished our strength, we continued with the final three rounds of cards.

Grateful thanks go to those involved in preparing and serving the suppers, and a big thank you also to people who

brought along extra prizes.
