MUMMENSCHANZ 3x11

**Internationally acclaimed theatre
for young and old**

Mummenschanz, Switzerland's pre-eminent mime company has been on the Muppet Show and on Sesame Street. They had a three-year run on Broadway and played on all continents and now they are coming back to New Zealand.

Their extraordinary and captivating form of theatre features four performers who, with an array of fantastic props, bring to life a wonderful and mysterious world of enchantment through the silent art of gesture and suggestion. This is what some of the press has to say:

"A place of constant wonder and ingenuity ..."
Boston Herald

★★★★★

"Simplicity, boundless imagination and superb professionalism are surely enough attributes for any theatrical company. That Mummenschanz also creates beauty and delight makes it very special indeed."

Laurie Atkinson, The Evening Post 1988 during their "scandalously short season" in Wellington

★★★★★

"...absolutely incredible and beautifully funny..."
