Words of thanks ...

On behalf of the Taranaki Swiss Club I would like to thank everyone who attended our seven card afternoons this year! The attendance was a bit lower than last year, but we still had about fourteen players on average. Some of our regulars were away on holiday in Switzerland. I would like to say a very special thank you to Heidi Werder who donated 1kg of honey to each of our raffles which enabled us to have four draws in each raffle!! Also many thanks to Berta Sidler and Zeno von Hospenthal who both donated several packs of new Swiss cards to the Club! Thank you to Frieda Meier for always helping me! I wish you all a happy spring-time and look forward to seeing you all again for next years' cards!

Regards
Walter Seifert

1st of August

On Saturday 1st of August we celebrated the Swiss National Day at our Club house in Kaponga. We had a good crowd of 110 people enjoying some Swiss culture and tradition. We listened to the interesting speech of the President of Switzerland, Mme Simonetta Sommaruga followed by the singing of the National Anthem. Our great little singing group sang some traditional Swiss songs, followed by our musical team of Zeno, Peter Canziani, Conrad Mittermeier (our talented German import!) and Bernard Schmid providing wonderful entertainment. Thank you to you all for sharing your musical talents with us. Heidi and Doreen masterminded a great fashion parade involving the colourful mask the Zehnders had won at the Swiss Society AGM in Wellington ... it was great and certainly created many laughs!!! The Swiss Society medals were presented, and it was great seeing so many of our junior members receiving medals ... thanks so much for participating and hopefully next year we will see more children taking part, making the competition even better. Bryce presented some karabiner shooting medals and the Joe Dettling Memorial Trophy was won by Mark Kiser. Walter presented the 'jassen' cup which was a three-way tie between Heidi Werder, Heidi Seifert and Walter himself!!! I

hope that you all get the cup for FOUR months each!!! The keglen trophies were then presented by Heidi Werder ... and who received the most? ... our skilled keglen mistress herself!!! Well done Heidi for scoring the most points during the season and achieving the highest score on any given night!!! A talent for sure!!! The men's trophy was won by Othmar Hebler and the highest score on any given night was achieved by Adrian Drummond ... winning a trophy after only attending one night!!! Must have been a lucky night, Adrian!!! Well done President Othmar ... you truly deserved your trophy!!! The Len and Molly Chamberlain Memorial Cup for literacy was won by Peter and Norine Muller for their great work on the Muller Family History ... a truly great book, one of which we have in our Swiss Club library. Next, tombola tickets were sold by the Pennington children, Richard Drummond and Helen Werder ... many thanks for your exceptional work ... we really appreciated your help. Thanks to Erna and Heidi for organising the great prizes which many people were lucky enough to win ... Shane Wolfe won an amazing pot plant holder created

and donated by Ruedi Kull which unfortunately wouldn't fit in the 'mini' he came in ... however Erna was pleasantly surprised when she was able to purchase it from him ... Erna wondered how good she would be at keeping the plants alive ... so good luck, Erna!!!

An absolutely delicious supper was prepared by the committee ladies, Margaret Bishop and Lisette Benkert ... thank you all very much for your divine baking and creativity in preparing the cheese and fine meat platters. Everyone certainly seemed to enjoy the supper, as was notice by how much we all managed to eat!!! People continued to chat for a while and some hardy card players only left at 3.30am!!! All that practice must have helped you win the cup, eh Heidi Werder and Walter????!!!

On behalf of the committee, I wish to thank Othmar, Zeno, Leo Zehnder, Lisette Benkert and Kathi Appert very much for contacting all our members and selling tickets ... we are very grateful that you give up your time and put so much effort in doing this job. Thank you to everyone who attended the evening, and we hope that you all enjoyed yourselves.

Thank you to the committee members who turned up the next day to clean the hall, have our final committee meeting after the winters' activities and enjoy lunch amid chatter and laughter. Many hands make light work!!!

All participants need to bring a wrapped prize worth at least \$10.00, and will of course get one back after the shooting / keglen competition has been held. Cost of the event for taking part in the competition is \$5.00 per person. Parents / grandparents, please bring a named, wrapped present for your child / children for Father Christmas to distribute; there is no charge for the children. 31 Well ... yes ... it's New Year's Eve ... where has the year gone?!!!! A fun evening will be held at the Swiss Club with members of the Campervan Club. Happy Hour starts around 4.00pm, followed by a BYO BBQ at 6.00pm. The evening's entertainment will start around 8.00pm ... and if you have an item to share with us, we would love to hear from you!!! Please note that this function is a BYO for drinks as a Special Licence has not been applied for for this function.

Please note: The Taranaki Swiss Club applies for Special Licences to sell liquor for most functions and when we hold a Licence people may not bring their own alcohol. However when we don't have a Special Licence (only New Year's Eve and very small functions), the function then becomes a BYO.

February 2016

27 Now, I know this is early ... but it's being printed so you can set aside this weekend to help us compete in the semi-final of the Cowbell Competition against our friendly, wonderfully hospitable Wellington neighbours!!! The competition aside, this is always a happy

weekend with plenty of laughs!!! Not that we're fierce in competition ... but please don't let Mathias and Albi play competition cards ... their reputation is to lose by a couple of points!!!!????!! Just kidding guys!!! Please, ring Othmar and book your seat ... you won't be disappointed going on this trip!!!

12 July: Movie Day

Do you remember 'Die Schweizermacher'? I remembered that I had a great time seeing that film in Switzerland, many, many years ago. I really wanted to see it once more, but feared it might have become rosier in my memory. Well, it was still funny and we had many good laughs. A pity only a few members came to this afternoon. It is a pleasure to see films on our professional screen, with a professional projector, and I look forward to our next movie day; it could become a habit...

26 July: Jassen

As the beginning of August was a bit crowded, we had our August Jassen Sunday in July, and it was a pleasant afternoon – for the card players as well as for Rosina and me who enjoyed the stress-free socialising. No Zwätschgewähe this time; we were treated to delicious left-over Birthday cake, and a trial run of 1st August-Weggen.

1 August: Lampion Walk

Well, neither the Petone Winter Festival nor the weather were cooperative that day! Given that the Winter Festival and its fireworks were scheduled for 1st August on Petone Beach, we cancelled our annual bonfire and replaced it with a lampion walk. The kids had made beautiful lampions with milk plastic bottles at the club house on movie day. We equipped them with battery

powered lights, as experience had proved that that works better than candles in Windy Wellington. The rain was pouring heavily that evening, which dampened some of our enthusiasm.... Nevertheless some of us showed up (see photo of the courageous few!), got drenched and kept somehow protected from more rain by playing the shooting and lottery games at the nearby Winter Festival.

8 August: National Day Dinner

It was a small gathering this year as many were in Switzerland or taken ill at the last minute. Never mind, it was a lovely evening. Once again, the kitchen team surpassed themselves with a lovely Pastetli dinner and mystery dessert (I wonder how many guessed what the special ingredient was in the "Vermicelles"?!). Thank you also to Marc who brought a bunch of fireworks and sparklers; the kids had a great time with those, despite the cold and rain outside.

6 September: Jassen

Jassen afternoons are always enjoyable, with ever changing constellations of players: Some are back from Switzerland, some are still in Switzerland, some are going to Switzerland. Some were needed at home - but we still had a table of players and they fought hard until the last minute! We also had a table of non-players, where we sewed, embroidered, knitted – no, not in complete silence. Of course we had coffee and a collection of delicious cakes halfway through the afternoon.

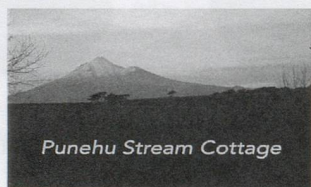

Forthcoming Events

4 October, 7 November, 29 November: Jassen

New players are always welcome. Please contact Trudi on 562-8019 for more information and time/venue details. Also please note that the December Jassen has been moved to 29 November as Samichlaus will visit the Club House on 6 December.

10 October: Bernese Evening

18 October: Club Walk/Garage Sale Drop Off

Our next Club walk will be in Wainuiomata. Details will be emailed. After the walk, we will retreat to the Club House for a shared afternoon tea (please bring a plate). If you have any goods you wish to donate for the Club's garage sale, you can bring them with you on that day.

7 November: Garage Sale

This is our biggest fundraising event of the year and we need your donations of quality goods. Your donations can be dropped off at the Club House at any event, or get in touch with us to arrange a drop-off time. If you need larger items to be collected, please get in touch with us as early as possible so that we can organise this. It takes our volunteers a lot of time and effort to collect goods so they really appreciate having as much notice as possible.

14 November: Working Bee

Many hands make light work and our Club House needs a bit of a spring clean. So let's get together and have a working bee in and around the Club House. The more of us, the less work there will be to do. But of course, it's not all work and no fun, so make sure you bring a plate to share for afternoon tea. Once the work is done, we'll have a game of cards or keglen. Or just a good old chat.

6 December: Samichlaus

As usual, Samichlaus and Schmutzli will

visit the Club House and give out lovely treats to the children who have been good during the year (and we all know what happens to those who haven't been good!). Parents, you might like to start thinking about a good thing your child has achieved during the year and one thing they need to improve on.

12 December: Christmas Dinner

This year our Christmas dinner will be on Saturday 12 December. More details will be emailed closer to the date.

Past Events

Swiss National Day Celebrations were held on Sunday 2nd August at the Matangi Hall for a lunchtime function. We had 125 people attend including families, the band and committee. A lovely meal of Sauerkraut, Potatoes, Speck, Ham and two varieties of Sausages was served. There was plenty for everyone and most people had a chance for second helpings. We were very fortunate to have the Swiss-Kiwi Yodel Group travel from Auckland to provide entertainment throughout the afternoon. This was certainly a special treat for everyone and enjoyed by all. The sound of all those Alphorns surely makes everyone feel a bit homesick. There was also a bit of an informal sing-along which provided a great atmosphere. The children's lampion parade was also well attended by the younger generation – great to see most of these children in Swiss costumes, as well as a lot of the adults. After lunch, we had the opportunity to listen to the speech from the Swiss Federal President and then it was time for the lucky ticket draw with some great prizes to choose from. Soon it was time for afternoon tea and again a great selection of home-made baking – always very popular together with the coffee schnapps. Many thanks to all the helpers – especially Vitus for making and cooking the Sauerkraut. There were a lot of comments on how great it was. Also thanks to all those who helped with the setting up and tidying up – many hands make light work.

Swiss National Day Celebration and Annual Fondue, 1 August

110 members attended a lovely Swiss National Day function. It was nice to catch up with many members and meet new people over a glass of excellent 'Glühwein'. The fondue was absolutely delicious. A big thank you to the kitchen team for all their hard work. The evening was rounded out with singing by the Female Choir and entertainment by Albert Ryter. Thank you both. We of course can't forget the raffle with excellent prizes up for grabs, although there were a lot of blue winning tickets. It was a great night and we celebrated Switzerland's birthday in style.

Pub Night, Flight 605 Bar in Morningside, 7 August

Pub Night, Malthouse, Greenhithe, 4 September

We met at the Malthouse in Greenhithe. It was a convenient location for Westies and people from the Shore. 9 Aucklanders welcomed 4 friends from the Hamilton club. The Swiss Society Vice President Hans and Vreni Vetsch were on their way to Europe, so they came by. We hope they caught the plane the next morning! No one from our group dared to take the microphone to entertain us with Karaoke. We nevertheless had nice chats and got to know some of our newer members, including the Habegger family. They have a nice café and ice cream shop in Takapuna (Swiss Garden Café). We hope to see many of you next time in Howick.

Jassen, Friday 11 September

Once again, we had a nice Jass evening even though we were only 13 of us. I very much enjoyed the feast afterwards - Zwetschgen-Wähe, Asparagus rolls, the Goods' beautiful cheese straight from the farm, and dried fruit and nuts straight from the shops. Thank you all. Nelly Steinemann

Rollerskating, 13 September, at Skateland in Mt. Wellington:

My kids had been excited for days to join our Rollerskating event on Sunday, 13th September. Finally they could put their skates on and go onto the rink. With a bit of a surprise they realised that they weren't quite as pro as they hoped to be. But within the first quarter of an hour their skills improved by a huge amount already. We were only a small group of 10 Swissies with friends and enjoyed each other's company in the hired party room when we needed to have a rest. It was great to get to know the Lanigans a bit better! It was a fun afternoon with lots of laughter, some good races and certainly a few bruises. Tanja Latham

Kaffeekränzli and The Great Swiss Bake-Off

This fabulous new event was created between Emil Tellenbach and Peter Deutsche. Well planned and advertised, it attracted some 55 people who came along to enjoy some great music, a music quiz and of course a vast array of cakes and other baked goods. Some 17 aspiring bakers brought an entry – and what an amazing selection they created! Two judges, Franz Müller from the Swiss Bakery in Milford and Tanja Latham carefully inspected and tasted all entries using a very professional judging system.

The event started off with some great music provided by Emil Tellenbach on the Accordion and Konrad Mittermeier on the Bariton (something like a smaller-sized tuba). They were accompanied by the Swiss Ladies' choir for three songs, including "Guete Sunntig mitenand" and "Wir fahren mit der SBB". This was followed by the music quiz: Emil and Konrad played small snippets from 24 well-known Swiss songs whose titles the audience had to guess. And then of course the audience was let "loose" on the cake selection. What a queue! Given the number of cakes, everyone got a really big plate so that they could test as many entries as possible. Incredibly, almost everything was polished off in short order. Nobody cared about their health for about half an hour and then immediately forgot about it.

And then it was time for the prize-giving. Our champion chef **Edith Hess** won the first prize in the Great Swiss Bake-Off with her beautiful Croquembouche (an artistic mountain of Profiterols), followed by **Daniel Jacot-Descombes** with his lovely coffee cheese cake. Third equal were **Antoinette Rajanathan-Geiger** with her Aargauer Rüebl mini cupcakes with lemon curd and lemon meringue, and **Henri Werffeli** with his Pavlova roll with mango and passionfruit. Note the equal number of women and men among the winners!

Next, the winners of the Swiss music quiz were announced. Not surprisingly, it was three ladies from the Swiss Choir,

with their amazing music memory. The winners were **Renate Meyer-Knecht**, **Edith Hess** and **Irene Knowles**. Congratulations, ladies! Thanks go to Emil, Peter and of course the Auckland club committee for organising such a fun afternoon, all the bakers, to Franz and Tanja for their hard judging work and to Alex for serving up real coffee from her Jura coffee maker. Let's do it again next year!

As well as our baking we offer cabinet food and a full cooked breakfast menu in store. Although we have a wide range of traditional products our bakers are always keen to develop new products to keep up with customer demands. We are proud to now have a wide range of gluten free sweet and savoury items which we endeavour to keep expanding! We are also proud to serve award winning coffee from Toasted Espresso.

Open:
