Past Events

Annual General Meeting

The Annual General Meeting of the Taranaki Swiss Club was held on the 1st March with an excellent numbers of members attending. President, Othmar Hebler, welcomed everyone to the meeting and read the agenda. We had three resignations from the committee, namely Don Luond, Charlie Schuler and Christine Amstalden. On behalf of our Club, Othmar thanked them all very much for their great contribution - Don for always keeping the grounds looking in excellent condition, Charlie for his tireless work and many hours building and maintaining the clubhouse and Christine for her dedicated work in the kitchen. You will all be missed, but I am sure we will still have your valuable support!!! We welcomed two new committee members, Leo and Doreen Zehnder, who I am sure you all know!!! Leo was on the committee as secretary / treasurer many years ago, during which time our clubhouse was built. Thank you both very much for volunteering your services. There being very little general business, the meeting closed within an hour of opening!!! Many thanks to the keen members who turned up, and then enjoyed a lovely supper.

I have listed below your new committee, and ask that should you have any questions regarding our activities, you give one of us a call.

The Swiss Society Medal Shooting Competitions were held on Saturday 25th February on a beautiful summer's day at the Elmigers property in Karapiro. There were 17 participants, including 2 women and 1 junior and a great day's shooting was had. Many thanks to Erika and Ueli for their hospitality and letting the club use their property for this event.

MD

The Annual Picnic was held on Sunday, 26th February on another beautiful summer's day. Again this was held at the Newstead School which is an ideal venue with plenty of shade, a school pool and lots of other play areas to use. Lots of people arrived early and the bowling alleys were in full swing well before 11am. We had a record number of entries for the Swiss Society medal competitions, in fact 115. The trophy bowling was also very busy throughout the day and congratulations to all the lucky trophy winners. The Kegel trophy and Ladies Teapot goes to Heidi Leuenberger. Congratulations, and again well done. For the first time, the club has sponsored two new junior Kegel trophies. The winner in the Under 12 section is Marcus Russenberger aged only 6. What a great effort, especially that great spin you had on your bowling. The Under 16 section winner was Michael Baumberger, aged 15. Congratulations to both of these juniors and hopefully next year we will have a lot more interest in the junior

bowling competition. At the same time that the trophy bowling took place, people could also participate for Prize-bowling, the winner of 3 people winning a pair of Landjaeger. This was also very popular with lots of people enjoying taking home some delicious sausages. The winner of the Shotput Trophy was Peter Rust and the Shooting Trophy from the previous day goes to Hans Vetsch. Congratulation to you two – I think you both already have your names on these trophies several times! Throughout the day people enjoyed the delicious grilled Bratwurst and Cervelats as well as a great selection of home-made Swiss baking and coffee and of course the schnapps. Many thanks to everyone who made this day a great success and in particular to the committee and extra helpers who offered to help out on the roster. I'm sure you will all be back again next year.

Club Picnic at the Farm

On February 19 2006 our club held its annual picnic at the Swiss Farm. There was a sizeable crowd enjoying the good weather, the tasty hot "Fleischchaes" with salads, followed by yummy cakes and other bakery items and this was followed by chocolate mousse I think. This was followed or accompanied by coffee with or without Schnaps. What more could a Swiss person want?

There was more. In the absence of Fritz, our President, Henry Werffeli organised sports & games with the usual panache. There was Kegeln in different categories, Steinstossen and of course a casual Jass played here and there. The only result I remember is that Hans Iten won the Kegeln. Congratulations! We must not forget to thank Edith and her helpers again for their super food.

A special thanks is due to Peter Arnold and his team for their musical presentation, which is always so much appreciated. You could hear a pin drop when they perform.

Senior Members' Jubilee Tea Party at Rothesay Bay

This Jubilee related function for our over 65 year old members was held at the lovely old Rothesay Bay Residents' & Ratepayers' Hall. Again it was a beautiful sunny day. About 60 people attended altogether and were having a great time. The food, savouries and cakes, were organised by our chef, Edith Hess, with the help of several ladies from the club.

The whole afternoon ran very smoothly and it was a pleasure to be there. Louis Mueller proved that age does not prevent one from being a great dancer. Hans Fitz thanked Edith for organising the wonderful function, a compliment which she radiantly accepted. We would like to congratulate Peter Arnold and the Yodlers for their beautiful performance, which everyone enjoyed very much. As usual at such Swiss events, the ladies' choir under the leadership of Nelly Steinemann (guitar) sang many well-known songs, known to almost everyone. Their were booklets with the words of the songs on each of the tables and many joined in.

Heidi Strasser played the flute. It was altogether a most enjoyable Sunday afternoon. I made a point of meeting people whom I had not previously known and it proved a very worthwhile effort.
