## Swiss Society membership list of October 1941 - in Wellington, Vol. 1, 7th year

Looking for "snippets from the past" I stumbled across old membership lists from way back. (and we sympathize with the typist at the time...)

Turns out that the official Swiss Society Rules still state that every new member's name needs to be listed in the next Helvetia and that every 3 years, a complete list of all members needs to be published in the bulletin. This was done for quite a number of years but the new Privacy Act of course prevents us now from doing so.

Some of you may find it very interesting to browse through these names and some may even recognise ancestors, family members and old friends.

The membership of the Swiss Benevolent Society went up from 49 in 1935 to 152 in October 1941. The net assets in 1941 were just below 200 pounds. This month, May 2014, we have a total of 605 members in our Swiss Society and quite a lot more funds too...
