28 January 07: Family day and shotput
A small crowd of club members met on this surprisingly lovely day to enjoy a BBQ and a shotput competition. It was the first time for little baby Jamie to attend a club event.

4 February 07: Sandcastle Building

Several Wellington Swiss Club families joined together to enjoy good company and good weather building sandcastles at Queen Elizabeth Park at Paekakariki.

Five fortresses quickly appeared on the beach augmented by decorative shells and sticks, and in one case, topped off by the Swiss flag. A very sandy crocodile also made a guest appearance. After receiving their prizes several of the construction crews then cooled off with a dip in the balmy waters.

Thanks to the Hensch, Jessop, Madgwick and Walti families who took part and made it such an enjoyable afternoon in the sun.

11 February 07: Shooting competition
The shooting competition took place at Hans Scherrer's place. Please contact Hans Scherrer (528 76 98) to find out the scores.

Taranaki Swiss Club

Past Events

On 22nd January, we held a pot-luck tea with entertainment at the Club house. Our President, Othmar Hebler, had fifteen classmates from Agriculture School visiting New Zealand for a few weeks, and thought that this would be a great way for his friends to talk to other Swiss-Kiwis, mainly in the agriculture industry. Especially as all other Swiss tour groups that have stayed in Taranaki have said that the pot-luck tea at the Club house is the highlight of their tour ... and this tour group was no different!!! The tourists couldn't believe the spread of food on the table, and I must say it was truly impressive ... what a huge variety, and all nicely presented!!! And was it delicious? By the amount of left-overs it must have been ... as we certainly made a big dent in the mountain of food on display ... and dessert was still to come!!! The highlight of the selection of desserts, was a chocolate fondue ... and it didn't only attract the children!!! Thanks Marie for bringing it along ... it looked impressive and tasted great!!! Othmar had organised the Hawera Brass Band to come along, and they certainly entertained the crowd well. Everyone present (which was over 100) was entered in several draws for lovely Swiss chocolate, and by all accounts the Band members did very well ... good on you!!! Many thanks to all our members who came along with a huge amount of delicious food, and also for talking with the tourists about their experiences in New Zealand; the tour group certainly appreciated our efforts, and returned to Switzerland with some wonderful memories.

On February 11th we held our Annual Picnic in brilliant weather ... we couldn't have asked for better ... lovely sunshine, but not unbearably hot!!! At 11.00am we wondered whether we would get a crowd at all, as very few cars had arrived ... with 200 icecreams and 55kg of sausages to sell ... we needed people!!! Well, they soon started to arrive, and in full force ... estimates were around 250...so we were very happy ... whether it was word-of-mouth, the Swiss Club programme, the Helvieta, the Daily News advertisement, the radio announcements ... they all came out of the woodwork!!! Soon we had the barbeques up and running ... (with Johnny making sure he had plenty of gas!!!) ... and bratwurst and cervelats from the Swiss Deli were sending delicious wafts through the air ... Leo, Johnny, Walter, Heidi and Erna ensured that they didn't burn any ... thus many customers came back for a second, third or fourth sausage ... that's how good they were!!! Just when we thought the queue was dying down ... back they would come again!!! We finally switched the gas off, knowing that after the schwingen they would be fired up again ... no rest for the wicked!!! Beverages and icecreams also sold well ... and it was a wonderful idea selling the icecreams and drinks outside, as

The tourists giving a song or two accompanied by their personal tour guide, Othmar.

people didn't have to walk into the club house, and the bar person wasn't alienated from everyone (why did it take you so long to think about this Lisette???)

Markus soon had the Steinstossen underway, with Antoni Sherman (once again ... you must have your name on the cup a few times now, Antoni!!!) taking the honours in the men's, and Martin Hess runner-up (yes, a big welcome to Martin, Antoinette and family who have returned to New Zealand, and we look forward to seeing you at our functions). The Ladies winner was Karen Angell ... congratulations and well done. Many thanks to all the competitors for taking part, and we look forward to your support again next year.

In the early afternoon, the "Schwingen" got underway. After many years of refereeing Paul Ruchti decided he needed to have a break ... and I'm sure that you enjoyed catching up with people a little more than what you had previously done!!! While we are thanking people ... grateful thanks to Margrit Dudli who creatively arranges the "Kranz", and to Margrit Suter who has donated the ribbon for many years. We really appreciate your support. The new referee was Franz Schuler ... a man of many talents, eh!!! Thanks for undertaking this duty and we hope you enjoyed the experience. As always, Othmar and Nic had the "Schwingen" well organised. The big crowd enjoyed the action, and as always, the juniors gave a wonderful display of sportsmanship and one sensed that they really enjoyed the experience!!! The winner this year was Bruno Limacher (a Swiss tourist), with Thomas Werder second and Cohan Jenkins third. The juniors was won by Luke Scherrer with Toni Hess second and Zeno Hess third. Many thanks to all those participating and we hope that you enjoyed the experience so much that you'll be back again next year!!! A big thank you to Othmar, Nic, Franz and team for a job well done. "Schwingen" is the highlight of the day for many people, and we appreciate your efforts in keeping this "Swiss" sport alive in Taranaki.

We had children's activities organised, and our very loyal servant Mark Kiser kept the children entertained with the fishing and quoits ... you do a wonderful job, Mark, and keep the children well fed on chocolates and lollies!!! Many thanks to all the children who took part, and we hope that you enjoyed the challenges.

Zeno had the music organised for the day ... everyone appreciated the sounds of your CDs floating through the air ... you must have

a huge selection of CDs, as we didn't hear the same one twice!!!

By the end of the day, all 200 icecreams had gone, along with the 55kg of bratwurst and cervelats!!! A hungry crowd one must think ... and all washed down with the occasional beer, wine, RTDs or non-alcoholic beverages!!!

A big thank you to everyone who, prior to the day, cleaned the hall (inside and out), to Johnny who always manicures the grounds to perfection, to those who helped set up for the day, to those who organised the various activities (entertainment, food or drink) and to those who packed everything up ready for the next function!!! That's quite a list!!! A big event like this wouldn't run smoothly without you. But the BIGGEST thank you must go to everyone who attended to help make the day the huge success that it was ... THANK YOU!!!

Auckland Swiss Club

Hi everyone,

January and February have been good for us. We had a very enthusiastic and hard-working team at the Working Bee and would like to thank all you participants again for tidying and cleaning up the farm so well.

Even though I was over in Sydney watching the Aussie cricket team being thrashed by resurgent England, I am sure you enjoyed the annual picnic at the farm as much as ever. It seems to be a really popular event.

Any ladies out there who like singing Swiss songs?

We are a rather informal group meeting on the 2nd and 4th Tuesday of each month, 19.30h at Edith's place in Glenfield, North Shore. We enjoy the camaraderie, the practicing of old songs that we learned at school, as well as learning some newer ones. Occasionally we perform for others, but that's not compulsory. Some of us read music, some don't; some are very experienced singers, some are not. We would love more women to join us. For information please phone Edith at 4446972.
Nelly Steinemann.

So, that is all from me. Have a lovely summer!
Heidi Wilson, Secretary.

Max Girsberger

We are saying goodbye to our dear Max, who recently left us so unexpectedly. He joined our Group over 20 years ago. His position was in

the 2nd tenor, where he always managed to keep his fellow singers in line. Max had a wonderful, dry sense of humour and always a witty smile on his face. We will never forget Max as a friend, comrade and member of our Group. Our condolences go out to Max's family. The Swiss-Kiwi Yodel Group, Auckland
