Do you know the name of this village which has the same name like the lake?

Water level 429m above sea level. Between Berne and Lausanne. Beautiful view from Mt Vully (north shore of the lake) over the Seeland and as far as the Alps. Hiking trails right around the lake and to Avenches (Roman settlement). Very well-reserved small medieval town.

The winner of this competition will receive a \$10 voucher, and will be announced in the following issue of HELVETIA. If there are a number of correct answers there will be a draw. The judges decision is final and no correspondence will be entered into.
