**JOSEF ALPIGER**

25 May 1928 - 27 March 2010  
Born in Engelburg SG

Both were born into hard working farming families, and life was tough. They both had a remarkable sense of adventure, a daringness and a willingness to try new things - which led to them meeting and marrying in Tillamook, Oregon, USA in 1959. Three years later, after having returned to Switzerland, they were off on another daring adventure to the other side of the world with two young children in tow. They arrived in New Zealand by ship/plane in 1962 where they made a farming life for themselves and the growing family in the Waikato and King Country Districts. Both worked extremely hard, and the children Beatrice, Lawrence (deceased), Irene, Yvo, Denise and Rita have many fond memories of family life on the farm at Waitomo, which they broke in from raw bush, building a home and lifestyle. Both have been able to take trips back to their homeland. Their memory lives on - the family home was relocated as a trampers' hut to Leach's Clearing in the Whareorino Forest south of Pio Pio - known today as the ALPIGER HUT.

May they both rest in peace.

The Hamilton Swiss Club and the Swiss Society of New Zealand extend their deepest sympathy to Beatrice, Irene, Yvo, Denise and Rita and their families.

*Happy Mother's Day*

I Love You Mum!

*Mum's smiles can brighten any moment,  
Mum's hugs put joy in all our days,  
Mum's love will stay with us forever  
and touch our lives in precious ways...  
The values you've taught,  
the care you've given,  
and the wonderful love you've shown,  
have enriched my life  
in more ways than I can count.  
I Love you Mum!*
