Anniversary Shoot This was held on July 3. A chilly but fine day was the order of the day for the competition of either shooting or skittles. Numbers were down a little on previous years. Everyone enjoyed the delicious rippli and sauerkraut at 5.30pm. Soon after we handed out all the cups, medals and trophies for the 2004-2005 smallbore shooting season. Then we started reading out the scores for the days'

competition where everyone receives a prize of either a bottle of wine or a packet of cervelats. The winner of the shooting was Mark Kiser with runners-up Regi Mathys, Emmi Kiser, Walter Seifert, Ruedi Benkert and Erna Zimmermann. First in the keglen was Wendel Appert with runners-up Berta Buhler, Ros Monti, Kathi Appert, Peter Arnold and Allan Nolly. The evening continued with the spinning wheel. Then followed the mystery prizes and name draw prizes for a chance to win one of 42 beautiful prizes. The evening ended with a small supper.

To conclude my report, I would like to thank all the supporters, sponsors and helpers who make the smooth running of the function possible. We, the shooting committee, hope that you all had an enjoyable weekend and we all hope to see you again at next years' Anniversary Shoot.

*Paul walter
zimmermann*

1916 - 2005

Paul was born in Ennetmoos in 1916, into a family of five brothers and one sister. In 1939 he emigrated to New Zealand, aged 23, with a group of fellow Swiss migrants. Among the group were neighbours of his from Ennetmoos - the three Fluhler brothers, Dolfi, Werner and Walter and their young sister Berta.

He worked for farmers in South Taranaki and in 1943 married Berta. Together they sharemilked around Hawera eventually buying their own farm in Meremere and later the farm at Stratford.

Paul was an inaugural member of the Taranaki Swiss Social Club founded in 1951. He was often called on to entertain with his accordion playing and yodelling. In 1971 Paul left the farm to live in Hawera and worked for a number of years maintaining the local parks, continuing his love of the land.

He and Berta revisited Switzerland several times in the sixty six years since their arrival in New Zealand.

In the later years he became a "true" New Zealander developing a love for rugby but his real passion was for Jass and card playing.

For the past five years Paul has suffered poor health and has been cared for at Annie Brydon Rest Home in Hawera.

His loving wife Berta, four children, ten grandchildren and six great grandchildren remember a man of farming, family and faithfulness and will miss him sadly. However his values of hardwork, love of the land, honesty and integrity will remain his legacy to us.

Card Evenings

All good things must come to an end, and so it was recently with our 2005 card evenings. And the card evenings have proved to be as popular as ever with increased participation over the past few years. In total over the six evenings, we had 288 players (272 in 2003 and 264 in 2004) come along for an enjoyable evening, as well as the chance of competing for one of many great prizes.

At our fifth evening, held in Cambridge, 44 card players enjoyed a delicious selection of savouries and baking for supper, followed by some tasty open sandwiches, Nussgipfel and a moist apple cake for the 42 players at the final card evening held two weeks later in Matamata.

One must of course wonder whether our card evenings are so well attended because of the card game, or is it perhaps the certain knowledge of a hearty supper which regularly draws people from their warm homes on these winter evenings?? In any case, we thank everyone involved in the organising and catering of the six evenings for all your work. A special thank you also to Vitus for providing the Club with the Schnapps that so many people are able to enjoy with their coffee.

Every evening, eight lovely prizes were provided, but often there were more thanks to some very kind donations.

As well, a total of 32 players who participated in at least five evenings were eligible for the overall competition (lowest score deducted for player attending six evenings). So at the conclusion of the sixth evening, these scores were added to previous totals to find the overall card champion for 2005. This year, this honour went to Therese Fitzgi, with a total

Correction

In the last edition of Helvetia it was reported that Röbi Blättler of the Hamilton Swiss Club celebrated his 70th birthday, when in fact it was his 75th birthday. The editing team recieved a few letters advising us of the error... we all just wanted to make you feel even younger!

26 June: It was a grim, cold, wet wintery Sunday with snow on the hills, but twelve hardy Swiss braved the weather and found the way to the clubhouse for a Soup Lunch and Cards Afternoon. You could have eaten the minestrone with a fork, but nobody complained, and the pot was emptied fairly quickly. The holes in the cheese weren't quite right, but since the stuff around the holes tasted alright, no complaints here, either. We had a pleasant, friendly afternoon. The beginner didn't get growled at, and a seasoned player was introduced to the unfamiliar German cards; thank you! We'll do it again.

Film Evening

On July 2 we held a film evening at the Rothesay Bay Residents' & Ratepayers' Hall. The film, in Swiss German with English subtitles, was called "Sterneberg" and was moving, entertaining, a real good Swiss film. Even though it was a blustery winter's night, thirteen people attended the show and the snacks, as well as the company. Trudi, the organiser, intends to have another such event in October. Hopefully, many of you will come.

CHRISTCHURCH SWISS CLUB NEWS

One year in the life of a Swiss Club Committee ...

Have you every thought why people stay year after year on a committee? Well, I should know, I have been on the Swiss Club Committee for a very, very long time and I'm more than happy to share the secret with you.

The companionship of the fellow members and you may be surprised, the meetings.

I know what you are thinking "sad woman, she has nothing else in her life than some boring committee meetings." But that's where you are wrong! Our meetings are always full of action. They can be very short (like the AGMs), that is if we have something better planned afterwards or they can drag on for hours, and if I say hours I mean HOURS!!

We manage to spend unlimited time discussing major issues like the colour of the napkins or what dessert we serve. But even these hours are full of comedy and jokes - I hope my fellow committee members forgive me for sharing these rather personal moments with you!! In times like this, the person I feel sorry for, is the secretary who tries to keep track of the conversation or conversations in our case - we believe in democracy and we all want to have our say, even if it's all at the same time!!!

No meeting is complete without an extensive assortment of exotic delicacies

and matching liquids. We never plan or organise the food for the meetings, everybody just brings something if they think of it, but it always works out perfectly - like our functions - everything falls into place without too much planning or thought.

I'm pleased, I'm not the only 'senior' member of the committee, senior in respect of years of service, of course.

Reto Oswald, our president since 2001 and on the committee from 2000.

Jessica Bagge joined the committee also in 2000 and has been secretary for the last two years.

Peter Rouss is part of the committee since 1999. He has brought the club into the new millennium with the introduction of our new website. This year he has also taken over the role as treasurer.

Jurg Honger is also an 'old' hand with committee involvement over the last decade on and off.

This is also the proper place to farewell and thank the four committee members who have left us - Susanne Ziswiler, Christian Weber, Christina Marty and Hans Limacher. Thanks for the years of great company and all the hard work you all have put into the committee, we will miss you!

The same time we have a new addition! May I introduce Reto Casutt. Reto and his partner Deborah immigrated to Christchurch at the beginning of this year. Reto (how can a small group like ours have two Retos?!!) has already taken over our not yet extensive DVD Library and I'm sure he will look forward to meeting you at the next Stammtisch. If you are sorry you missed out in joining the committee, don't despair, we are already planning the 45th AGM in May 2006. Mark it in your diary and come and join us. We look forward to it!!!

Helena Duff (Newsletter Editor)

President's Report

Welcome to the 44th AGM of the Christchurch Swiss Club on the 5th May 2005. I am delighted to welcome some new faces tonight and of course the hardcore of old members. When you look back at what the club had to offer during the past year, you might have noticed that our club has gone on a bit of a promotional side-tour. We attended a very successful European Festival and the inaugural Cultural Galore, promoting not only our club but also the mainstream events we were organising during the period of 2004. As always on these events, your enjoyment was the ultimate measure of

the success of these past events, and I do hope that you were as excited by the presentation of such popular events as I was. We have tried very hard to present a full years programme for you that offered something for everyone. From a combined German / Austrian / Swiss Midwinter Dance to our very popular National Day, from the various Gossip-Stammtisch to the real Stories of Samichlaus. With the success of these past events also came along some less successfully organised events. The skiing trip should have been a real highlight of the winter 04, but as we found out there was no SNOW after all! The rumour goes around that some of our members have not performed the snow dance to the "Herrgott's" satisfaction!!!

The newsletter still proves to be the absolute marketing device to be in touch with our members. Speaking about members, you might want to know that the year 2004 has brought us 61 paid members / families. You might agree that this is somehow a bit disappointing. Since the previous year had a total of 78 paid. This years' decline attributes to the trend towards a more tightly scheduled lifestyle, where our members have less time for social times such as our club. However I am pleased to announce we had three new families arriving in the last few weeks to Christchurch. This proves once again that Christchurch seems to be the place to be! With the decline of paid members we are enormously delighted to have such wonderful sponsors, such as the Swiss Embassy in Wellington

and various small business owners and individuals who contribute a prize or two towards our National Day Tombola.

Thanks also to the newsletter editor Helena, who hacks like a maniac on the keyboard, just to deliver in time the latest gossip in our newsletter. Also to secretary Jessica, who kindly offers her very own time to be such a star of an office-superwoman. Of course not to forget the super-hero bean counter Christian and the energetic committee members Christina, Peter, Hans Jurg and Susanne!

But the bouquet of today goes once again to you members - for your loyal support and personal engagement - we could not do without you!

Your President, Reto Oswald

Well recommended from Switzerland and one of the top movies of last year starring Mathias Gnadinger.

Franz Engi went back to his childhood Dorf after years overseas and was shocked to realise that the village had changed so much.

The local school was facing closure because there just wasn't the number of young families there to attend. The teacher was about to lose her job. He realised that the forced closure of the school would irreparably change the village forever. Then Franz took matters into his own hands. He hadn't finished school, as he had left at a young age, so to do his bit, Franz goes back to school.

What happens? Come to the movie night and find out why everyone else has been talking about the feel-good movie of the year!!!
