Past Events

Keglen recommenced in October, but attendance numbers have been a little low ... one Thursday the weather was atrocious ... and only a brave few ... well three to be precise turned up ... Johnny, Lou and Franz were the hardy trio!!! Now that the weather may be a little kinder, and that farmers have a little more time (???!!!!), I am sure that the numbers attending will increase. Johnny does look forward to seeing you there, so let's support him!!!

The smallbore shooting season has started, and Mark, too, would love to see some new faces ... with increased numbers the competition would be far tougher ... so come along and give shooting a crack ... an excellent sport for the young and not-so young!!!

January

A month of rest for your committee who will be gearing up to ensure that the semi-final of the Swiss Society Competitions against Wellington and the Annual Picnic are well organised.

February

2 & 16 Keglen recommences after the Christmas / New Year break ... so give it a go, and be ready (and skillful!) to do battle against the Wellingtonians on February 11.

11 We will be competing against the Wellington Swiss Club members in the semi-final of the Cowbell competition ... these activities include smallbore shooting, shotput, jassen and keglen ... if you are interested in helping the club by competing in one of these events, or if you would just wish to meet some of our Wellington friends and compatriots, please give a committee member a ring to find out further information. This competition is always played in friendly spirits, and it is a joy to host our southern friends. We look forward to seeing many of the Wellington Swiss Club members for this competition.

12 Our Annual Picnic will be held. Schwingen is always the highlight, with the audiences enjoying the junior and senior bouts seated on bales of hay

... under sun umbrellas if the weather plays its' part!!! If you are interested in competing in the Schwingen, or if you would like to know a little more about it, please ring Othmar on 06 272 2878. He would love to hear from you. Also available on the day are delicious barbequed bratwurst and cervelats ... we are fortunate to have a dedicated bunch of helpers on the barbeque, and we thank them for their efforts. Refreshments by way of beer, wine, non-alcoholic beverages, icecreams, iceblocks and chips are available. Games will be organised for the children, and the shotput cup will be up for grabs ... so come along parents and bring your children to this very social day ... it is a way for the younger generation to learn to appreciate their Swiss culture and traditions. Swiss music is played all day (both tapes and live), and we appreciate Zeno's efforts in this. We look forward to your attendance, and bring along the fine weather and good humour!!!

March

1 Our Annual General Meeting will be held at 8.00pm ... come and hear what happened in the past year, and help us look forward to the year ahead. A good attendance is always appreciated.

Family Walk at Lake Hakanoa in Huntly took place on Sunday 30th October on a lovely summer's day. About 30 people including about half a dozen children gathered at 11am at the yacht club. To start with it looked as if we were going to be a small group, but suddenly a whole lot more people walked over from the other side of the yacht club. We all headed off in small groups around the lake on a nice wide paved path that meandered through some native bush and then through newly laid out gardens in the theme of "Around the World". It was very interesting to see all the different plants that had originated from different countries. It remained fairly overcast for

most of the walk so we didn't feel the heat too much, until we all sat down for lunch and suddenly the sun came out, which made it quite warm – some even got a bit of sunburn. Everyone enjoyed their own picnic lunch, as well as some cookies that were shared around. After lunch everyone was invited to visit the Meier's new house on Henry Road and this offer was taken up by most people. Everyone appreciated the hospitality of Margareth and Ruedi and then headed home after a pleasant day in the company of fellow Swiss.

Christmas Function, Sunday 4th December

Commencing at 11am at the Newstead School, same venue as last year but this year we should have a bigger

room incase of bad weather. Newstead School is just past the cemetery on the main road from Hamilton heading towards Morrinsville. Please note: the

children's entertainment will commence at 11.30am. The swimming pool may or may not be available, depending on the weather, and whether the school has it ready for summer. Santa will also be calling, so wrapped and clearly named presents up to the value of \$10 can be left with a committee member. Feel free to also bring balls, rackets etc for the children's games. There will again be a great selection of raffle prizes, so please remember to bring along some money and prizes if you wish to donate something. For lunch, the club will provide sausages, bread and drinks, as well as coffee and baking. Please bring any other snacks your family may enjoy. Saturday 5th November Garage Sale

It is astonishing and wonderful to see how many bits and pieces are brought in for the garage sale. Thank you to everyone who has contributed and made the fundraiser a success. Heinz was in his element with the white "lady's hat" and with humour he approached the "would be buyers". Trudi made sure the boys got some breakfast after having had an "overnighter" at the Clubhouse. Petra and Craig arrived at the right time with the cashbox as the dealers were as usual in before the official opening!! We had a good number of locals to see what was on offer and after a quite busy morning started to close the doors at mid-day.

Saturday 12th November International Festival Upper Hutt.

The Wellington Swiss Club had been invited to take part in the International Festival. The Festival was sponsored by the International Campus and was held in the Riverstone Function Rooms at the Expressions. About 20 different countries had display tables and food stalls. There was a continuous flow of visitors ambling through the hall. Between 1 o'clock and 6 o'clock was continuous entertainment from different

cultural groups on the stage. Switzerland had no performances, but we had a wonderful sales table with Christmas baking from some of our members and Petra brought some display material from the Embassy. It was a successful afternoon and may be more people will recognize the Swiss Flag.

Sunday 13th November Shooting Practice

The weather was somewhat windy but a keen group of "Schützen" arrived at Paul Scherrers in Mangaroa. It was a practice and everyone had fun. The best results were counted in groups, which made it a much quicker and friendlier shoot [no waiting around]. The young shooters are getting the feel of the rifles, as it has been a while since the last practice. The best result went to Theresli Jordan who received a bottle of wine. Thank you Paul for having the event at your place and lets hope many more "Schützen" will come to the practice in January.

Forthcoming Events.

Saturday 3rd December Christmas Diner

This year we have two "new chefs" Peter and Heinz will cook the Ham. Come and taste their specialty. Cold salads from the salad bar and Theres's yummy fried rice. For desert strawberries and cream, followed by coffee and biscuits. We have put the Christmas meal at an early date this year in the hope it won't clash with any of your other Christmas functions.

Sunday the 4th of December Samichlaus.

Samichlaus is getting ready to come to the Club House at 2pm, to see how the children have done this year. He is looking forward to hear some "Versli", and of course Schmutzli will accompany him.
