Zwetschggen – a sweet memory

After many years of us getting these beautiful fruit delivered to Auckland, the supplier tells us that the trees have been cut down, and it will take some years to 'get things going again'. Sorry to hear. At this stage we are unsure where to source them in New Zealand, if at all possible. In the meantime, enjoy the memory, and treasure what you still have in the freezer!

Open Day and Jubilee Shoot at the Swiss Farm

This year the Auckland Swiss Club celebrated the 50th Anniversary of the establishment of the 213 acre Swiss Farm in Kaukapakapa. Over the years this venue has served us in a variety of ways like picnic day, National Day celebration, Santa Claus, wedding venue, shooting range and lots more. We thought 50 years was worth celebrating and for this reason the club was organizing an Open Day and Jubilee

Shoot for all Swiss and their family living in Auckland and surroundings.

A total of 59 Shooters took part of the Jubilee Shoot over two weekends, winning lots of fantastic prizes, predominantly donated from Swiss companies, and medals for the three best shooters of each category.

The Open Day was a great success, seeing many new people visiting our farm by great weather conditions. David Vogelsanger, the Swiss Ambassador, also took part of the shooting competition and addressed all people present with a little speech. The dinner organized by Sandra Hess was amazing and all 63 adults and 10 children enjoyed the meals thoroughly.

Thank you to all the organizers and helpers that made this event possible. Daniel Wiederkehr, President

Sunday, 3 December, Samichlaus

Thankfully again this year the weather was in our favour to celebrate Samichlaus at the farm in Kaukapakapa. Families started arriving and enjoying the strawberry tarts and other cakes.

At around 11am out of perfect blue skies, the helicopter arrived as per tradition to deliver our Swiss Santa. The children and Santa then settled into the hut for the handing out of the sackli to around 60 children. Following this, a lunch of wurst and salad was served.

After a few hours of family fun all headed off home and another successful event came to an end.

Saturday, 16 December Swiss Christmas Carol

Alarmingly good Swiss Carol singing.

Our annual Swiss carol singing started on time with a nice selection of traditional and also some less well known songs.

It was lovely to have everybody helping with the singing. We even had a special performance of the younger generation. Instrumental pieces with flutes and recorder also made the afternoon more festive and then ... the tradition got shaken up by the buildings security alarm!! Nelly and Andre did their best to stop it but every now and again it started again. We enjoyed a cuppa and some Weihnachtsguetsli and continued with the singing as by now our ears got adjusted to the ringing .. and then it finally stopped!! We all enjoyed the last songs without the ringing in the back ground. Many thanks to the Swiss, Austrian and Germans who joined us. Also to the Ladies Singing Group, the musicians and Nelly for putting the programme together. We hope a few more can join us next year.

decorated tree which then became part of the Kiwi Beach Christmas Story that the children participated in after lunch! Around lunchtime the committee served freshly grilled sausages – always quickly consumed by all. Many thanks to Ursula for rounding up the children and creating a wonderful Christmas scene and story! Santa arrived in time to enjoy the story and then handed out gifts to the younger children. We had a huge raffle table thanks to the generosity of members donating some great prizes. Following the raffle draws we all enjoyed a lovely afternoon tea of home-made baking brought along by everyone. Thanks to Beatrice for organising a very big sausage order – this was a good reason to come along to our function.

Past Events

On the 24th of November the Taranaki Swiss Club committee held a barbeque inviting our three life members along. This was a very casual affair, but most enjoyable with everyone happy to chat, with much fun and laughter had. Remigi's early potatoes, together with a huge variety of salads to go with our barbequed sausages and meat patties, made for a really delicious dinner!!! Heidi had already made some Christmas bis-

cuits and everyone enjoyed those very much!!! Thanks to the entire committee for their hard work over the year, and we look forward to another exciting year ahead!!!

On the 26th of November a very exciting man came to the Taranaki Swiss Club ... of course it was Father Christmas!!! Thank you Marlies for organising some Christmassy activities to keep the children occupied; they really enjoyed it! The swings and basket also kept plenty of children / adults busy. After a delicious potluck lunch, Father Christmas duly arrived. It was great to see the excitement on the children's faces ... with the small and cute Frankie Werder eager to bring her baby brother Oscar his present! All the children displayed beautiful manners in thanking Father Christmas for giving them a small present and a bag of lollies! For some, the lollies were more important than opening their present!!!

Adults had the option of bringing a wrapped present and then shooting or playing skittles and obviously receiving a present in return at prize giving ... this is a wonderful idea, and people opened all sorts of presents ... I will really enjoy my packet of salameetti!!! And Richard is looking forward to opening his toblerone!!! Oops, perhaps it's all gone already!!! Funny ... we all enjoy eating ... especially Swiss treats!!! And most prizes had the food element in them!!! Always something useful!!!

Mark had then organised several mystery prizes, with names being drawn from a hat ... everyone enjoyed the anticipation of what had been wrapped up!!! It was wonderful to meet Franz and Maria Haesli who have transferred from the Hamilton Swiss Club, and their daughter Astrid with her children at our Christmas Shoot ... we do hope that you enjoy participating in our clubs' events and the camaraderie of fellow Kiwi-Swiss people ... thank you so much for coming along. Also great to see some of our older members come along ... Christine, Bertha, Lou, Josie, Frieda ... wonderful you make the effort to join us for this day.

Thank you to Lisette for assisting Father Christmas, Margaret for playing the piano, and to all the helpers in the kitchen on the day ... it's your help that makes this day so enjoyable for everyone. The biggest thank you must go to Mark Kiser, for without his dedication this day wouldn't happen!!! THANK YOU MARK!!!

Swiss Club News

On the 9th of December several members attended the Hawera Christmas Parade in which a float had been entered. The float and everyone in costume looked great; so much so that the Swiss Club received second prize!!! The children with goats looked so nice ... thank you to everyone who helped in any way and who participated in the parade. It really promotes our club in such a positive way.

Then on the 16th of December the float was entered in the Manaia Christmas Parade and, once again, received second prize. Well done to everyone who helped in any way and the dedicated participants; another good promotion of our club

Saturday 11 November - working bee

The club house looks 10 years younger! Roland called for help to the working bee at very short notice, but still a group of motivated volunteers showed up. The difference they made is noticeable! The floors are clean, the trees are trimmed, the fence is fixed.

A big thanks to all of you who came and donated your time for the club that weekend.

Sunday 2 December - Samichlaus

Samichlaus and Schmutzli came to the club house, to the delight of a dozen children.

Upon arrival, the children were greeted by the sight of the beautiful tree that Peter had brought in the day before, and they helped decorate it.

I want to thank the Kellers family for their invaluable contribution. Orsi and Zita made cookie dough and taught the kids to make delicious Mailänderli while waiting for Samichlaus and Schmutzli. What Peter and Daniel did was less well-known, but the rumour is that Peter shaved his beard before the next event, so as to not be recognised.

Saturday 10 December Christmas dinner

We had a big turnout for the last event of the year. Peter H had prepared his delicious ham, that was served with veggies and salad, before dessert. Trudi served our club's now traditional Christmas sangria. Olivia Napp read the Christmas story before Peter K and Caroline lead our carol singing. Roland gave us a good review of the year and thanked many members for their contributions to the running of the club. Wishing you all a merry Christmas and see you in the new year!

Sunday 4 February and 4 March

We will play cards on the first Sunday of each month, unless there is a change of plan.

The hard core players will be contacted. If you are a keen player and would like to join us, please ring Trudi on 562 8019. Sunday 28 January - BBQ and cowbell competition. Come and test your skills at Steinstossen, Kegeln and Jassen.

Sunday 11 February small bore shooting

Please email John Jordan or wellingtonswissclub@gmail.com for confirmation.

Sunday 18 February Family Day at the Jaeggis' garden

A fantastic day for young and old in Akatarawa, Upper Hutt (23 Crest Road). Heinz and Trix have a playground ready, a tree house, a forest walk, and plenty of other treats! BYO, and please bring a dessert to share if you can. The barbecue to grill your sausages or other will be provided.

Let us know if you are coming, for Heinz and Trix to prepare enough tables, by emailing: wellingtonswissclub@gmail.com or call Heinz on 021 430 759. This can be useful too so that I can email you confirmation or cancellation if the weather is uncertain. Last year, we had to cancel at the last minute, to everyone's disappointment. But do not worry too much, as the weather is usually clement for this yearly event!

Saturday 17 March Appenzeller Evening

Have you ever been wondering what Appenzell is like? Or do you belong to this small people yourself? On the 17th of March you will have the chance to learn more about this small unique world in the Voralpen. Maurus, an Appenzeller who arrived no more than 3 months ago, will show you why the inhabitants see this region as so special. With the event comes of course some good „räss“ (spicy) food based on Appenzell recipes. To make this happen, the organisers are looking for helping hands not only for the Appenzeller Event, but also for the Club Competition, which is on the same day.

Saturday 17 March Cowbell semifinal

Note that this event's date was moved to fit in with the Appenzeller Evening. Come Saturday afternoon and help us compete with our friends from the Taranaki Swiss Club in Bowling, Jass, Steinstossen. And Saturday evening we will enjoy a unique Appenzeller dinner (see above).
