Swiss Society Games 2016 Medal Winners

Dear Society members,

We had a great turnout for the society sports events and the medal winners are listed below. I would like to thank all the people for participating in this competition. Medals are awarded on the basis of 20% of total participants in each sports discipline. That really highlights the importance of participation as the last one on the list may create a medal for someone a bit further up the ladder. Well done, Hans Vetsch.
