The Weekend Hike and Berner Abend. On March 28-30, a group of 19 keen walkers met for the annual club weekend of the Hamilton Swiss Club at Whakapapa. Like the previous year, they stayed at the cozy hut of Tokoroa Alpine Club. Friday evening saw president Herbert prepare his traditional and delicious beef Stroganoff dish, which, as he claims, is the only dish he can cook. Saturday was the day for the Tongariro crossing. Despite uncertain

Some of the trampers having a rest during the Tongariro Crossing

weather forecast, the walkers enjoyed good weather and gorgeous views. They were not the only ones tackling the track at Mangatepopo on this day though. Bus loads of hikers were dropped off and it was difficult to keep track of the group in such crowds. Descending through lush rain forest, the happy

but tired hikers eventually made it to the end of the track at Ketetahi car park where they were met by transport back to the lodge.

Ruth Waldvogel and Vitus Achermann had again prepared plenty

of sauerkraut as the centre piece of the Berner evening meal on Saturday (despite no members from the canton of Bern being present this year!). After such a strenuous day, all enjoyed the speck, wienerli, potatoes and veges served with it. Some of this excellent Sauerkraut will actually be for sale on the next card evenings (contact Ruth Waldvogel for details).

On Sunday, the weather turned wet so many walkers simply returned home but some headed for a soak in the hotpools. Thanks to both Vitus and Herbert for organizing this successful weekend!

WELLINGTON

Past events:

Easter Egg Colouring - On Good Friday Sandie was so kind as to host the Easter Egg Colouring event at their place. The Madg-

wick, Richter and Simons families attended. They enjoyed experimenting with tying different kinds of leaves to eggs and colouring them in onion skin coloured boiling water. Also, most participants crafted a lovely easter egg nest. With the wonderful weather yummy freshly baked muffins were enjoyed by everyone outside on the deck. Many thanks to Sandie for hosting and to everyone for contributing to the event.

Future events:

The club's annual programme for the next club year will be set up and confirmed after the AGM on 19 April. It is quite likely that the next event could be a Fondue evening in the second half of May. More details will be communicated once they are known.

TARANAKI

Past Events:

Keglen has recommenced under the watchful eye of Johnny, Franz and team, and by all accounts much fun is had. Please call either Johnny or Franz if you are interested in participating ... they would love to hear from you.

The cards afternoons are underway and we had a good attendance for the first day. Results were as follows:

In loving memory of a NZ Swiss Soldier

Alfred Leo John Steiner

10 May 1921 – 13 March 2008

Alfred Leo John (Fred) Steiner died in his 87th year. Up to a severe stroke two and a half years ago, he was a very strong and healthy man with still a full head of hair and his own teeth.

In 1942, he joined the New Zealand army and went into camp in Cambridge. He had his 21st birthday on the boat, the Aquitania, on the way to the Middle East. There he worked in a pie factory for the troops for a time. Then he went to Italy where he drove the ammunition trucks. At Monte Cassino his job was to feed the big guns. In the night he had to drive around dead people, donkeys and pot-holes in the dark, and he never had an accident.

At the end of the war, he went to the Swiss border. He told the Swiss border guards where his father came from (Baar) and his mother (Walchwil). There was great excitement, but the Swiss guards would not let him in.

He came home with the last lot of returning servicemen on 12th June 1947 to his parents, Karl and Pauline Steiner, and his four sisters and three brothers, to Springdale, Waitoa in the Waikato. He married Magdalena Mary Nolly.

In 1952 he and his wife shifted to Galatea, to a Rehab farm. The government provided these farms at a favourable rate to returned servicemen. He really loved the family and farm life. Fredi and Lena had two sons and three daughters, and later the family grew to eighteen grandchildren and twelve great-grandchildren.

Fredi had deer and pigs and built an aviary of fifty pens, where he had peafowl, ostriches, parrots of many kinds, budgies, canaries, pigeons, doves, finches, youldians, rosellas, quails, Java sparrows, black and white nun pigeons. Of course he had a herd of cows, too. He grew lots of lucerne, so that the cattle always had plenty of food.

Fredi altered the house and built swimming pools. He also helped build the RSA Club rooms and the Galatea Community Hall. He always kept himself busy. He and his wife went to Switzerland twice and had relatives come to New Zealand.

He had a great funeral, as he was well known. May he rest in peace.
