# Swiss National Library seeks Helvetia Back-Issues

(cont.) Such groups can do well delivering the necessary momentum to overcome acute crises, but it is only the UN that can speak on behalf of all of the world's nations, and only the UN has the legitimacy to make decisions on behalf of all members.

Reform of the UN, reform of the Security Council, no further drain of decision-making power to groups of powerful nations – all of these issues are shared with just as much concern by New Zealand, likewise a small country and a long-standing dedicated member of the UN. New Zealand was one of our best allies in our efforts to push for reform of the working methods of the Security Council, and I would like to express our gratitude once more for New Zealand's commitment and support.

Climate change, hunger, water shortages, safeguarding energy supply, sustainable development – these are the major topics that the UN seeks to address. And to quote Ban Ki-Moon once more: all nations must lend a hand in addressing these challenges. Switzerland and New Zealand have taken up this challenge. Both countries make a disproportionately large contribution for their size, and will continue to do so in future.

Let me now propose a toast to Her Majesty Elizabeth the Second, Queen of New Zealand. To the Queen!

## WANTED: Old issues of HELVETIA for the Swiss National Library

Between 1936 – 1991, the HELVETIA newsletter was sent regularly from New Zealand to the Swiss National Library in Bern.

The Swiss National Library collects publications relating to Switzerland from all over the world, so called *Helvetica*. This is why the Embassy wanted to pick up from where the HELVETIA stopped being sent and with great thanks to Marianne Drummond, Taranaki, most issues between 1991 – 2012 have been collected. However, there are some issues missing.

If you, Dear HELVETIA Reader, find any of the missing issues listed below, it would be greatly appreciated if you would be so kind as to send the issue(s) to the Embassy (PO Box 25004, Wellington 6146) by the end of November 2012. The Embassy will then forward the issue(s) to the Swiss National Library in Bern for posterity.

Thank you very much for your co-operation,

**Marion Weichelt, Ambassador**
