# Puzzle Verse

Can you fit the underlined words correctly into the grid? One letter has already been entered to get you started.

## I'm contented

by Duncan MacKellar

It's very satisfactory,  
To be a dairy cow.  
I'm glad I'm not a kangaroo,  
A penguin or a sow.

I wake up in the morning,  
I'm watered and I'm fed.  
The only thing I've got to do  
Is stroll to the milking shed.

I like the summer best of all,  
The fields are filled with corn.  
It makes me feel grateful,  
For the day I was born.

There's not a lot that bothers me,  
When all is said and done.  
I've even got a leafy tree  
To shade me from the sun.

So while the grass is green  
And I'm out here with the birds,  
You'll never hear from me,  
Any discontented words.
